I Escaped from Auschwitz Berghahn Books

Filip Müller came to Auschwitz with one of the earliest transports from Slovakia in April 1942 and began working in the gassing installations and crematoria in May. He was still alive when the gassings ceased in November 1944. He saw millions come and disappear; by sheer luck he survived.

Müller is neither a historian nor a psychologist; he is a source—one of the few prisoners who saw the Jewish people die and lived to tell about it.

Eyewitness Auschwitz is one of the key documents of the Holocaust.

The Man Who Broke Into Auschwitz HarperCollins

Of the countless stories of resistance, ingenuity, and personal risk to emerge in the years following the Holocaust, among the most remarkable, yet largely overlooked, are those of the hundreds of Jewish deportees who escaped from moving trains bound for the extermination camps. In France, Belgium, and the Netherlands alone over 750 men, women and children undertook such dramatic escape attempts, despite the extraordinary uncertainty and physical danger they often faced. Drawing upon extensive interviews and a wealth of new historical evidence, *Escapees* gives a fascinating collective account of this hitherto neglected form of resistance to Nazi persecution.

A Novel Dundurn

"That nickname . . . 'Little bird.' It wasn't mine. I found out later he gave it to every little girl that came in to be injected. "Little Bird" didn't mean anything. It was a trick. There were thousands of "little birds", just like me, all thinking they were the only one.' As a reporter, Jacques Peretti has spent his life investigating important stories. But there was one story, heard in scattered fragments throughout his childhood, that he never thought to investigate. The story of how his mother survived Auschwitz. In the few last months of the Second World War, thirteen-year-old Alina Peretti, along with her mother and sister, was one of thirteen thousand non-Jewish Poles sent to Auschwitz. Her experiences there cast a shadow over the rest of her life. Now ninety, Alina has been diagnosed with dementia. Together, mother and son begin a race against time to record her memories and preserve her family's story. Along the way, Jacques learns long-hidden secrets about his mother's family. He gains an understanding of his mother through retracing her past, learning more about the woman who would never let him call her 'Mum'.

The Shocking True Story of the World War II Hero Who Escaped the Nazis and Helped Save Over 200,000 Jews Bookouture

"Alfred Wetzler was a true hero. His escape from Auschwitz, and the report he helped compile, telling for the first time the truth about the camp as a place of mass murder, led directly to saving the lives of 120,000 Jews: the Jews of Budapest who were about to be deported to their deaths. No other single act in the Second World War saved so many Jews from the fate that Hitler and the SS had determined for them. This book tells Wetzler's story." · Sir Martin Gilbert "Wetzler is a master at evoking the universe of Auschwitz, and especially, his and Vrba's harrowing flight to Slovakia. The day-by-

day account of the tremendous difficulties the pair faced after the Nazis had called off their search of the camp and its surroundings is both riveting and heart wrenching. [...] Shining vibrantly through the pages of the memoir are the tenacity and valor of two young men, who sought to inform the world about the greatest outrage ever committed by humans against their fellow humans." - [From Introduction by Dr Robert Rozett] Together with another young Slovak Jew, both of them deported in 1942, the author succeeded in escaping from the notorious death camp in the spring of 1944. There were some very few successful escapes from Auschwitz during the war, but it was these two who smuggled out the damning evidence – a ground plan of the camp, constructional details of the gas chambers and crematoriums and, most convincingly, a label from a canister of Cyclone gas. The present book is cast in the form of a novel to allow factual information not personally collected by the two fugitives, but provided for them by a handful of reliable friends, to be included. Nothing, however, has been invented. It is a shocking account of Nazi genocide and of the inhuman conditions in the camp, but equally shocking is the initial disbelief the fugitive's revelations met with after their return.

Based on a true story, an absolutely heartbreaking and gripping World War 2 novel Bookouture

