A Moment Comes Harvest House Publishers

A family can't escape their secrets when they're forced to spend a week in quarantine in this "sharply funny" (People) novel--an Indie Next and #1 Library Reads Pick! It's Christmas, and for the first time in years the entire Birch family will be under one roof. Even Emma and Andrew's elder daughter--who is usually off saving the world--will be joining them at Weyfield Hall. But Olivia, a doctor, is only coming home because she has to. She's just returned from treating an epidemic abroad and has been told she must stay in quarantine for a week...and so too should her family. For the next seven days, the Birches are locked down, cut off from the rest of humanity, and forced into each other's orbits. Younger, unabashedly frivolous daughter Phoebe is fixated on her upcoming wedding, while Olivia deals with the culture shock of first-world problems. As Andrew sequesters himself in his study writing scathing restaurant reviews and remembering his glory days as a war correspondent, Emma hides a secret that will turn the whole family upside down. In close proximity, not much can stay hidden for long, and as revelations and long-held tensions come to light, nothing is more shocking than the unexpected guest who's about to arrive....

A Novel FSG Originals

Sparkling and sophisticated, this sometimes hilarious, sometimes heartbreaking debut novel tells the story of a very messy, very high-profile

divorce and the endearingly cynical young lawyer dragooned into handling it. Twenty-nine-year-old Sophie Diehl is happy toiling away as a criminal law associate at an old-line New England firm, where she very much appreciates that most of her clients are trapped behind bars. Everyone at Traynor, Hand knows she abhors face-to-face contact, but one week, with all the big partners out of town, Sophie is stuck handling the intake interview for the daughter of the firm's most important client. After eighteen years of marriage, Mayflower descendant Mia Meiklejohn Durkheim has just been served divorce papers in a humiliating scene at the popular local restaurant, Golightly's. Mia is now locked and loaded to fight her eminent and ambitious husband, Dr. Daniel Durkheim, Chief of the Department of Pediatric Oncology at Mather Medical School, for custody of their ten-year-old daughter Jane. Mia also burns to take him down a peg. Sophie warns Mia that she's never handled a divorce case before, but Mia can't be put off. The way she sees it, it's her first divorce, too. For Sophie, the whole affair will spark a hard look at her own relationships—with her parents, colleagues, friends, lovers, and, most important, herself. A rich, layered novel told entirely through personal correspondence, office memos, e-mails, articles, handwritten notes, and legal documents, *The Divorce Papers* offers a direct window into the lives of an entertaining cast of characters never shy about speaking their minds. Original and captivating, Susan Rieger's brilliantly conceived and expertly crafted debut races along with wit, heartache, and exceptional comedic timing, as it explores the complicated family dynamic that results when marriage fails—as well as the ever-present risks and coveted

rewards of that thing called love.

The Strange Affair of Spring Heeled Jack
Penguin

The ordinary moments of life can be sacred, if we simply take a moment to notice. This collection of prayers, poems, and meditations offers a brief respite from the hectic, harried pace of our days. Open it when the spirit moves you or when the spirit feels distant--the words will be here to inspire, calm, and encourage you either way. From gifted poet and empathetic pastor Meta Herrick Carlson, *Ordinary Blessings* collects blessings for loving yourself, enduring hard things, authenticity, living with others, and the rhythms of each day. Pause, take a deep breath, and open these pages to find that you've been standing on holy ground all along.

[Beautiful Lies Study Guide](#) Canongate Books

When bohemian artist Miranda falls in love with Finn, the British ambassador to an Arab country, she finds herself thrust into a life for which she has no preparation. The couple and their toddler daughter live in a stately mansion with a staff to meet their every need, but for Miranda even this luxury comes at a price: the loss of freedom. Trained everywhere by bodyguards to protect her from the dangers of a country wracked by civil war and forced to give up work she loves, she finds her world shattered when she is taken hostage, an act of terror with wide-reaching consequences. Diplomatic life is a far cry from Mirandas first years in Mazrooq, which were spent painting and mentoring a group of young Muslim women, teaching them to draw in ways forbidden in their culture. As the novel weaves together past and present, we come to see how Finn and Mirandas idealism and secrets they have each

sought to hide have placed them and those who trust them in peril. And when Miranda grows close to a child who shares her captivity, it is not clear that even being set free would restore the simple happiness that once was hers and Finns.

