HALLIE KASSANDRA

Perfekt! Der überlegene Weg zum Erfolg Arcturus Publishing

An incisive, innovative, and inviting take on fighting oppression and fighting for racial justice. Racism is a real and present danger. But how can you fight it if you don't know how it works or where it comes from? Using a compelling mix of memoir, cultural criticism, and anti-oppressive theory, Khodi Dill breaks down how white supremacy functions in North America and gives readers tools to understand how racism impacts their lives. From dismantling internalized racism, decolonizing schools, joining social justice movements and more, Dill lays out paths to personal liberation and social transformation. Vibrant, dramatic collages by stylo starr complement Dill's propulsive voice. Fueled by joy and hope as much as by rage and sorrow, this groundbreaking book empowers racialized young people to be confident in their identities and embrace the fullness of their futures.

The Roots of Vedanta Canadian Scholars

Take a trip with the author through the first year of life as an "awakened" being. As the journey unfolds, so does a vast array of subjects that will hopefully help you grasp that which cannot be seen with the eyes, nor heard with the ears but only realized directly by your true self.

Called to Care Penguin Verlag

Now in its second edition, *Determinants of Indigenous Peoples' Health* adds current issues in environmental politics to the groundbreaking materials from the first edition. The text is a vibrant compilation of scholarly papers by research experts in the field, reflective essays by Indigenous leaders, and poetry that functions as a creative outlet for healing. This timely edited collection addresses the knowledge gap of the health inequalities unique to Indigenous peoples as a result of geography, colonialism, economy, and biology. In this revised edition, new pieces explore the relationship between Indigenous bodies and the land on which they reside, the impact of resource extraction on landscapes and livelihoods, and death and the complexities of intergenerational family relationships. This volume also offers an updated structure and a foreword by Dr. Evan Adams, Chief Medical Officer of the First Nations Health Authority. This is a vital resource for students in the disciplines of health studies, Indigenous studies, public and population health, community health sciences, medicine, nursing, and social work who want to broaden their understanding of the social determinants of health. Ultimately, this is a hopeful text that aspires to a future in which Indigenous peoples no longer embody health inequality.

In Defense of Anthropology S. Fischer Verlag

Wie haben wir Erfolg, ohne verbissen zu sein? Wie schaffen wir es, unser Privatleben und unseren Beruf so miteinander zu verbinden, dass sie sich ergänzen und bereichern? Wie schöpfen wir aus der Fülle, statt uns vom Alltag auffressen zu lassen? Um all diese Fragen geht es in „Perfekt!“, dem neuen Buch von Robert Greene („Power – Die 48 Gesetze der Macht“). Und der Bestseller-Autor aus den USA bietet Lösungen: Mit Beispielen aus der Welt der Literatur und der Geschichte zeigt er, wie wir Schritt für Schritt herausfinden, wo unsere wirklichen Talente liegen und wie wir jene elegante Souveränität erlangen, nach der viele streben, die aber nur wenige erreichen.

Determinants of Indigenous Peoples' Health, Second Edition InterVarsity Press

This erudite and wide-ranging anthology offers a panoramic view of Vedānta in Śaṅkara's own words, with selections from standard translations of his commentaries on the Upaniṣads, the Brahma-sūtra (Vedānta-sūtra) and the Bhagavad-gītā—texts which together form the scriptural canon of Vedānta—and an independent treatise, the Upadeśa Sāhasrī, on whose authenticity there is unanimity. Exhibiting a deep empathy with the living tradition, Sudhakshina has selected passages that explain all the important concepts and teachings, including up-to-date deliberations on Śaṅkara. Her general and sectional introductions illuminate and demystify the esoteric concepts, providing a holistic perspective of Vedānta and making it eminently accessible to the modern

reader.

