*Everything You Know* Simon and Schuster  
 Stranger Things meets Sideways Stories from Wayside School in this quirky supernatural middle grade novel from New York Times bestselling author Alyson Noël about a boy on an unlikely quest to uncover an enchanted book to defeat an unearthly nemesis. When he first started seeing ghosts, Max mistakenly assumed everyone else could see them, too. Now, after years of being blamed for the pranks of mischievous spirits, Max is determined to do whatever it takes to make himself normal. But when he's sent to spend the summer with his eccentric grandfather, Ramhart, being normal becomes impossible. Here in Glimmerville, bakeries sell enchanted pies, the lake is infested with mermaids, the town's beloved ghosts roam free, and Ramhart himself is celebrated as the world's most famous monster hunter. At first, all Max wants is to survive the summer, but the more time he spends in Glimmerville, the more he starts to wonder if he's finally found a place where he can truly be himself. But when a supernatural attack steals Ramhart's soul,

Max—with the help of a few new friends—must go on a quest to find his grandfather's renowned Field Guide, an enchanted book that contains all the knowledge Ramhart has gathered about defeating unearthly nemeses. And if they don't find the book fast, Glimmerville will crumble into chaos, and Max will lose the only person who's ever made him feel at home.

From the #1 New York Times bestselling author of *The Immortals*, Alyson Noël, comes *Fated*—a breathtaking new saga brimming with magic, mystery, and an intoxicating love story that will steal your heart away. Meet The Soul Seekers. Strange things are happening to Daire Santos. Crows mock her, glowing people stalk her, time stops without warning, and a beautiful boy with unearthly blue eyes haunts all her dreams. Fearing for her daughter's sanity, Daire's mother sends her to live with the grandmother she's never met. A woman who recognizes the visions for what they truly are—the call to her destiny as a Soul Seeker—one who can navigate the worlds between the living and

dead. There on the dusty plains of Enchantment, New Mexico, Daire sets out to harness her mystical powers. But it's when she meets Dace, the boy from her dreams, that her whole world is shaken to its core. Now Daire is forced to discover if Dace is the one guy she's meant to be with...or if he's allied with the enemy she's destined to destroy.

**The Immortals** Harper Collins

Meet Roanne Chappell -- definitely not your ordinary teenage girl. A product of the loving but decidedly unorthodox guardianship of her mother, Del, Roanne is a fascinating study in contrasts. Equal parts bold seductress and wide-eyed innocent, smart-ass teenager and wizened sage, she is an outlandish, charismatic, and wholly inspired creation. Unabashedly outspoken (and an increasingly accomplished flirt), Roanne quietly longs for escape -- particularly from her mother's overwhelming and over-powering shadow. Her chance comes after she discovers, much to her horror, that the professor she had slept with is also bedding her mother. "I just can't seem to stop feeling like one of those air-sucking dogs people leave in cars with the windows open just a tiny bit. I need to put my whole face, my whole self, in the air for a while to try and figure out who I am when I'm not standing next to my amazing mum." To clear her head, Roanne begins a journey and goes from feeling like an outsider to being embraced by a very special group of people -- people whom most others have found strange or different but with whom Roanne feels right at home. From a marriage proposal by the teenage son of the founders of the Christian Rebirth Center, to her relationship with new best friend Gilbey Tarr -- the sixteen-year-old "Teenage Goddess from Outer Space" -- to a reunion with Dickie Siggins -- international pop star and her mother's life-long friend -- to a bittersweet reconciliation with Del, Roanne soars headfirst into a world of tragedy and comedy, and in the process learns about life, love, and death -- and everything in between. With this richly satisfying debut novel, Gale Zoë Garnett has channeled Roanne's outsized passions into a tightly crafted and powerfully moving narrative, charting a journey to lands unknown, emotions untapped, and experience unforeseen. Visible Amazement injects contemporary fiction with welcome jolts of crackling humor and unexpected drama. Written in a totally original and unique voice, the novel, like its heroine, is delightful, disturbing, and utterly unforgettable.

