 Women have engaged in healing from the beginning of history, often within the context of the home. This book studies the role, contributions and challenges faced by women healers in France, Spain, Italy and England, including medical practice among women in the Jewish and Muslim communities, from the later Middle Ages to approximately 1800. Mütter, Väter und Täter Trailblazing women working in digital arts media and education established the Midwest as an international center for the artistic and digital revolution in the 1980s and beyond. Foundational events at the University of Illinois and the School of the Art Institute of Chicago created an authentic, community-driven atmosphere of creative expression, innovation, and interdisciplinary collaboration that crossed gender lines and introduced artistically

informed approaches to advanced research. Interweaving historical research with interviews and full-color illustrations, *New Media Futures* captures the spirit and contributions of twenty-two women working within emergent media as diverse as digital games, virtual reality, medicine, supercomputing visualization, and browser-based art. The editors and contributors give voice as creators integral to the development of these new media and place their works at the forefront of social change and artistic inquiry. What emerges is the dramatic story of how these Midwestern explorations in the digital arts produced a web of fascinating relationships. These fruitful collaborations helped usher in the digital age that propelled social media. Contributors: Carolina Cruz-Niera, Collen Bushell, Nan Goggin, Mary Rasmussen, Dana Plepys, Maxine Brown, Martyl Langsdorf, Joan Truckenbrod, Barbara Sykes-Dietz, Abina Manning, Annette Barbier, Margaret Dolinsky, Tiffany Holmes, Claudia Hart, Brenda Laurel, Copper Giloth, Jane Veeder, Sally

Rosenthal, and Lucy Petrovic.

Black President DigiCat Siri Hustvedts Themen in dieser neuen, sehr persönlichen Sammlung von erstaunlichen Essays reichen von der Natur von Erinnerung und Zeit bis zu dem, was wir von unseren Eltern erben, und sie erweitern ihre bekannten Forschungsgebiete: Feminismus, Psychoanalyse, Neurowissenschaften, die Kunst, das Denken und das Schreiben. An lebendig erzählten Beispielen aus ihrer privaten Familiengeschichte und Lebenserfahrung zeigt Hustvedt, wie porös die Grenzen zwischen uns und den anderen, zwischen Kunst und Betrachter, zwischen dem Ich und der Welt sind. Und so privat diese abwechslungsreiche Reise durch die unterschiedlichsten Themenfelder erscheint, so universell ist sie letztlich – ein vorläufiges Fazit von Siri Hustvedts lebenslanger Auseinandersetzung mit der Frage, wie wir funktionieren und was uns als Menschen zusammenhält. *New Media Futures* Bloomsbury Publishing USA

England, 1264: as Simon de Montfort and his fellow Barons challenge Henry III's arrogant conviction of the divine right of kings to rule, the country moves inexorably towards civil war. In the little town of Lewes in Sussex, Judith, daughter of Belaset, seeks revenge for the massacre of her family and other Jews by de Montfort. As a trusted messenger between the King and his loyal followers, she is asked to act as go-between for King Henry and William Foville, Prior of St Pancras in Lewes. Judith seizes the opportunity to strike one last blow against de Montfort before her wedding to Aaron of.

Louise Bourgeois Flammarion-Pere Castor Om maleren, billedhuggeren, installationskunstneren m.m. Louise Bourgeois (1911-2010). Udstillingen koncentrer sig om hendes værker fra 1996 til hendes død. *ARTnews* Strelbytskyy Multimedia Publishing Timing & Time Perception Review is the forum for all psychophysical, neuroimaging, pharmacological, computational, and theoretical advances on the topic of timing and time perception in

humans and other animals. Timing & Time Perception Review has a multidisciplinary approach to the synergy of: Neuroscience and Philosophy for understanding the concept of time, Cognitive Science and Artificial Intelligence for adapting basic research to artificial agents, Psychiatry, Neurology, Behavioral and Computational Sciences for neuro-rehabilitation and modeling of the disordered brain, to name just a few.

