The treatment erased Shelby's memory of the accident, but she can't help feeling as if

a piece of herself is missing, that the treatment took more than the doctors claimed. Leigh has a serious problem. And it's the sick, twisted pervert who's kidnapped her for his own pleasure! Chad! When Leigh spurns his advances at a party he throws in her honor, Chad goes haywire and kidnaps her, stealing her away to his personal New England Patriots

Shangri-La, a secret Man Cave hundreds of feet below sea level he affectionately calls his "Chadmiral's Quarters." Leigh awakens to a strange NFL-and-BDSM-infused nightmare. Chad is obviously off the deep end with lust for her, and while naked, Leigh is tantalized to see he is a very built and attractive man. But now that Chad has her in his grasp he has some very "unique" ideas about how they should spend their time together. He's going to teach Leigh, this "Touchdown Queen," about a side of Gronk she's never experienced before... whether she want to learn it or not! It is a lesson that will make Leigh squirm with pain and with pleasure. Leigh cries out! But is

it with ecstasy she cries out? Is she starting to like what Chad has to offer? Complicating things? With Dan? With Gronk? With her etsy store? With her very soul? Really, how many times in life has the sequel been better than the original? Well, let me tell you: THIS is one of those times. "A Gronking to Remember 2: Chad Goes Deep in the Neutral Zone" is so dark and twisted, so devious, so hot and thought-provoking, so full of plot twists and surprises, it makes the first book in the series, the best-selling "A Gronking to Remember," look like A PIECE OF SHIT. So read what everyone is talking about. The saga continues! And have no reservations: "Chad Goes Deep in the

Neutral Zone" is no sophomore slump... It is a verified sophomore SLAM. Warning: Contains some sexually graphic scenes as well as the misuse of American footballs that will leave you wet, hard and everything in between. Sports (Part Deux)!

After moving back to Anchorage and discovering the mysterious disappearance of her best friend, high school senior Ruthie embarks on a search that reveals dark secrets.

Romeo and Juliet 2, a Sequel to William Shakespeare in Love, a Stage Play Penguin

Sometimes there are too many reasons to kill your best friend from high school. You just have to pick one. Maybe the way he always eats bologna sandwiches for lunch, the mayo oozing out onto his hands. Or maybe the fact that he once dated your kid

sister. Or it could even be the fact that, after 20 years, he still hasn't changed, not one little bit. But it is NOT because you are gay and he is straight and you've been in love with him since you first met. No, it's not that. That would be a silly reason to kill someone.

The #1 New York Times bestselling author returns to the characters in *Firefly Lane* in her next blockbuster novel, *Fly Away*. Once, a long time ago, I walked down a night-darkened road called *Firefly Lane*, all alone, on the worst night of my life, and I found a kindred spirit. That was our beginning. More than

thirty years ago. Tully and Kate. You and me against the world. Best friends forever. But stories end, don't they? You lose the people you love and you have to find a way to go on. . . . Tully Hart has always been larger than life, a woman fueled by big dreams and driven by memories of a painful past. She thinks she can overcome anything until her best friend, Kate Ryan, dies. Tully tries to fulfill her deathbed promise to Kate---to be there for Kate's children---but Tully knows nothing about family or motherhood or taking care of people. Sixteen-year-old Marah Ryan is devastated by her mother's death. Her father, Johnny, strives to hold the family together, but

even with his best efforts, Marah becomes unreachable in her grief. Nothing and no one seems to matter to her . . . until she falls in love with a young man who makes her smile again and leads her into his dangerous, shadowy world.

Dorothy Hart---the woman who once called herself Cloud---is at the center of Tully's tragic past. She repeatedly abandoned her daughter, Tully, as a child, but now she comes back, drawn to her daughter's side at a time when Tully is most alone. At long last, Dorothy must face her darkest fear: Only by revealing the ugly secrets of her past can she hope to become the mother her daughter needs. A single, tragic choice and a middle-of-the-

night phone call will bring these women together and set them on a poignant, powerful journey of redemption. Each has lost her way, and they will need each one another---and maybe a miracle---to transform their lives. An emotionally complex, heart-wrenching novel about love, motherhood, loss, and new beginnings, *Fly Away* reminds us that where there is life, there is hope, and where there is love, there is forgiveness. Told with her trademark powerful storytelling and illuminating prose, Kristin Hannah reveals why she is one of the most beloved writers of our day.

Just when filmmakers thought it was safe to make a sequel, director John D. Hancock ran into huge difficulties making *Jaws 2* (1978), a thriller film and the first sequel to Steven Spielberg's *Jaws* (1975). Until now, the full story of the sea of troubles during the making of the film has never been told.  
Authors Louis R. Pisano

and Michael A. Smith fished from the original cast and crew the full no-holds-barred story from their behind the scenes experiences, a tale as action packed and occasionally as bloody as the film. Based on Peter Benchley's original Jaws novel, Jaws 2 starred Roy Scheider as a police chief dealing with another great white shark terrorizing the waters of a resort. The original director, John D. Hancock, proved unable to handle the action film and was replaced by Jeannot Szwarc. Actor Roy Scheider, who only made the film to end a contractual issue with Universal, was also unhappy during production and had

several heated exchanges with Szwarc. Follow the entire fascinating production of the unforgettable film from concept to the impact the film made on Hollywood after Jaws 2 achieved a spot on Variety's list of Top 10 box office hits. About the authors: Louis R. Pisano is the director of the very popular series of "JawsFEST" fan DVDs. Michael A. Smith is the co-founder of MediaMikes.com and is a long-serving officer of the Kansas City Film Critics Circle. Jaws 2: The Making of the Hollywood Sequel is their first book. Includes Footnotes and illustrated with more than 200 rare behind-the-scenes photos taken by the cast and crew.
