first-class education at a reasonable price. Costs range from virtually free at some of the very good state-endowed schools, to fairly high, but a bargain in terms of quality of education offered. Approximately 300(?) colleges are listed and described in detail. Information includes academic programs, descriptions of campus environments -- and of course, the

amount of money that students and parents can expect to pay. Schools profiled in this book encompass the full range of academic disciplines and represent all fifty states. **Barron's Best Buys in College Education** Westville, N.S. : Pictou County Roots Society This smaller version of Barron's definitive Profiles of American Colleges presents detailed descriptions of

more than 400 accredited four-year schools that fall mainly within the top three categories of Barron's exclusive academic competitiveness scale. Updated with the latest facts and figures, each of the Compact Guide's college profiles includes information on admission requirements, academic programs, tuition and fees, available financial aid, library and

computer facilities, student-faculty ratios, and much more.

More than 180 ABA-approved laws schools across the United States are described, with information on admission requirements, degree requirements, tuition and fees, sources of financial aid, and career placement services. The book also features 20 pages in table form listing each law school with statistics on its median LSAT (Law School Admission Test) scores

and other admission requirements, thus enabling candidates to estimate in advance their chances of admission to each school. Also helpful are a general overview of law school curricula and a brief description of selected non-ABA-approved schools. A sample LSAT is included with answers and explanations.

The new 22nd

edition of Barron's SAT test prep manual can now be purchased with a completely new and up-to-date CD-ROM. Both the book and the CD-ROM reflect the SAT's latest major changes, which take effect beginning with the March 2005 exam. The optional CD-ROM makes test preparation easier than ever with features that college-bound students will appreciate.

They include The manual's diagnostic test and all seven of its full-length practice tests set up to be taken on a home computer, with the added convenience of automatic scoring. All computer-version tests reflect the brand-new SAT Critical Reading section, which includes more reading passages than found on earlier versions of the SAT. All new multiple-choice

questions with automatic scoring reflect grammar and usage questions presented in the SAT's brand-new Writing section. Detailed guidance for preparing and composing the new student-written essay is also featured. Thoroughly updated math questions with answers reflect the new SAT's expanded math section, which now includes topics from third-year college

preparatory math All of the manual's additional practice and review questions are presented on the CD-ROM. Again, students can take advantage of the automatic scoring feature. College-bound students will quickly discover that Barron's all-new combination SAT manual with CD-ROM is true state-of-the-art preparation for one of the most important tests that they

will ever take. Barron's SAT Subject Test: Chemistry with Online Tests How to Prepare for the NEW SAT with CD-ROM Up-to-date information on enrollments, tuition and fees, academic programs, campus environment, available financial aid, and much more, combine to make 27th edition of Profiles of American Colleges America's most authoritative source for

information on colleges and universities. College-bound students, parents, and high school guidance counselors will find information on more than 1,650 accredited four-year colleges across the United States. A CD-ROM enclosed with each copy of this comprehensive directory presents an interactive format and lets students find individual schools by entering specific

criteria. In addition to the above-cited information, each college profile gives details on admission requirements, library and computer facilities, athletic facilities, extracurricular activities, e-mail addresses, fax numbers, web sites, and more. Schools are rated according to Barron's famous competitiveness scale, from "Noncompetitive" to "Most Competitive." The book's extra section

of tinted pages presents a complete, quick-reference Index of College Majors—listing all available major study programs at each school. Also profiled are many of the best-known colleges in Canada and several other countries. **Barron's Guide to the Two-year Colleges** Barron's Educational Series The updated edition of Barron's SAT Subject Test:

Chemistry includes: A full-length diagnostic test with explained answers Four practice tests that reflect the actual SAT Subject Test Chemistry All questions answered and explained Detailed reviews covering all test topics Appendixes, which include the Periodic Table; important equation, constant, and data tables; and a glossary of chemistry terms Both teachers and test-taking students have