The Complete Works of Emile Zola. Illustrated Museum of Contemporary Art, San Diego

When viewers think of film noir, they often picture actors like Humphrey Bogart playing characters like Sam Spade in *The Maltese Falcon*, the film based on the book by Dashiell Hammett. Yet film noir is a genre much richer. The authors first examine the debate surrounding the parameters of the genre and the many different ways it is defined. They discuss the Noir City, its setting and backdrop, and also the cultural (WWII) and institutional (the House UnAmerican Activities Committee, and the Production Code Administration) influences

on the subgenres. An analysis of the low budget and series film noirs provides information on those cult classics. With over 200 entries on films, directors, and actors, the *Encyclopedia of Film Noir* is the most complete resource for film fans, students, and scholars.

"The Complete Works of Emile Zola" is an extensive collection that brings together the masterful literary contributions of the renowned French author Emile Zola. This anthology encompasses Zola's notable novels, including "Therese Raquin," "Germinal," "Nana," and the monumental "Rougon-Macquart" cycle. Zola's works are characterized by their meticulous realism, unflinching social commentary, and vivid portrayal of human struggles. In "Therese Raquin," he delves into the dark realms of passion, guilt, and remorse. "Germinal" offers a powerful exploration of the harsh realities faced by miners and the social injustices of the 19th-century industrial world. "Nana" presents a mesmerizing character study of a seductive and destructive

courtesan, while the "Rougon-Macquart" cycle spans twenty novels, interweaving the lives of various characters to create a panoramic depiction of French society during the Second Empire. Zola's writing exhibits a deep understanding of human psychology, tackling themes of class, corruption, sexuality, and the influence of environment on individual destinies. His powerful narratives reveal the dark underbelly of society while championing social reform and exposing the flaws of the human condition. "The Complete Works of Emile Zola" is a literary treasure that showcases the breadth and depth of Zola's storytelling prowess. Whether you are a fan of realistic fiction, historical novels, or social critique, this comprehensive collection offers an immersive journey into the works of one of France's most influential writers. This anthology is an essential addition to any literary enthusiast's library, providing a comprehensive exploration of Zola's oeuvre and his lasting impact on the world of literature. These days artists like
 Damien Hirst and Tracey
 Emin are major
 celebrities. But Gregor
 Muir knew them at the
 start; his unique memoir
 chronicles the birth of
 Young British Art. Muir,
 YBA's 'embedded
 journalist', happened to
 be in Shoreditch and
 Hoxton before Jay Jopling

arrived with his White
 Cube Gallery, when this
 was still a semi-derelict
 landscape of grotty pubs
 and squats. There he
 witnessed, amid a whirl of
 drunkenness, scrapes and
 riotous hedonism, the
 coming-together of a
 remarkable array of
 young artists - Hirst, the
 Chapman brothers,
 Rachel Whiteread, Sam
 Taylor-Wood, Angus
 Fairhurst - who went on to
 produce a fresh,
 irreverent, often notorious
 form of art - Hirst's shark,
 Sarah Lucas's two fried
 eggs and a kebab. By the
 time of the seminal
 Sensation show at the
 Royal Academy YBA had
 changed the art world for
 ever.

New Art City Bernan Press
 Louise Bourgeois uses a
 range of materials from
 wood and plaster to
 marble and latex, to
 explore universal themes
 - the body, childhood,
 maternity and sexuality.

**The Gentleman's
 Magazine** Springer
 New York magazine was
 born in 1968 after a run
 as an insert of the New
 York Herald Tribune and
 quickly made a place for
 itself as the trusted
 resource for readers
 across the country. With
 award-winning writing and
 photography covering
 everything from politics

and food to theater and
 fashion, the magazine's
 consistent mission has
 been to reflect back to its
 audience the energy and
 excitement of the city
 itself, while celebrating
 New York as both a place
 and an idea.

*Destruction of the father,
 reconstruction of the
 father* Univ of California
 Press

The Rat Bastard
 Protective Association
 was an inflammatory,
 close-knit community of
 artists who lived and
 worked in a building they
 dubbed Painterland in the
 Fillmore neighborhood of
 midcentury San Francisco.
 The artists who counted
 themselves among the
 Rat Bastards which
 included Joan Brown,
 Bruce Conner, Jay
 DeFeo, Wally Hedrick,
 Michael McClure, and
 Manuel Neri exhibited a
 unique fusion of
 radicalism, provocation,
 and community.
 Geographically isolated
 from a viable art market
 and refusing to conform
 to institutional
 expectations, they animated
 broader social and artistic
 discussions through their
 work and became a
 transformative part of
 American culture over
 time. Anastasia Aukeman
 presents new and little-

known archival material in this authorized account of these artists and their circle, a colorful cultural milieu that intersected with the broader Beat scene.

