EATON LIN

[Integrating the Catholic Faith and Work](#) USCCB Publishing
 In *Moral Intelligence 2.0*, Lennick and Kiel extensively identify the moral components at the heart of the recent financial crisis, and illuminate the monetary and human costs of failed moral leadership in global finance, business and government. The authors begin by systematically defining the principles of moral intelligence and the behavioral competencies associated with them. Next, they demonstrate why sustainable optimal performance—on both an individual and organizational level—requires the development and application of superior moral and emotional competencies. Using many new examples and real case studies and new interviews with key business leaders, they identify connections between moral intelligence and higher levels of trust, engagement, retention, and innovation. Readers will find specific guidance on moral leadership in both large organizations and entrepreneurial ventures, as well as a new, practical, step-by-step plan for measuring and strengthening every component of moral intelligence—from integrity and responsibility to compassion and forgiveness. In *Jon Huntsman's Winners Never Cheat: Even In Difficult Times*. Who's Jon Huntsman? Someone who started with practically nothing, and made it to Forbes' list of America's Top 100 richest people: a self-made multi-billionaire. This book presents the lessons of his lifetime in business: a life that has included the best of times and the worst. The first edition became an instant classic; now, Huntsman has thoroughly updated it with new chapters on maintaining your principles in difficult times, when dishonest "sharks" seem to be everywhere. This is no mere exhortation: it's as practical as a book can get. It's about how you listen to your moral compass,

even as others ignore theirs. It's about building teams with higher values...sharing success and taking responsibility...earning the rewards that only come with giving back. Huntsman built his career and fortune on these principles. You don't live them just to "win": you live them because they're right. But in an age of cheating and scandal, Huntsman's life proves honesty is more than right: it's your biggest competitive differentiator. So, consider what kind of person you want to do business with. Then, be that person and use this book to get you there. All author royalties from this book go to the Huntsman Cancer Foundation.

Bless Me, Ultima Anselm Academic

Revised edition of *A catechism for business*, 2014.

The just war ethic emerges from an affirmative response to the basic question of whether people may sometimes permissibly intend to kill other people. In *Politics, Justice, and War*, Joseph E. Capizzi clarifies the meaning and coherence of the "just war" approach, to the use of force in the context of Christian ethics. By reconnecting the just war ethic to an Augustinian political approach, Capizzi illustrates that the just war ethic requires emphasis on the "right intention," or goal, of peace as ordered justice. With peace set as the goal of war, the various criteria of the just war ethic gain their intelligibility and help provide practical guidance to all levels of society regarding when to go to war and how to strive to contain it. So conceived, the ethic places stringent limits on noncombatant or "innocent" killing in war, helps make sense of contemporary technological and strategic challenges, and opens up space for a critical and constructive dialogue with international law.

Cultivating the Unique Calling of Every Person Catapult

NEW YORK TIMES BESTSELLER New York Times bestselling author and acclaimed linguist John McWhorter argues that an illiberal neoracism, disguised as antiracism, is hurting Black communities and weakening the American social fabric. Americans of good will on both the left and the right are secretly asking themselves the same question: how has the conversation on race in America gone so crazy? We're told to read books and listen to music by people of color but that wearing certain clothes is "appropriation." We hear that being white automatically gives you privilege and that being Black makes you a victim. We want to speak up but fear we'll be seen as unwoke, or worse, labeled a racist. According to John McWhorter, the problem is that a well-meaning but pernicious form of antiracism has become, not a progressive ideology, but a religion—and one that's illogical, unreachable, and unintentionally neoracist. In *Woke Racism*, McWhorter reveals the workings of this new religion, from the original sin of "white privilege" and the weaponization of cancel culture to ban heretics, to the evangelical fervor of the "woke mob." He shows how this religion that claims to "dismantle racist structures" is actually harming his fellow Black Americans by infantilizing Black people, setting Black students up for failure, and passing policies that disproportionately damage Black communities. The new religion might be called "antiracism," but it features a racial essentialism that's barely distinguishable from racist arguments of the past. Fortunately for Black America, and for all of us, it's not too late to push back against woke racism. McWhorter shares scripts and encouragement with those trying to deprogram friends and family. And most importantly, he offers a roadmap to justice that actually will help, not hurt, Black America.

The Essential Catholic Survival Guide Phoemixx Classics Ebooks

Gabriel gives Catholics and others seeking the truth a valuable resource for correcting the most-common misunderstandings and myths perpetuated by the media, university professors, and the uninformed to undermine both the authority of the Church and the faith of Catholics.

Faith Seeking Freedom Free Press

Have you ever read something in the Bible and just scratched your head, or been challenged by a skeptic to explain a seemingly scandalous verse? Trent Horn can help. In *Hard Sayings*, Trent looks at dozens of the most confounding passages in Scripture and offers clear, reasonable, and Catholic keys to unlocking their true meaning.

