We all need help with our prayers sometimes. Even the disciples asked Christ to teach them how to become better at praying and He gave them - and us the Our Father. Now Prayer Book for Young Catholics, Revised, gives teens and young adults a variety of words, a variety of styles. Here are the absolute best traditional Catholic prayers - including those written and prayed by some of the Church's most beloved saints! And here, too, are original prayers that focus on the challenges and concerns a young person faces today. Here's the gift that can help your son or daughter, your grandchild or godchild, take that next step in his or her prayer life. Please help me to desire humility, simplicity, and the spirit of

Unlike anything else in the market, this series uses the "schoolhouse model" approach where children of all ages can engage with the content. From the great traditional content of the Text Books, to the challenging Test Books, to the fun Activity Books, to the unmatched media companion pieces, this product line has it all! Volume II, *The New Testament*, continues the journey, and introduces young readers to Jesus and the apostles. They'll marvel as they:

- Bow at the manger alongside Mary in the stable
- Witness Christ resist the Devil's temptations multiply the loaves and fishes, heal the sick, and raise the dead
- Experience His passion, death, resurrection, and ascension
- and hear the Holy Spirit come like fire at Pentecost to send Peter and the other apostles out into the world to become the foundation of the Church.

Each account is told in story form to engage readers, with each narrative supplemented with actual Bible quotes. A closing summary provides context for each story and reveals a lesson for daily life. Help the children in your life come not just to know Christ, but to love Him with this groundbreaking series, *The Story of the Bible*. Their encounter with

Jesus will never be the same. The Text Book, Test Book, and Video Lecture Series are targeted to middle school students, while the Activity Book and accompanying Teacher's Manual are for elementary aged students. The Audio Drama can be enjoyed by children of all ages.