Infinite Country Algonquin Books

As the partition of India nears in 1947, bringing violence even to Jalandhar, Tariq, a Muslim, finds himself caught between his forbidden interest in Anupreet, a Sikh girl, and Margaret, a British girl, whose affection for Tariq might help him attain his dream of studying at Oxford.

Crown

"If reconciliation is the takeaway point for the civil rights story we usually tell, then the takeaway point for the more complex, more truthful civil rights story contained in *Dear White Christians* is reparations." — from the preface to the second edition With the troubling and painful events of the last several years—from the killing of numerous unarmed Black men and women at the hands of police to the rallying of white supremacists in Charlottesville—it is clearer than ever that the reconciliation paradigm, long favored by white Christians, has failed to heal the deep racial wounds in the church and American society. In this provocative book, originally published in 2014, Jennifer Harvey argues for a radical shift away from the well-meaning but feeble longing for reconciliation toward a robustly biblical call for reparations. Now in its second edition—with a new preface addressing the explosive changes in American culture and politics since 2014, as well as an appendix that explores what a reparations paradigm can actually look like—*Dear White Christians* calls justice-committed Christians to do

the gospel-inspired work of opposing racist social structures around them. Harvey's message is historically and scripturally rooted, making it ideal for facilitating the difficult but important discussions about race that are so desperately needed in churches and faith-centered classrooms across the country.

Down the Rabbit Hole Lumen Editorial
Taylor Schumann survived a school shooting, yet she was left with permanent wounds, both visible and invisible. Weaving her own incredible story into a larger conversation about gun violence in America, Taylor shares another painful truth: Christians have largely been silent on this issue. With compassion and honesty, she encourages readers to join her in taking action for a safer future.

A Novel Anchor

Women who desire to go deeper in their study of culture's lies and how to overcome them can do so with the help of this growth and study guide. Building on the principles in Jennifer Strickland's book *Beautiful Lies*, individuals as well as small groups and Bible studies will discover... the truth of how deeply they are loved how to live out their radiant faith in a world consumed by darkness how to develop a true understanding of their identity and value This workbook and Bible study is designed to be used along with *Beautiful Lies*.

The Ambassador's Wife Simon and Schuster

A major literary debut, an epic tale of love, failure, and unexpected faith set in New York, Amsterdam, and Las Vegas The modern-day Jonah at the center of Joshua Max Feldman's brilliantly conceived retelling of the Book of Jonah is a young Manhattan lawyer named Jonah Jacobstein. He's a lucky man:

healthy and handsome, with two beautiful women ready to spend the rest of their lives with him and an enormously successful career that gets more promising by the minute. He's celebrating a deal that will surely make him partner when a bizarre, unexpected biblical vision at a party changes everything. Hard as he tries to forget what he saw, this disturbing sign is only the first of many Jonah will witness, and before long his life is unrecognizable. Though this perhaps divine intervention will be responsible for more than one irreversible loss in Jonah's life, it will also cross his path with that of Judith Bulbrook, an intense, breathtakingly intelligent woman who's no stranger to loss herself. As this funny and bold novel moves to Amsterdam and then Las Vegas, Feldman examines the way we live now while asking an age-old question: How do you know if you're chosen?

A True Story Based On Lies Routledge

From a writer and producer of HBO's acclaimed apocalyptic drama series *The Leftovers*, comes a compelling story of young love and old secrets. Ben Hanson's aimless life has bottomed out after a series of bad decisions, but an unexpected offer from his father draws him home to Wisconsin. There, he finds his family fractured, still reeling from his cousin's mysterious death a decade earlier. Lauren Sheehan abandoned her career in medicine after a series of violent events abroad. Now she's back in the safest place she knows -- the same small Wisconsin town where she and Ben grew up -- hiding from a world that has only brought her heartache. As Lauren cautiously expands her horizons and Ben tries to unravel his family's dark secrets, their paths intersect. Could each be exactly what the other needs? A

compelling family drama and a surprising love story, *This Bright River* is the work of a natural storyteller, one whose dark humor and piercing intelligence provide constant, lasting delights.