USCCB Publishing

The inspiration for the film starring Tilda Swinton and John C. Reilly, this resonant story of a mother's unsettling quest to understand her teenage son's deadly violence, her own ambivalence toward motherhood, and the explosive link between them remains terrifyingly prescient. Eva never really wanted to be a mother. And certainly not the mother of a boy who murdered seven of his fellow high school students, a cafeteria worker, and a much-adored teacher in a school shooting two days before his sixteenth birthday. Neither nature nor nurture exclusively shapes a child's character. But Eva was always uneasy with the sacrifices and social demotion of motherhood. Did her internalized dislike for her own son shape him into the killer he's become? How much is her fault? Now, two years later, it is time for her to come to terms with Kevin's horrific rampage, all in a series of startlingly direct correspondences with her estranged husband, Franklin. A piercing, unforgettable, and penetrating exploration of violence and responsibility, a book that the *Boston Globe* describes as "impossible to put down," is a stunning examination of how tragedy affects a town, a marriage, and a family.

Answers to Tough Questions about the Faith Crossway

The popular Christian apologist Kreeft tackles many of the tough questions of our day concerning Christianity. In a series of imaginative "dialogues", Sal the Seeker and Chris the Christian deal with the profound mysteries of the Gospel. The result is a book that is both engaging and profound, a book that leads readers to initial faith—or to deeper faith. "The stakes in these dialogues are high. Christianity is God's marriage proposal to the soul, says Kreeft, and the answer must be "yes" or "no". We can evade the claims of Jesus Christ for a while, but death brings evasion to an end. It is wiser to look at Christianity honestly now. Yes or No? shows the truth of Jesus' promise that those who sincerely seek the truth shall find it. It is a road map for those who are honestly seeking the truth and a source of greater faith for those how have already found God. It presents the full challenge of the gospel in a way modern men and women can understand.

Catholic Social Teaching at Work in the Marketplace Oxford University Press, USA

Good Business: Catholic Social Teaching at Work in the Marketplace Thomas O'Brien, Elizabeth W. Collier, and Patrick Flanagan Doing good business requires a firm moral compass for navigating everyday decisions with significant social, political, and economic impact. *Good Business: Catholic Social Teaching at Work in the Marketplace* examines eight themes of Catholic Social Teaching-- human dignity, common good, stewardship, option for the poor, economic justice, subsidiarity, solidarity, and rights and responsibilities-- and how they apply to contemporary business practices and critical issues in the global economy. With positive case studies and thoughtful discussion questions, *Good Business* guides learners toward practical application of the concepts in the modern business world.

Understanding Church Teachings and Events in History Vintage

In his typically lucid and original style, the popular spiritual writer Peter Kreeft explores many aspects and questions about prayer, the center of our spiritual lives. In a series of imaginative dialogues (like prayer itself), Kreeft shows how prayer can be an exciting adventure, an inexhaustible joy.

How a New Religion Has Betrayed Black America Grand Central Publishing

As a parent, do you struggle with trusting God's will for your life and for those you love? Are you tired and afraid? In *Be Brave in the Scared*, Catholic writer Mary Lenaburg shares how the overwhelming demands of caring for her severely disabled daughter ultimately taught her—and can teach you—that trusting in God and accepting his will can lead to profound joy, no matter what challenges you face. *Be Brave in the Scared* is an uplifting account of human frailty (and stubbornness) surrendered to faith. Lenaburg tells the heart-rending story of how caring for her severely disabled daughter affected her self-image, marriage, family life, and faith. Although she initially struggled to accept God's will and her own limitations, Lenaburg ultimately learned how to trust God. She found in that trust inexplicable joy, even during the most difficult days of her life. She writes boldly and authentically about challenges we all encounter, such as trials with control, blame, exhaustion, fear, and acceptance. Each chapter concludes with an invitation to write and a place for readers to express their thoughts and feelings. Lenaburg's extraordinary story affirms that God's redeeming love never fails and that he is there to help us through all of the challenges we encounter.

Compendium Ignatius Press

Pope Francis, generally speaking, has thus far chosen to concentrate his papacy on social justice issues, as opposed to doctrinal or liturgical issues. This has led to Francis being hailed as a hero to many on the left, while it has made some conservative supporters of St. John Paul II and Pope Emeritus Benedict XVI disappointed and uncomfortable, even as they love and appreciate his person and gestures of mercy and compassion. Some find his teachings difficult to embrace, especially those concerning business and the economy. Pope Francis has spoken of building bridges as part of what it is to be Christian, but aspects of his message seem to be just constructing walls between the Holy Father and groups of the faithful. The *Business Francis Means* aims to break through these walls, showing that Pope Francis has something to say to all Christians. His message, taken as a whole, keeps us from dividing the "seamless garment" of Christ: he reminds the conservatives of the problems of inequality and poverty, and the liberals that social justice is not enough – the Church is the bride of Christ, not a social institution or an NGO. Monsignor Martin Schlag summarizes and explains the message of Pope Francis on business and the economy in this compact volume. The *Business Francis Means* will be of great interest to the Catholic layperson, especially one involved in political or economic life.