Drawing upon a myriad of primary and secondary historical sources, *The Royal Doctors: Medical Personnel at the Tudor and Stuart Courts* investigates the influential individuals who attended England's most important patients during a pivotal epoch in the evolution of the state and the medical profession. Drawing upon a myriad of primary and secondary historical

sources, *The Royal Doctors: Medical Personnel at the Tudor and Stuart Courts* investigates the influential individuals who attended England's most important patients during a pivotal epoch in the evolution of the state and the medical profession. Over three hundred men [and a handful of women], heretofore unexamined as a group, made up the medical staff of the Tudor and Stuart kings and queens of England [as well as the Lord Protectorships of Oliver and Richard Cromwell]. The royal doctors faced enormous challenges in the sixteenth and seventeenth centuries from diseases that respected no rank and threatened the very security of the realm. Moreover, they had to weather political and religious upheavals that led to regicide and revolution, as well as cope with sharp theoretical and jurisdictional divisions within English medicine. The rulers often interceded in medical controversies at the behest of their royal doctors, bringing sovereign authority to bear on the condition of medicine. Elizabeth Lane Furdell is Professor of

History at the University of North Florida.

****NAMED ONE OF THE BEST ART BOOKS OF THE DECADE BY ARTNEWS****

The first and definitive biography of the celebrated collectors Dominique and John de Menil, who became one of the greatest cultural forces of the twentieth century through groundbreaking exhibits of art, artistic scholarship, the creation of innovative galleries and museums, and work with civil rights. Dominique and John de Menil created an oasis of culture in their Philip Johnson-designed house with everyone from Marlene Dietrich and René Magritte to Andy Warhol and Jasper Johns. In Houston, they built the Menil Collection, the Rothko Chapel, the Byzantine Fresco Chapel, the Cy Twombly Gallery, and underwrote the Contemporary Arts Museum. Now, with unprecedented access to family archives, William Middleton has written a sweeping biography of this unique couple. From their ancestors in Normandy and Alsace, to their own early years in France, and their travels

in South America before settling in Houston. We see them introduced to the artists in Europe and America whose works they would collect, and we see how, by the 1960s, their collection had grown to include 17,000 paintings, sculptures, drawings, photographs, rare books, and decorative objects. And here is, as well, a vivid behind-the-scenes look at the art world of the twentieth century and the enormous influence the de Menils wielded through what they collected and built and through the causes they believed in. *Welcome to Painterland* Rowohlt Verlag GmbH The author looks at boarding-schools for girls in 19th-century England, exploring the emergence and expansion of private schooling for girls, the recruitment and training of schoolmistresses; the lives of schoolgirls, and

the instruction they received; and the experiences of pupils and teachers who crossed the Channel.

Louise Bourgeois Oxford University Press

This book, based on revised papers originally delivered at the VII International Systemic Functional Workshop in Valencia in 1995, explores some of the choices open to speakers and writers for the expression of meaning in different socio-cultural contexts. Many of the papers draw their inspiration from models of language developed by Michael Halliday and in particular recent theories of variation in relation to texts and genres explored by Halliday and his followers. There is an emphasis on the interdependence and interaction of linguistic choices across sentence boundaries and speaking turns, and also a

consistent focus across many papers on the importance of lexicogrammar in the construction of texts. Several papers examine the differences between native-speaker and non-native-speaker choices in speech and writing. The volume also contributes to our understanding of differences and similarities between spoken and written varieties of English and of the central significance of interpersonal functions in the communication of messages. By drawing on naturally-occurring data collected on a range of genres as diverse as philosophy articles, scientific research papers, emergency telephone calls, and casual conversation, contributors both refine descriptions of the relations between text and context and offer numerous new insights and analyses.