The Book of Jonah Penguin
 Ecofictions, Ecorealities and Slow Violence in Latin America and the Latinx World brings together critical studies of Latin American and Latinx writing, film, visual, and performing arts to offer new perspectives on ecological violence. Building on Rob Nixon's concept of "slow violence," the contributions to the volume explore processes of environmental destruction that are not immediately visible yet expand in time and space and transcend the limits of our experience. Authors consider these forms of destruction in relation to new material contexts of artistic creation, practices of activism, and cultural production in Latin American and Latinx worlds. Their critical contributions investigate how writers, cultural activists, filmmakers, and visual and performance artists across the region conceptualize, visualize, and document this invisible but far-reaching realm of violence that so tenaciously resists representation. The volume highlights the dense web of material relations in which all is enmeshed, and calls attention to a notion of agency that transcends the anthropocentric, engaging a cognition envisioned as embodied, collective, and relational. *Ecofictions, Ecorealities and Slow Violence* measures the breadth of creative imaginings and critical strategies from Latin America and Latinx contexts to enrich contemporary ecocritical studies in an era of heightened environmental vulnerability. *A Love Story* Reagan Arthur Books

The haunting novel of love and survival that inspired Mexico's official submission for International Feature Film—now shortlisted for the 94th Academy Awards® and streaming on Netflix "Prayers for the Stolen gives us words for what we haven't had words for before, like something translated from a dream in a secret language. . . . Beguiling, and even crazily enchanting."—Francisco Goldman, *New York Times Book Review* FINALIST FOR THE PEN/FAULKNER PRIZE • AN IRISH TIMES BOOK OF THE YEAR Ladydi Garcia Martínez is fierce, funny, and smart. She was born into a world where being a girl is a dangerous thing. In the mountains of Guerrero, Mexico, women must fend for themselves, as their men have left to seek opportunities elsewhere. Here in the shadow of the drug war, bodies turn up on the outskirts of the village to be taken back to the earth by scorpions and snakes. School is held sporadically, when a volunteer can be coerced away from the big city for a semester. In Guerrero the drug lords are kings, and mothers disguise their daughters as sons, or when that fails they "make them ugly"—cropping their hair, blackening their teeth, anything to protect them from the rapacious grasp of the cartels. And when the black SUVs roll through town, Ladydi and her friends burrow into holes in their backyards like animals, tucked safely out of sight. While her mother waits in vain for her husband's return, Ladydi and her friends dream of a future that holds more promise than mere survival, finding humor, solidarity, and fun in the face of so much tragedy. When Ladydi is offered work as a nanny for a wealthy family in Acapulco, she seizes the chance, and finds her first taste of love with a young caretaker there. But when a local murder tied to

the cartel implicates a friend, Ladydi's future takes a dark turn. Despite the odds against her, this spirited heroine's resilience and resolve bring hope to otherwise heartbreaking conditions. An illuminating and affecting portrait of women in rural Mexico, and a stunning exploration of the hidden consequences of an unjust war, *Prayers for the Stolen* is an unforgettable story of friendship, family, and determination.

A Novel/ Prayers for the Stolen Exploring Content 2: Reading for Academic Success, by Lorraine C. Smith, engages English language learners in authentic academic content to help them succeed in college classes. Readings from college textbooks and supporting exercises teach students essential reading and study skills as well as academic and content vocabulary. Features *Five units, consisting of two related chapters, explore the fields of human behavior, culture, the origins of modern science, Eastern and Western art, and cross-cultural psychology.*Fine art, photos, illustrations, and graphs enhance each reading and help students understand important information.*Reading and study skills are introduced throughout the book. I Am a Jayhawk Interlink Books
"Pearl's mother took her away from her family just weeks after she was born, and drove off to central Florida determined to begin a new life for

herself and her daughter--in the parking lot next to a trailer park. Pearl grew up in the front seat of their '94 Mercury, while her mother lived in the back. Despite their hardships, mother and daughter both adjusted to life, making friends with the residents of the trailers and creating a deep connection to each other"-- Amazon.com.

Pen Cinco Puntos Press

Born in a rural Mexico region where girls are disguised as boys to avoid the attentions of traffickers, Ladydi dreams of a better life before moving to Mexico City, where she falls in love and ends up in a prison with other women who share her experiences. By the award-winning author of *A True Story Based on Lies. When Thoughts and Prayers Aren't Enough* Henry Holt and Company Set in postCivil War Wisconsin, a small town is petrified with fear as an epidemic overwhelms their community with sickness and death. Reprint.