*Evermore* Macmillan

Abolitionista! is an innovative educational tool that responsibly educates young people about human trafficking and empowers them to protect themselves. The FBI estimates that as many as 300,000 young people are trafficked every year, and their average age is 12. The goal of this comic book is to reach children before they can be victimized, with prevention strategies that they will be able to use for the rest of their lives. Experts say that an educated child is the most practical and immediate deterrent to child sex trafficking. This comic book was carefully designed with the help of FBI victims specialists and other experts to teach children to: (1) identify recruitment conversations, (2) effectively deal with predators, and (3) know who they can go to for help.

How Far Would You Go for Love Createspace Independent Publishing Platform

On the surface, 17-year-old Alex has it made; she is beautiful and smart. Plus, she's best friends with M., the absolute most popular girl in school. Feeling bored with their fancy Orange County suburban town, Alex and M. decide to check out L.A.'s glitzy nightlife scene. Pretending to be 19, Alex and M. meet Trevor and Connor, two rich older guys. At first, Alex can't believe her luck-- she gets to hang out at hip Hollywood houseparties and downtown L.A. clubs. These weekend trips into the city become

the perfect distraction for Alex, who is secretly struggling with her failing senior year grades, her absentee father, and her clueless mom. But, after the initial fun wears off for Alex, she is forced to reevaluate her friendship with M., who is hiding some secrets beneath her perfect Burberry-clad exterior...in Alyson Noël's *Faking* 19.

The Hair of Zoe Fleefenbacher Goes to School St. Martin's Griffin Philip Beard's stunning debut novel is fifteen-year-old Tess DeNunzio's letter to her sister, Zoe, lost to a hit-and-run driver on a day when it seemed that nothing mattered but the tragedies playing out in New York and Washington. *Dear Zoe* is a remarkable study of grief, adolescence, and healing with a pitch-perfect narrator who is at once sharp and naïve, world-worried and self-centered, funny and heartbreakingly honest. Tess begins her letter to Zoe as a means of figuring out her own life, her place in the world, but the result is a novel of rare power and grace that tells us much about ours. BACKCOVER: "Like *The Lovely Bones*, [*Dear Zoe*] is a piercing look at how family recovers from a devastating loss. Everything about this moving, powerful debut rings true." —Booklist (starred review) "Beard peels away the layers of his protagonist's anguish simply and sensitively. . . and creates real, multidimensional and affecting characters." —The Washington Post "The whole novel . . . rings with truth." —The Buffalo News

A Novel Blue Moon Creative

Look out for the original series—starring Peyton List, Brent Rivera, Liana Liberato, Ajiona Alexus, and Dylan Sprayberry—now streaming on Hulu! McKenna's mission to save her friends from their predicted deaths concludes in the third and final installment in the *Light as a Feather* series that is *Riverdale* meets *The Chilling Adventures of Sabrina*! It's not a game anymore... McKenna has managed to rid Violet of the curse claiming the lives of so many in Willow, Wisconsin, but evil still plagues the town. McKenna's friend Mischa now carries the curse, and when it comes for her family, she pledges revenge on those she deems responsible for their deaths...including McKenna and everyone she holds dear.

**Saving Zoe (Border Crimes Series Book 1)** St. Martin's Griffin With a world steeped in materialism, environmental destruction, and injustice, what can one individual possibly do to change it? While the present obstacles we face may seem overwhelming, author and humane educator Zoe Weil shows us that change doesn't have to start with an army. It starts with you. Through her straightforward approaches to living a MOGO, or "most good," life, she reveals that the true path to inner peace doesn't require a retreat from the world. Rather, she gives the reader powerful and practicable tools to face these global issues, and improve both our planet and our personal lives. Weil explores direct ways to become involved with the community, make better choices as consumers, and develop positive messages to live by, showing readers that their simple decisions really can change the world. Inspiring and remarkably inclusive of the interconnected challenges we face today, *Most Good, Least Harm* is the next step beyond "green" -- a radical new way to empower the individual and motivate positive change.

Thomas Hodgkin and British Colonial Activism 1830-1870 St. Martin's Griffin

A sad and silent nine-year-old boy finds his voice when he moves next to a family that rescues dogs.

