Following the success of the New York Times bestseller Sidney Sheldon's Mistress

of the Game, this sweeping tale of love and betrayal, vengeance and redemption, will leave you racing to its shocking, triumphant end. What happens when a woman who has everything loses everything? And when a woman who has nothing realizes she has nothing to lose? Blessed with the face of an angel and the guileless, trusting nature of a child, Grace Brookstein is the prized wife of the king of Wall Street, Lenny Brookstein. A billionaire many times over, with estates around the world, a fleet of yachts, and a life that is the stuff of fantasies, the revered financial wizard made his fortune tending the nest eggs of ordinary people—the elderly, blue-collar workers, small charities, and working families struggling to make a better life for themselves and their children. The embodiment of America itself—ambitious, hardworking, generous, and warmhearted—Lenny is a fixture of the business pages and the society columns, where he and Grace are celebrated for their philanthropic contributions and their lavish annual fundraising ball. Despite the stock market's terrifying collapse, the Brooksteins' glamorous lifestyle of Palm Beach polo

tournaments and G5 jets remains untouched—until the day Lenny goes sailing from their Nantucket beach estate and never comes home. When his abandoned yacht is found far out at sea, Grace is devastated. Lenny was her world. She has no idea that his disappearance is just the beginning of a dark, terrifying nightmare of murder, lies, greed, and betrayal that will shatter her life and destroy everything she has ever known. . . . Before she can begin to grieve, the shocking news breaks that the \$75 billion invested in Quorum, Lenny's hedge fund, is gone—and everyone believes that Grace has stolen the money. Overnight, the delicate beauty who was once the toast of moneyed society has become a reviled modern-day Marie Antoinette, alone and powerless to stop her infamous fall. Grace is certain someone is framing her, and she'll do whatever it takes to prove it, even if it means taking the law into her own hands. Surrounded by enemies, with no one to turn to, Grace must learn to rely on herself—a bold, dangerous journey that will transform her in ways she never thought possible and lead her to a startling new life. Filled with the passion,

glamour, twists, and driving suspense that made Sidney Sheldon a bestselling legend, Sidney Sheldon's *After the Darkness* is an entertaining thrill ride that continues the grand tradition set by the master himself. [A Tracy Whitney Novel](#) Harper Collins

*If Tomorrow Comes* HarperCollins UK  
 The first of the Grantchester Mysteries, and inspiration for the PBS/Masterpiece television series, finds Vicar Sidney Chambers beginning his career, as both a spiritual leader and a detective. It is 1953, the coronation year of Queen Elizabeth II . Sidney Chambers, vicar of Grantchester and honorary canon of Ely Cathedral, is a thirty-two-year-old bachelor. Tall, with dark brown hair, eyes the color of hazelnuts, and a reassuringly gentle manner, Sidney is an unconventional

clerical detective. He can go where the police cannot. Together with his roguish friend, inspector Geordie Keating, Sidney inquires into the suspect suicide of a Cambridge solicitor, a scandalous jewelry theft at a New Year's Eve dinner party, the unexplained death of a jazz promoter's daughter, and a shocking art forgery that puts a close friend in danger. Sidney discovers that being a detective, like being a clergyman, means that you are never off duty, but he nonetheless manages to find time for a keen interest in cricket, warm beer, and hot jazz—as well as a curious fondness for a German widow three years his junior. With a whiff of Agatha Christie and a touch of G. K. Chesterton's Father Brown, *The Grantchester Mysteries* introduces a wonderful new hero into the world of detective fiction.