The controversial English-language debut of celebrated Israeli novelist Yishai Sarid is a harrowing, ironic parable of how we reckon with human horror, in which a young, present-day historian becomes consumed by the memory of the Holocaust. Written as a report to the chairman of Yad Vashem, Israel's memorial to the victims of the Holocaust, our unnamed narrator recounts his own undoing. Hired as a promising young historian, he soon becomes a leading expert on Nazi methods of extermination at concentration camps in Poland during World War II and guides tours through the sites for students and visiting dignitaries. He hungrily devours every detail of life and death in the camps and takes pride in being able to recreate for his audience the excruciating last moments of the victims' lives. The job becomes a mission, and then an obsession. Spending so much time immersed in death, his connections with the living begin to deteriorate. He resents the students lost in their iPhones, singing sentimental songs, not expressing sufficient outrage at the genocide committed by the Nazis. In fact, he even begins to detect, in the students as well as himself, a hint of admiration for the murderers—their efficiency, audacity, and determination. Force is the only way to resist force, he comes to think, and one must be prepared to kill. With the perspicuity of Kafka's *The Trial* and the obsessions of DeLillo's *White Noise*, *The Memory Monster* confronts difficult questions that are all too relevant to Israel and the world today: How do we process human brutality? What makes us choose sides in conflict? And how do we honor the memory of horror without becoming consumed by it? Praise for *The Memory Monster*: "Award-winning Israeli novelist Sarid's latest work is a slim but powerful novel, rendered beautifully in English by translator Greenspan.... Propelled by the narrator's distinctive voice, the novel is an original variation on one of the most essential themes of post-Holocaust literature: While countless writers have asked the question of where, or if, humanity can be found within the profoundly inhumane, Sarid incisively shows how preoccupation and obsession with the inhumane can take a toll on one's own humanity.... it is, if not an indictment of Holocaust memorialization, a nuanced and trenchant consideration of its layered politics. Ultimately, Sarid both refuses to apologize for Jewish rage and condemns the nefarious forms it sometimes takes. A bold, masterful exploration of the banality of evil and the nature of revenge, controversial no matter how it is read." —Kirkus Reviews, Starred Review "[A] record of a breakdown, an impassioned consideration of memory and its risks, and a critique of Israel's use of the Holocaust to shape national identity.... Sarid's unrelenting examination of how narratives of the Holocaust are shaped makes for much more than the average confessional tale." —Publishers Weekly "Reading *The Memory Monster*, which is written as a report to the director of Yad Vashem, felt like both an extremely intimate experience and an eerily clinical Holocaust history lesson. Perfectly treading the fine line between these two approaches, Sarid creates a haunting exploration of collective memory and an important commentary on humanity. How do we remember the Holocaust? What tolls do we pay to carry on memory? This book hit me viscerally, emotionally, and personally. *The Memory Monster* is brief, but in its short account Sarid manages to lay bare the tensions between memory and morals, history and nationalism, humanity and victimhood. An absolute must-read." —Julia DeVarti, Literati Bookstore (Ann Arbor, MI) "In Yishai Sarid's dark, thoughtful novel *The Memory Monster*, a Holocaust historian struggles with the weight of his profession.... *The Memory Monster* is a novel that pulls no punches in its exploration of the responsibility—and the cost—of holding vigil over the past." —Eileen Gonzalez, Foreword Reviews **I Cannot Forgive** Berghahn Books

In 1944 a Slovakian Jew named Rudolf Vrba escaped from Auschwitz and wrote a document about the death camp activities. His words never reached the half million Hungarian Jews who were herded there. The story of that suppression is told here.

The Boy Who Followed His Father into Auschwitz St. Martin's Press

The Stunning and Emotional Autobiography of an Auschwitz Survivor April 7, 1944—This date marks the successful escape of two Slovak prisoners

from one of the most heavily-guarded and notorious concentration camps of Nazi Germany. The escapees, Rudolf Vrba and Alfred Wetzler, fled over one hundred miles to be the first to give the graphic and detailed descriptions of the atrocities of Auschwitz. Originally published in the early 1960s, *I Escaped from Auschwitz* is the striking autobiography of none other than Rudolf Vrba himself. Vrba details his life leading up to, during, and after his escape from his 21-month internment in Auschwitz. Vrba and Wetzler manage to evade Nazi authorities looking for them and make contact with the Jewish council in Zilina, Slovakia, informing them about the truth of the “unknown destination” of Jewish deportees all across Europe. This first-hand report alerted Western authorities, such as Pope Pius XII, Winston Churchill, and Franklin D. Roosevelt, to the reality of Nazi annihilation camps—information that until then had only been recognized as nasty rumors. *I Escaped from Auschwitz* is a close-up look at the horror faced by the Jewish people in Auschwitz and across Europe during World War II. This newly edited translation of Vrba's memoir will leave readers reeling at the terrors faced by those during the Holocaust. Despite the profound emotions brought about by this narrative, readers will also find an astounding story of heroism and courage in the face of seemingly hopeless circumstances.