Midsummer Night's Mischief Fortress Press

A pitch-perfect account of how hip-hop culture drew in the author and how his father drew him out again-with love, perseverance, and fifteen thousand books. Into Williams's childhood home-a one-story ranch house-his father crammed more books than the local library could hold. "Pappy" used some of these volumes to run an academic prep service; the rest he used in his unending pursuit of wisdom. His son's pursuits were quite different-"money, hoes, and clothes." The teenage Williams wore Medusa-faced Versace sunglasses and a hefty gold medallion, dumbed down and thugged up his speech, and did whatever else he could to fit into the intoxicating hip-hop culture that surrounded him. Like all his friends, he knew exactly where he was the day

Biggie Smalls died, he could recite the lyrics to any Nas or Tupac song, and he kept his woman in line, with force if necessary. But Pappy, who grew up in the segregated South and hid in closets so he could read Aesop and Plato, had a different destiny in mind for his son. For years, Williams managed to juggle two disparate lifestyles- "keeping it real" in his friends' eyes and studying for the SATs under his father's strict tutelage. As college approached and the stakes of the thug lifestyle escalated, the revolving door between Williams's street life and home life threatened to spin out of control. Ultimately, Williams would have to decide between hip-hop and his future. Would he choose "street dreams" or a radically different dream- the one Martin Luther King spoke of or the one Pappy held out to him now? Williams is the first of his generation to measure the seductive power of hip-hop against its restrictive worldview, which ultimately leaves those who live it powerless. *Losing My Cool* portrays the allure and the danger of hip-hop culture like no book has before. Even more remarkably, Williams evokes the subtle salvation that literature offers and recounts with breathtaking clarity a burgeoning bond between father and son. Watch a Video **Fever at Dawn** InterVarsity Press Suddenly thrust into the role of primary caretaker for her family following the tragic death of her husband, Ellie Robbins is appointed to serve out his term as sheriff of their rural Tennessee mountain town. The year is 1936, and her role is largely symbolic, except for the one task that only a sheriff can do: execute a convicted prisoner. Ellie has long proven she can handle herself. But becoming sheriff is altogether different, and the demands of the role are even more challenging when she is forced to

combat society's expectations for a woman. Soon enough, dark secrets come to light, and Ellie must grapple with small town superstitions and the tenuous ties she shared with a condemned killer as she carves out a place for herself in an uncertain future. -- *A Novel* Simon and Schuster A REESE'S BOOK CLUB PICK and INSTANT NEW YORK TIMES BESTSELLER WINNER OF THE 2021 NEW AMERICAN VOICES AWARD, LONGLISTED FOR THE 2022 ANDREW CARNEGIE MEDAL, AND A NATIONAL ENDOWMENT OF THE ARTS "BIG READS" SELECTION "A profound, beautiful novel." —People * "Poignant." —BuzzFeed * "A breathtaking story of the unimaginable prices paid for a better life." —Esquire This "heartbreaking portrait of a family dealing with the realities of migration and separation" (Time) is "a sweeping love story and tragic drama [and] an authentic vision of what the American Dream looks like in a nationalistic country" (Elle). I often wonder if we are living the wrong life in the wrong country. Talia is being held at a correctional facility for adolescent girls in the forested mountains of Colombia after committing an impulsive act of violence that may or may not have been warranted. She urgently needs to get out and get back home to Bogotá, where her father and a plane ticket to the United States are waiting for her. If she misses her flight, she might also miss her chance to finally be reunited with her family. How this family came to occupy two different countries, two different worlds, comes into focus like twists of a kaleidoscope. We see Talia's parents, Mauro and Elena, fall in love in a market stall as teenagers against a backdrop of civil war and social unrest. We see them leave Bogotá with their firstborn, Karina, in pursuit of safety and opportunity in

the United States on a temporary visa, and we see the births of two more children, Nando and Talia, on American soil. We witness the decisions and indecisions that lead to Mauro's deportation and the family's splintering—the costs they've all been living with ever since. Award-winning, internationally acclaimed author Patricia Engel, herself a dual citizen and the daughter of Colombian immigrants, gives voice to all five family members as they navigate the particulars of their

respective circumstances. Rich with Bogotá urban life, steeped in Andean myth, and tense with the daily reality of the undocumented in America, *Infinite Country* "is as much an all-American story as it is a global one" (Booklist, starred review).

[Prayer for the Living](#) Westminster John Knox Press

Sir Richard Francis Burton investigates a strange apparition called Spring Heeled Jack that has been assaulting young women around London.
