*Oxford Learner's Pocket Dictionary* Oxford University Press, USA

Written by a team of medical experts, this market-leading illustrated dictionary contains 12,400 authoritative entries covering all aspects of medical science. The text has been fully revised and updated for this new edition to reflect the very latest in medical knowledge and practice. Entries are accessible and jargon-free and are complemented by over 145 illustrations and diagrams. This brand new edition includes over 450 new entries and features up-to-date coverage of public health medicine and general practice, drugs and pharmacology, endocrinology (particularly diabetology), and cardiology, amongst other specialist areas. Recommended web links are provided for many entries, accessible and kept up to date via the Medical Dictionary Companion website, and appendices have been expanded to include units of alcohol and the calculation of alcohol by volume, and a table of inherited medical conditions. Selling over a million

copies in previous editions, this is an essential A-Z for students and those working in the medical and allied professions, including nurses, pharmacists, physiotherapists, social workers, hospital administrators, and medical secretaries. It is also an invaluable homereference guide for the general reader.

*A Dictionary of Business* Oxford University Press, USA

This dictionary contains more than 25,000 headwords and derivatives along with related phrases and idioms. Like our other Bilingual Dictionaries, this has been specially compiled for learners of English, students, professionals and general readers. \* Contains frequently used words from current use.\* Provides detailed grammatical information especially on irregular nouns, verbs and adjectives.\* Gives pronunciation in easy-to-understand format.\* Provides variant and alternative spellings.\* Gives pronunciation in an easy-to-understand format.\* Provides detailed definitions and synonyms in Hindi.\* Includes numerous examples of usage from authoritative sources which help to learn how a particular word is used.\* Includes useful appendices on Roman numerals, weights and measures, and chemical elements.

*The Concise Oxford Dictionary of Linguistics* Concise Medical Dictionary

Facsimile reprint of the 1911 First edition.

*The Concise Oxford Dictionary of Linguistics* Oxford University Press

Did you know that 'flavour of the month' originated in a marketing campaign in American ice-cream parlours in the 1940s, when a particular flavour would be specially promoted for a month at a time? And did you know that 'off the cuff' refers to the rather messy practice of writing impromptu notes on one's shirt cuff before speaking in public? These and many more idioms are explained and put into context in this second edition of the Oxford Dictionary of Idioms. This vastly entertaining dictionary takes a fresh look at the idiomatic phrases and sayings that make English such a rich and intriguing language. A major new edition, it contains entries for over 5000 idioms, including 350 new entries and over 500 new quotations. The text has been updated to include many new idioms using the findings of the Oxford English Reading Programme, the biggest language research programme in the world. The entries are supported by a wealth of illustrative quotations from a wide range of sources and periods. For example: 'Rowling has not been asleep at

the wheel in the three years since the last Potter novel, and I am pleased to report that she has not confused sheer length with inspiration.' - Guardian, 2003. 'I made the speech of a lifetime. I had them tearing up the seats and rolling in the aisles.' - P.G. Woodhouse, 1940. Many entries include boxed features which give more detailed background on the idiom in question. For example, did you know that 'taken aback' was adopted from nautical terminology, and described a ship unable to move forward because of a strong headwind pressing its sails back against the mast? The text has been entirely redesigned so that it is both elegant and easy to use. Anyone interested in the quirky side of the English language will have hours of fun browsing through this fascinating and informative volume.

This invaluable work is the most authoritative dictionary of linguistics of its kind available. Clear and concise, it contains over 3,000 entries ranging from epiglottal and morpheme to Austronesian and Navajo. Entries cover every aspect of linguistics including language theory and history, language families and major languages from all over the world, and key figures and ideas in linguistics. The author, Peter Matthews, is Professor of Linguistics at Cambridge University and an established expert in the field of linguistics. Wide-ranging and accessible, this dictionary is ideal reference for students and teachers, and a great introduction to linguistics for anyone with an interest in language and its study.