Escaping Hell is the compelling and true story of a heroic young Polish officer who survived the terror of five years in the prisons of Auschwitz and Buchenwald – where violence was meaningless because human life had lost all value. During World War II, Kon Piekarski was a member of the Polish Underground Army, a clandestine resistance movement which operated even inside Auschwitz – organizing spectacular escapes, operating a secret radio network and matching wits with the Gestapo. After Auschwitz, Piekarski became a prisoner of war at Buchenwald and spent time working in a factory where Russian prisoners of war were used for labour. In the face of constant danger, he and his comrades took every possible opportunity to sabotage the German war industry. He was finally transferred to a small camp near the French border, and escaped three months before the end of the war.

Sibert Honor author Deborah Hopkinson unearths the heroic stories of Jewish survivors from different countries so that we may never forget the past. As World War II raged, millions of young Jewish people were caught up in the horrors of the Nazis' Final Solution. Many readers know of Adolf Hitler and the Nazi state's genocidal campaign against European Jews and others of so-called "inferior" races. Yet so many of the individual stories remain buried in time. Of those who endured the Holocaust, some were caught by the Nazis and sent to concentration camps, some hid right under Hitler's nose, some were separated from their parents, some chose to fight back. Against all odds, some survived. They all have stories that must be told. They all have stories we must keep safe in our collective memory. In this thoroughly researched and passionately written narrative nonfiction for upper middle-grade readers, critically acclaimed author Deborah Hopkinson allows the voices of Holocaust survivors to live on the page, recalling their persecution, survival, and resistance. Focusing on testimonies from across Germany, the Netherlands, France, and Poland, Hopkinson paints a moving and diverse portrait of the Jewish youth experience in Europe under the shadow of the Third Reich. With archival images and myriad interviews, this compelling and beautifully told addition to Holocaust history not only honors the courage of the victims, but calls young readers to action -- by reminding them that heroism begins with the ordinary, everyday feat of showing compassion toward our fellow citizens.

"Blending elements of memoir, history, and biography," the son of a Holocaust survivor "portrays the horrifying reality of the . . . concentration camps" (Midwest Book Review). In June 1944, the Nazis locked eighteen-year-old Dave Hersch into a railroad boxcar and shipped him from his hometown of Dej, Hungary, to Mauthausen Concentration Camp, the harshest, cruelest camp in the Reich. After ten months in the granite mines of Mauthausen's nearby sub-camp, Gusen, he weighed less than 80lbs, nothing but skin and bones. Somehow surviving the relentless horrors of these two brutal camps, as Allied forces drew near Dave was forced to join a death march to Gunskirchen Concentration Camp, over thirty miles away. Soon after the start of the march, and more dead than alive, Dave summoned a burst of energy he did not know he had and escaped. Quickly recaptured, he managed to avoid being killed by the guards. Put on another death march a few days later, he achieved the impossible: he escaped again. Using only his father's words for guidance, Jack Hersch takes us along as he flies to Europe to learn the secrets his father never told of his time in the camps. Beginning in the verdant hills of his father's Hungarian hometown, we accompany Jack's every step as he describes the unimaginable: what his father must have seen and felt while struggling to survive in the most abominable places on earth. "This deeply personal and extremely informative portrait of a man of indomitable will to live, as Hersch emphasizes, reminds us of why we must never forget nor trivialize the full, shocking truth about the Holocaust."—Booklist

The Man Who Broke into Auschwitz is the extraordinary true story of a British soldier who marched willingly into the concentration camp, Buna-Monowitz, known as Auschwitz III. In the summer of 1944, Denis Avey was being held in a British POW labour camp, E715, near Auschwitz III. He had heard of the brutality meted out to the prisoners there and he was determined to witness what he could. He hatched a plan to swap places with a Jewish inmate and smuggled himself into his sector of the camp. He spent the night there on two occasions and experienced at first-hand the cruelty of a place where slave workers, had been sentenced to death through labor. Astonishingly, he survived to witness the aftermath of the Death March where thousands of prisoners were murdered by the Nazis as the Soviet Army advanced. After his own long trek right across central Europe he was repatriated to Britain. For decades he couldn't bring himself to revisit the past that haunted his dreams, but now Denis Avey feels able to tell the full story—a tale as gripping as it is moving—which offers us a unique insight into the mind of an ordinary man whose moral and physical courage are almost beyond belief.