**Protecting the Empire's Humanity** Saving Zoe A Novel

The never-before-told story of Ewan Forbes and the landmark case that rocked British society and transformed transgender experience to this day 'Magnificently researched and told' Lord Michael Cashman CBE 'A landmark work' Baroness Helena Kennedy QC 'Gripping and important' Michael Bronski, author of *A*

Queer History of the United States ----- Ewan Forbes was born Elisabeth Forbes to a wealthy landowning family in 1912. It quickly became clear that the gender applied to him at birth was not correct, and from the age of six he began to see specialists in Europe for help. With the financial means of procuring synthetic hormones, Ewan was able to live as a boy, and then as man, and was even able to correct the sex on his birth certificate in order to marry. Then, in 1965, his older brother died and Ewan was set to inherit the family baronetcy. After his cousin contested the inheritance on the grounds that it could only be inherited by a male heir, Ewan was forced to defend his male status in an extraordinary court case, testing the legal system of the time to the limits of its understanding. In *The Hidden Case of Ewan Forbes*, Zoë Playdon draws on the fields of law, medicine, psychology and biology to reveal a remarkable hidden history, uncovering for the first time records that were considered so threatening that they had been removed from view for decades.

*Faking 19* Simon Pulse

A beautifully repackaged two-in-one reissue of *Saving Zoe* and *Faking 19* by #1 New York Times bestselling author Alyson Noël Secret wishes, hidden heartaches and painful truths. Everyone has them—but some secrets are harder to hide. We usually tell our best friends everything. Our crushes, our embarrassing stories, our secrets—but sometimes there are truths so deep and dark that we can't tell anyone. Not our parents, not our sisters...not even our best friends. Some secrets are so unspeakable that we keep them safely locked away so no one will ever discover them. But what happens when they become more than you can handle alone? In these two magnificent novels, two girls can't tell anyone about the terrible burdens they carry. But as they're about to learn, it's not our secrets that matter most—but those who still love us once they learn the truth.

*A Novel* Anthem Press

You've heard the stories about the dark side of the internet--hackers, #gamergate, anonymous mobs attacking an unlucky victim, and revenge porn--but they remain just that: stories. Surely these things would never happen to you. Zoe Quinn used to feel the same way. She is a video game developer whose ex-boyfriend published a crazed blog post cobbled together from private information, half-truths, and outright fictions, along with a rallying cry to the online hordes to go after her. They answered in the form of a so-called movement known as #gamergate--they hacked her accounts; stole nude photos of her; harassed her family, friends, and colleagues; and threatened to rape and murder her. But instead of shrinking into silence as the online mobs wanted her to, she raised her voice and spoke out against this vicious online culture and for making the internet a safer place for everyone. In the years since #gamergate, Quinn has helped thousands of people with her advocacy and online-abuse crisis resource Crash Override Network. From locking down victims' personal accounts to working with tech companies and lawmakers to inform policy, she has firsthand knowledge about every angle of online abuse, what powerful institutions are (and aren't) doing about it, and how we can protect our digital spaces and selves. Crash Override offers an up-close look inside the controversy, threats, and social and cultural battles that started in the far corners of the internet and have since permeated our online lives. Through her story--as target and as activist--Quinn provides a human look at the ways the internet impacts our lives and culture, along with practical advice for keeping yourself and others safe online.

*Saving Ruth* Picador

A poignant breakout novel, for fans of J. Courtney Sullivan and Elin Hilderbrand, about a single mother who inherits a beautiful beach house with a caveat—she must take care of the ornery

elderly woman who lives in it. For years, Maggie Sheets has been an invisible hand in the glittering homes of wealthy New York City clients, scrubbing, dusting, mopping, and doing all she can to keep her head above water as a single mother. Everything changes when a former employer dies leaving Maggie a staggering inheritance. A house in Sag Harbor. The catch? It comes with an inhabitant: The deceased's eighty-two-year old mother Edith. Edith has Alzheimer's—or so the doctors tell her—but she remembers exactly how her daughter Liza could light up a room, or bring dark clouds in her wake. And now Liza's gone, by her own hand, and Edith has been left—like a chaise or strand of pearls—to a poorly dressed young woman with a toddler in tow. Maggie and Edith are both certain this arrangement will be an utter disaster. But as summer days wane, a tenuous bond forms, and Edith, who feels the urgency of her diagnosis, shares a secret that she's held close for five decades, launching Maggie on a mission that might just lead them each to what they are looking for.

