It is well known among the curious that Sedona, Arizona, and its surrounding regions have seen some of the world's all-time, most-intense UFO, paranormal and spiritual activity. The question

is, why?

EMBRACING ETERNITY weaves the profound linkage between all of life's challenges as well as physical death, and extends this linkage to the life of the consciousness - here and beyond. It further explains the fundamental shifts in awareness involved in mastering all transitions. Dr. deAngelis explains that the "keys" are everywhere around and within us and that the ability to spot

these keys is our birthright. Perhaps the mystery to why this information is relatively unknown is that it is considered something very special to which only a few are entitled. *Embracing Your Puzzle Piece* Light Technology Publishing

What all of mankind have learned in the past about creation is the way that existence isn't -- a paradox! Awaken and realize that all of mankind will create their "body for Ascension," whether they accomplish this now or later, and that this is not the exclusive domain of Christ or Buddha or many others who have ascended -- this is your birthright. You are not relegated to worshipping those who have already done this very basic initiation called Ascension. Christ and Buddha would be the first to acknowledge that they are just beginners on their eternal journey. When mankind lifts the veils of their unworthiness and recognize that they are the Sons of God, that there is divine equality and no one is greater than another, then you will have begun our journey in the way that it was intended. In your near future your Planetary Hierarchy will release the world from theology, ecclesiasticism and the wrathful Jehovah and return humanity to its rightful journey into spiritualizing matter, not worshipping it! The Mahatma is for those who are motivated to search for the answers that can respond to their mental and spiritual bodies. In the past, mankind's choices of beliefs and religions have supported only the emotional body and the darker, material side of life. And truly, if one is going to remain on Earth, very drastic shifts of consciousness will be required to have mankind remain in Earth's new fourth-dimensional reality. No matter how contrary to your current beliefs, this book contains methods for creating your spiritual Lightbody for Ascension, and

it also explains your eternal journey in a way that was never before available to mankind.

How to Teach Ascension Classes Your Ascension Mission Embracing Your Puzzle Piece

This book serves as an ideal foundation for teaching ascension classes and doing workshops. The inner-plane ascended masters have guided Dr. Stone to put together this book, using his Easy-to-Read Encyclopedia of the Spiritual Path as its foundation. Here you will find an entire one- to two-year program of classes for teaching from one to hundreds of student initiates. Teaching or setting up a class in your home to facilitate ascension realization is one of the most important services one could offer one's friends, students and even family. With this book it is easy. Details on how to start and end every class are given, as well as outlines for 132 classes. Also included are suggestions on how to observe the major holy days that the inner-plane ascended masters would like us to celebrate on Earth. Using his teaching experience, Dr. Stone has also outlined all the logistical and third-dimensional considerations that will come up. The only tools a class leader needs would be his books and meditation tapes.

This Volume covers the basics of ascension clearly and completely, from the spiritual hierarchy to the angels and star beings, in Dr. Stone's easy-to-read style. From his background in psychology he offers a unique perspective on such issues as karma, the transcendence of the negative ego, the power of the spoken word and the psychology of ascension. There are meditations and exercises to assist the reader in integrating the principles of ascension in a practical way. The importance of

developing all bodies, the physical, the etheric, the astral and the mental, as well as the higher monadic and soul bodies, is emphasized. With interesting examples and personal stories, the various spiritual realms and planes are described and the path of initiation is illustrated. This is a book that makes learning enjoyable.

This book is a sequel to the first two. It contributes an added dimension to my earlier information. Sedona seems to reflect the best qualities, or perhaps I should say "combined" qualities, the essences and elements, of the Great Pyramids, Glastonbury, Stonehenge, Ayers Rock, Mount Shasta, the South American Pyramids, Peru, Tibet, Nepal, India, Lourdes, and many other power places around the world. How can I make such a claim? For the reason that I interact on a regular basis with individuals from virtually every corner of the Earth who have spent time in those sacred and mysterious places. Through these travelers, I have learned that there is simply no other place like Sedona.

There are tens of thousands of self-help books on psychology and human relationships; however, there are very few that integrate the topics of the soul and spirit into the picture. Most books on this subject focus on personality-level self-actualization. The new wave in the field of psychology is transpersonal or soul psychology, which will lead to monadic psychology for the more advanced students of the path. The entire understanding of psychology is completely changed when the soul is properly integrated. It has been said that personality-level self-actualization brings happiness, soul-level self-actualization brings joy, and monadic- and spiritual-level self-actualization bring bliss.

This book traces the author's journey of ascension through the seven levels of initiation, through the process of anchoring and activating his fifty chakras, expanding to a 99-percent light quotient, then on to anchoring and fully activating all twelve bodies, which include the five higher bodies. Exactly how this is done is shared, and in-depth information is given on the workings of the inner-plane ashram under the guidance of Djwhal Khul, Lord Maitreya and Lord Melchizedek. You are invited to journey with him as he unfolds the process of his initiations, beginning at the sixth, moving through the equivalent of the tenth initiation and into the beginning of the eleventh. Written as a personal log, this book shares, in an open and candid manner, dreams, meditations, conversations with the masters, spiritual

background, thoughts and reflections and actual ascension experiences.