Christian Governance and the Ethics of Warfare BEYOND BOOKS HUB

The New York Times best-selling book exploring the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. In this "vital, necessary, and beautiful book" (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and "allows us to understand racism as a practice not restricted to 'bad people' (Claudia Rankine). Referring to the defensive moves that white people make when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt, and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.

Straight Answers to Tough Questions About Christianity Image

As hunger for the faith continues to grow, Pope Benedict XVI gives the Catholic Church the food it seeks with 598 questions and answers in the *Yes or No?* Ave Maria Press

Award-winning writer Rich Cohen excavates the real stories behind the legend of infamous criminal enforcers Murder, Inc. and contemplates the question: Where did the tough Jews go? In 1930s Brooklyn, there lived a breed of men who now exist only in legend and in the memories of a few old-timers: Jewish gangsters, fearless thugs with nicknames like Kid Twist Reles and Pittsburgh Phil Strauss. Growing up in Brownsville, they made their way from street fights to underworld power, becoming the execution squad for a national crime syndicate. Murder Inc. did for organized crime what Henry Ford did for the automobile, and *Tough Jews* is the first in-depth portrait of these men, a thrilling glimpse at the muscle that made possible the success of gangster statesmen such as Bugsy Siegel, Meyer Lansky, and Lucky Luciano. For Rich Cohen, who grew up in suburban Illinois in the 1980s taunted by the stereotype of Jews as book-reading rule followers, the very idea of the Jewish gangster was a relief; for once, a Jew in jail did not have to be a white collar criminal. With a clear eye and a comic sensibility, Cohen looks beyond the blood and ultimately encounters each of these ruthless killers' matzo-ball heart. *Tough Jews* shows what can happen when a member of the tribe combines brains, heart, and a dangerous determination never to back down.

Fathers, Sons, and Ganster Dreams CUA Press

Pope John Paul II proclaims a sense of urgency in challenging moral darkness with the light of truth.

Libertarian Christian Answers to Tough Questions Pearson College Division

What if we were able to gain profound insight into the unique design, creative drive, and potential destiny of the people in our lives? The bold promise of this book is that we can. This ability carries an awesome responsibility: We must all be mentors and midwives to the personal vocations of others. Unrepeatable is about the urgent need for each of us to cultivate the vocations of others and the steps we should take to do it well. By smartly weaving evocative stories of those who have radically lived out their callings with practical tools for discernment and mentorship, Luke Burgis and Joshua Miller who have a combined twenty-five years of experience helping people and organizations discover their purposed return staid perceptions of vocation on their head. Unrepeatable will equip you to: Renew your church, school, community, or company by empowering every member to discover, embrace, and fully live out their unique calling Confidently teach and mentor young people in critical skills of discernment and decision-making Know and be known by others in a deeply personal way through a technique that unlocks and awakens the deepest desires of the heart As we enter into the stories of others' lives, we enter into the story of God's love. There is no greater adventure. Unrepeatable invites you to be a part of it.

Catholic Controversies Penguin

Catechesis is an ancient practice of Christian disciple making that uses a simple question-and-answer format to instruct new believers and church members in the core beliefs of Christianity. *To Be a Christian*, by J. I. Packer and a team of other Anglican leaders, was written to renew this oft-forgotten tradition for today's Christians. With over 360 questions and answers, plus Scripture references to support each teaching, this catechism covers the full range of Christian doctrine and life, drawing from the Apostles' Creed, the Lord's Prayer, the Ten Commandments, and other important doctrinal summaries. Clear, concise, and conversational, this resource was written for all believers who seek to be grounded more deeply in the truth of God's Word.

How I Learned to Trust God during the Most Difficult Days of My Life Catholic Answers Press

An original investigation of our hidden power to persuade, and how to wield it wisely. If you've ever felt ineffective, invisible, or inarticulate, chances are you weren't actually any of those things. Those feelings may instead have been the result of a lack of awareness we all seem to have for how our words, actions, and even our mere presence affect other people. In *You Have More Influence Than You Think* social psychologist Vanessa Bohns draws from her original research to illustrate why we fail to recognize the influence we have, and how that lack of awareness can lead us to miss opportunities or accidentally misuse our power. Weaving together compelling stories with cutting edge science, Bohns answers the questions we all want to know (but may be afraid to ask): How much did she take to heart what I said earlier? Do they know they can push back on my suggestions?

Did he notice whether I was there today? Will they agree to help me if I ask? Whether attending a meeting, sharing a post online, or mustering the nerve to ask for a favor, we often assume our actions, input, and requests will be overlooked or rejected. Bohns and her work demonstrate that people see us, listen to us, and agree to do things for us much more than we realize—for better, and worse. *You Have More Influence Than You Think* offers science-based strategies for observing the effect we have on others, reconsidering our fear of rejection, and even, sometimes, pulling back to

use our influence less. It is a call to stop searching for ways to gain influence you don't have and to start recognizing the influence you don't realize you already have.

Why It's So Hard for White People to Talk About Racism SAGE Publications

Supplies two needs: (1) profitable, useable material for family devotions and (2) a practical guide for parents helping their children learn the catechism.
