Heart-warming, funny and delightful, The

Parrot Who Wouldn't Talk and Other Stories features some old favourites as well as refreshingly new stories. Marked by Bond's inimitable style and trademark humour, and embellished with lively illustrations, this book will be a firm favourite with children.

A delightful read... no one understands nature like Ruskin Bond and it takes his ability to put this wonder into words'- Deccan Chronicle For over half a century, Ruskin Bond has celebrated the wonder and beauty of nature as few other contemporary writers have, or indeed can. This collection brings together the best of his writing on the natural world, not just in the Himalayan foothills that he has made his home, but also in the cities and small towns that he lived in or travelled through as a young man. In these pages, he writes

of leopards padding down the lanes of Mussoorie after dark, the first shower of the monsoon in Meerut that brings with it a tumult of new life, the chorus of insects at twilight outside his window, ancient banyan trees and the short-lived cosmos flower, a bat who strays into his room and makes a night less lonely... This volume proves, yet again, that for the serenity and lyricism of his prose and his sharp yet sympathetic eye, Ruskin Bond has few equals. 'Once again this writer from Mussoorie captivates with his collection of nature pieces -Sunday Middy 'Bond uses his pen as a brush to paint sensuous images of his experiences with nature and beckons his readers into his imagination ... a book that relaxes the eyes, rests the mind, lulls the noise and lets one drift into the idyllic life with nature that most of us are unable to lead'-Dawn

This leaf, so complete in itself, Is only part of a tree. And this tree, so complete in itself, Is only part of the mountain. And the mountain runs down to the sea. And the sea, so complete in itself, Rests like a raindrop On the hand of God. Ruskin Bond's *Book of Verse* brings together the poetry of one of India's best-loved writers. This charming collector's edition is a treasury of poems on love and nature, travel, humour and childhood, and will be a lasting source of delight to readers. *Classic Ruskin Bond* Penguin UK

Ruskin Bond is eighty-nine years old: long past sixty, the age at which one becomes a senior citizen; also the age around which it is said one should think of retiring from active life. As the years go by, his contentment with living the life he has chosen--keeping to himself, with his family and his books, in Landour--has only grown stronger. He takes great joy in the world outside his window: the changing shades of nature, interesting people, good food, nice walks. Inside his room there are thoughts and memories, and the journal and letters he writes every day. All of it makes for a wonderful life--and that is what this book is about. In his trademark warm, witty, whimsical style and his marvellously simple prose, Ruskin tells us how to enjoy the advancing years some of us are blessed with, and how to make the most of the amazing gift called life.

This book explores the dilemma of Bond's 'two selves' and his existential search for an identity. This exploration, analysed across six chapters, is informed by a variety of postcolonial, historical, informational and critical texts on Bond and Anglo-Indians. Arup Pal focuses on four key literary works of Bond--The Room on the Roof, A Flight of Pigeons, Scenes from a Writer's Life and A Handful of Nuts--from the perspective of the author's developing sense of personal, national and cultural identity. He traces the journey that the author and his protagonists embark on in order to seek and ultimately define their sense of being.

Rusty Runs Away Penguin Random House India Private Limited

Ruskin Bond is an inveterate diarist, but over the years the nature of what he wants to record has changed, for 'In the autumn of my life, I grow reflective'. Although Landour itself is a magical world--where every month has its own flower, every walker his own style, and the countryside is filled with a beauty all its own--in his mind Bond ranges further afield. In Landour Days, he ponders on the experience of being a writer, on writers he has known and those that he loves reading, and on critics, handwriting and typewriters. Filled with warmth and gentle humour, Landour Days captures the timeless rhythm of life in the mountains, and the serene wisdom of one of India's best-loved writers.