**The Oxford Hindi-English Dictionary** OXFORD University Press

English grammar has changed a great deal since the beginning of the Twentieth Century, and it is a subject that can provide a complex minefield of uncertainties within the language. This accessible and comprehensive dictionary comes to the aid of both the general reader and the student or teacher, offering straightforward and immediate A-Z access to 1,000 grammatical terms and their meanings. All the currently accepted terms of grammar are included, as well as older, traditional names, controversial new coinages, and items from the study of other languages. Concise definitions of the wider subject of linguistics, including phonetics and transformational grammar, are accompanied by examples of language in use, and frequent quotations from existing works on grammar.

The Canadian Oxford Dictionary was the runaway bestseller of 1998, spending over a year on the Globe and Mail's bestseller list and winning the Canadian Booksellers Association's Libris awards for Non-Fiction Book of the Year and Specialty Book of the Year. Now this wonderful resource is being reissued with a New Words Supplement and a History of the English Language Timeline. The dictionary's 130,000 entries combine in one reference book information on English as it is used worldwide and as it is used particularly in Canada. Definitions, worded for ease of comprehension, are presented so that the meaning most familiar to Canadians appears first and foremost. Each of these entries is exceptionally reliable, the result of thorough research into the language and Oxford's unparalleled language resources. Five professionally trained lexicographers spent five years examining databases containing over 20 million words of Canadian text from more than 8000 Canadian sources of an astonishing diversity. The lexicographers also examined an additional 20 million words of international English sources. For this reissue, Oxford University Press's Canadian Dictionary Department prepared a New Words supplement, featuring over 150 words and meanings of words that have become prominent since 1998. Featuring up-to-the minute vocabulary, the supplement includes Ballard fuel cell, BC Bud, bricks and mortar, dot-commer, e-ticket, face time, IMHO, my bad, Nunavummiut, oxygen bar, Quebec gold, shrug, 24-7 and yada-yada-yada. Indeed, there is at least one new word for every letter of the alphabet.

[The Concise Oxford Dictionary](#) Forgotten Books

A comprehensive lexicon of American English includes 175,000 concise definitions; notes on grammar, style, and usage; hundreds of world histories; illustrations; and three thousand biographical and geographical entries.

[The Oxford Dictionary of Synonyms and Antonyms](#) Don Mills, Ont. : Oxford University Press

The New Oxford Dictionary of English is a landmark in dictionary making. The dictionary focuses on English as it is really used today, informed by currently available evidence and the latest research. The dictionary is unique in that it places the most frequently used meanings of each word first, followed by secondary and technical senses, slang, idioms, and historical and obsolete senses. There are over 500 boxed usage notes, giving guidance on all aspects of the language and backed up by extensive analysis of the evidence. Featuring 350,000 words, phrases, and definitions, this

dictionary offers the most comprehensive coverage of English as it is actually used in the twenty-first century.

**Concise Oxford English Dictionary** Oxford University Press, USA

Drawing on the work done on the Oxford Russian Dictionary, this new desk reference is the most authoritative dictionary of its size. Incorporating much up-to-date vocabulary, including new words created by recent changes in the former Soviet Union, The Oxford Russian Desk Dictionary includes over 70,000 words and phrases and 120,000 translations. As in the larger dictionary, it offers superb coverage of modern idioms and colloquial usage, numerous illustrative examples of vocabulary in context, common abbreviations and acronyms, helpful advice on difficult points of grammar, and pronunciations in the International Phonetic Alphabet for all English headwords. Portable, reliable, and inexpensive, The Oxford Russian Desk Dictionary is an ideal reference for students, scholars, businesspeople, and travelers.

[The concise Oxford dictionary Of current English](#) Oxford University Press

An essential point of reference for anyone wanting to widen their vocabulary, this dictionary offers more than 140,000 alternative and opposite words as well as thousands of real examples of usage from the Oxford English Corpus to help you find the word you need quickly and easily.

[The Concise Oxford Dictionary of Current English](#) Oxford University Press, USA

This outstanding package provides the Concise Oxford-Hachette French Dictionary in both book and electronic form. The Concise Oxford-Hachette French Dictionary The dictionary provides over 175,000 words and phrases, and 270,000 translations covering all areas of the language - from general to technical, business to literary - giving a detailed picture of French as it is used today. Innovative in-text boxes on topics such as numbers, nationalities, games and sports, and forms of address group together word patterns and expressions to help with usage, construction, and vocabulary-building.