Die Kinder der Zeit Arcturus Publishing

Learning Modern Algebra aligns with the CBMS Mathematical Education of Teachers-II recommendations, in both content and practice. It emphasizes rings and fields over groups, and it makes explicit connections between the ideas of abstract algebra and the mathematics used by high school teachers. It provides opportunities for prospective and practicing teachers to experience mathematics for themselves, before the formalities are developed, and it is explicit about the mathematical habits of mind that lie beneath the definitions and theorems. This book is designed for prospective and practicing high school mathematics teachers, but it can serve as a text for standard abstract algebra courses as well. The presentation is organized historically: the Babylonians introduced Pythagorean triples to teach the Pythagorean theorem; these were classified by Diophantus, and eventually this led Fermat to conjecture his Last Theorem. The text shows how much of modern algebra arose in attempts to prove this; it also shows how other important themes in algebra arose from questions related to teaching. Indeed, modern algebra is a very useful tool for teachers, with deep connections to the actual content of high school mathematics, as well as to the mathematics teachers use in their profession that doesn't necessarily "end up on the blackboard." The focus is on number theory, polynomials, and commutative rings. Group theory is introduced near the end of the text to explain why generalizations of the quadratic formula do not exist for polynomials of high degree, allowing the reader to appreciate the more general work of Galois and Abel on roots of polynomials. Results and proofs are motivated with specific examples whenever possible, so that abstractions emerge from concrete experience. Applications range from the theory of repeating decimals to the use of imaginary quadratic fields to construct problems with rational solutions. While such applications are integrated throughout, each chapter also contains a section giving explicit connections between the content of the chapter and high school teaching.

The Healing Handbook Lexington Books

The study of religion is not only a challenge but a great responsibility. At the same time, it is important to always remember that we are also children of the heart and of light so there is love and room to learn and grow together. Maybe this book shares a view of it all and opens doors for more understanding and discussion of our future together... In peace

You Know It in Your Head. Now, Let It Live in Your Heart. Despite the abundant availability of both self-help books and Bible study materials, many of us find it difficult to apply what we learn, to make that long head-to-heart journey of change. When we are faced with life's daily trials, our responses often lack the Christian maturity we desire—showing us clearly just how far we have to go. Is it possible to achieve a deeper, more permanent change of heart? Discover the Principle that Could Transform Your Life. Now, through one practical, simple-to-understand and easy-to-remember model, you can: • Gain a new perspective on the troubles God allows in your life. • Come to better understand your response to those trials. • Discover the underlying idols that hamper your efforts to change. • Learn how to discern the truth of God's Word. • Develop the heart response that will draw you closer to God. Come on a journey of personal growth and spiritual discovery as your heart is drawn back to a central tenet of the Gospel: Truth isn't something you learn, but Someone you know. And the Truth will set you free.

Fahrenheit 451 Kösel-Verlag

Robert Greene versteht es auf meisterhafte Weise, Weisheit und Philosophie der alten Denker für Millionen von Lesern auf der Suche nach Wissen, Macht und Selbstvervollkommnung zugänglich zu machen. In seinem neuen Buch ist er dem wichtigsten Thema überhaupt auf der Spur: Der Entschlüsselung menschlicher Antriebe und Motivationen, auch derer, die uns selbst nicht bewusst sind. Der Mensch ist ein Gesellschaftstier. Sein Leben hängt von der Beziehung zu Seinesgleichen ab. Zu wissen, warum wir tun, was wir tun, gibt uns ein weit wirksameres Werkzeug an die Hand als all unsere Talente es könnten. Ausgehend von den Ideen und Beispielen von Perikles, Queen Elizabeth I, Martin Luther King Jr und vielen anderen zeigt Greene, wie wir einerseits von unseren eigenen Emotionen unabhängig werden und Selbstbeherrschung lernen und andererseits Empathie anderen gegenüber entwickeln können, um hinter ihre Masken zu blicken. Die Gesetze der menschlichen Natur bietet dem Leser nicht zuletzt einzigartige Strategien, um im professionellen und privaten Bereich eigene Ziele zu erreichen und zu verteidigen.

Der Orden des geheimen Baumes - Die Magierin Diogenes Verlag AG

Diese Sammlung von Schriften aus der Zeit von 1970 bis 1990 des brasilianischen Pädagogen Paulo Freire (1921-1997) gibt einen Einblick in die Grundlagen und Prinzipien seiner Bildungsarbeit auf der Basis der Pädagogik der Befreiung. In den ausgewählten Texten werden nicht nur pädagogische Probleme und inhaltlich-methodische Fragen der Bildungsarbeit thematisiert. Sie enthalten ebenso Analysen und Bewertungen von Politik, Kultur, Religion, Ethik und Veränderungsmöglichkeiten von Gesellschaft - eine Erweiterung, die sich gegen eine Vorstellung wendet, Pädagogik sei von Gesellschaft und Politik losgelöst zu behandeln. Scharfsinnig hat Freire u.a. die verheerenden Folgen des Neoliberalismus für Individuum und Gesellschaft analysiert und zum widerständigen Denken und Handeln ermuntert. Eine Auswahl repräsentativer alter und neuer Texte von Paulo Freire: Wer sie zur Hand nimmt, entdeckt rasch, dass uns dieser brasilianische Pädagoge nicht nur für die Theorie und Praxis unserer Erziehungsarbeit, sondern für unser Überleben Entscheidendes zu sagen hat.