*Invisible as Air* St. Martin's Griffin

Meet Zera! A happy bubbly kid who wants to teach you all about how to save the planet!

*Zoe Rosenthal Is Not Lawful Good* Simon and Schuster

SOON TO BE A MAJOR MOTION PICTURE! It's been one year since the brutal murder of her older sister, Zoë, and fifteen-year-old Echo is still reeling from the aftermath. Her parents are numb, her friends are moving on, and the awkward start to her freshman year proves she'll never live up to her sister's memory. Until Zoë's former boyfriend Marc shows up with Zoë's diary. At first Echo's not interested, doubting there's anything in there she doesn't already know. But when curiosity prevails, she starts reading, becoming so immersed in her sister's secret world, their lives begin to blur, forcing Echo to uncover the truth behind Zoë's life so that she can start to rebuild her own. Prepare to laugh your heart out and cry your eyes out in this highly addictive tale as Alyson Noël's *Saving Zoë* tackles the complicated relationship between two sisters and shows how the bond can endure long after one of them is gone.

*To Save Elizabeth* Simon and Schuster

Winner of the 2020 Georgia Author of the Year Award! One of Booklist's Top 10 Books of the Year! A provocative and timely new novel by the author of *Inheriting Edith*, one that will haunt you long after the final page is turned... Sylvie Snow knows the pressures of expectations: a woman is supposed to work hard, but never be tired; age gracefully, but always be beautiful; fix the family problems, but always be carefree. Sylvie does the grocery shopping, the laundry, the scheduling, the schlepping and the PTA-ing, while planning her son's Bar Mitzvah and cheerfully tending her husband, Paul, who's been lying on the sofa with a broken ankle. She's also secretly addicted to the Oxycontin

intended for her husband. For three years, Sylvie has repressed her grief about the heartbreaking stillbirth of her newborn daughter, Delilah. On the morning of the anniversary of her death, when she just can't face doing one...more...thing: she takes one—just one—of her husband's discarded pain pills. And suddenly she feels patient, kinder, and miraculously relaxed. She tells herself that the pills are temporary, just a gift, and that when the supply runs out she'll go back to her regularly scheduled programming. But days turn into weeks, and Sylvie slips slowly into a nightmare. At first, Paul and Teddy are completely unaware, but this changes quickly as her desperate choices reveal her desperate state. As the Bar Mitzvah nears, all three of them must face the void within themselves, both alone and together.

[You Will Be Able to Crochet by the End of This Book](#) Candlewick Press

Don't miss Evermore, the first book in Alyson Noël's #1 New York Times bestselling The Immortals series. Enter an enchanting new world where true love never dies. . . After a horrible accident claimed the lives of her family, sixteen-year-old Ever Bloom can see people's auras, hear their thoughts, and know someone's entire life story by touching them. Going out of her way to avoid human contact and suppress her abilities, she has been branded

a freak at her new high school—but everything changes when she meets Damen Auguste. Damen is gorgeous, exotic and wealthy. He's the only one who can silence the noise and random energy in her head—wielding a magic so intense, it's as though he can peer straight into her soul. As Ever is drawn deeper into his enticing world of secrets and mystery, she's left with more questions than answers. And she has no idea just who he really is—or what he is. The only thing she knows to be true is that she's falling deeply and helplessly in love with him.

**Saving Zoe** PublicAffairs

Separated by loss. . .reunited by duty... When Lieutenant Ambrosia "Sia" Soto returns from an investigation into a "pilot error" case aboard the aircraft carrier U.S.S. James McCloud, she comes face to face with NCIS Special Agent and former lover, Christophe Vargas, the man who was involved in an F-18 Fighter Jet accident that took her brother's life six years ago. But when another incident aboard the carrier involves the death of a senator's son whose plane crashed into the deck on a routine training mission, she's now required to return to the carrier with Chris in tow to face a cunning and dangerous foe. Bombarded both personally and professionally, Sia must trust her instincts and suppress the feelings that surface for her enigmatic and sexy partner.