The Complete Book of Healing Pariyatti

What is RCA? It seems like such an easy question to answer, yet from novices to veterans and practitioners to providers, no one seems to have come to agreement or consensus on an acceptable definition for the industry. Now in its fourth edition, *Root Cause Analysis: Improving Performance for Bottom-Line Results* discusses why it is so hard to get su

The Aesthetic as the Science of Expression and of the Linguistic in General, Part 1, Theory Routledge

We all want the confidence that comes from living out of our true identity, but how do we get there? We don't magically discover our true selves when we reach our twenties. And some of us spend our entire lives feeling like we are living a lie. We can be torn apart by our duplicity or we can become so comfortable with putting on various personas to suit our situation that we don't even realize we're doing it. But if we are followers and disciples of Christ, our identity is already decided. What we need to learn is how to understand and embrace it. In this honest and penetrating book, David D.

Swanson calls readers to take off their masks, discover the true source of their identities, and enjoy the peace and satisfaction that comes from being authentic and transparent to ourselves, our God, and the people who surround us. He gently leads readers from their hiding places to a life of conviction and courage.

Die letzten Menschen haben eine sterbende Erde verlassen, um in den Tiefen des Alls ein neues Zuhause zu finden. Als sie auf den Planeten Eden stoßen, scheint ihnen das Glück sicher: ideale Konditionen und eine florierende Ökosphäre. Doch was sie nicht wissen - es waren bereits Menschen hier gewesen, vor langer Zeit. Menschen, die Eden als Versuchsplaneten für ein vermessenes Projekt künstlicher Evolution ausersehen hatten. Doch ihr Experiment damals hat ungeahnte Spuren hinterlassen, und nun treffen ihre Nachfahren auf die vergessenen Kinder ihres Versuchs. Wer von ihnen wird das Erbe von Eden antreten?

The American Teacher Rowohlt Verlag GmbH

Der Weltbestseller aus Japan. Ein zutiefst unglücklicher junger Mann trifft auf einen Philosophen, der ihm erklärt, wie jeder von uns in der Lage ist, sein eigenes Leben zu bestimmen, und wie sich jeder von den Fesseln vergangener Erfahrungen, Zweifeln und Erwartungen anderer lösen kann. Es sind die Erkenntnisse von Alfred Adler - dem großen Vorreiter der Achtsamkeitsbewegung - die diesem bewegenden Dialog zugrunde liegen, die zutiefst befreiend sind und uns allen ermöglichen, endlich die Begrenzungen zu ignorieren, die unsere Mitmenschen und wir selbst uns auferlegen. «Du musst nicht von allen gemocht werden» ist ein zugänglicher wie tiefgründiger und definitiv außergewöhnlicher Lebenshilfe-Ratgeber - Millionen haben ihn bereits gelesen und profitieren von seiner Weisheit.

Muße und Kult Elsevier

Zentrum unserer Kultur muss die Muße sein, nicht die Arbeit »Ein schmales, aber ein tiefes Buch: eindrucksvoll, ja erschreckend.« (New York Times) »Hier ist mit psychologischen und philosophischen Kategorien und der Sprachkraft eines großen Schriftstellers endlich die lange fällige Polemik gegen den modernen Götzen der Arbeit geschrieben.« (Joachim Günther) • Eines der wichtigsten und erfolgreichsten Bücher Josef Piepers • Vorwort von Kardinal Lehmann • 10. Todestag des großen Philosophen am 6.11.2007

Gehen, ging, gegangen Heyne Verlag

Nursing is a vocation: a calling from God to care for others. The role of the nurse originally grew out of a holistic Christian understanding of humans as created in the image of God. Yet as nursing and healthcare continue to change, the effects have proven disorienting to many. Now more than ever, we need nurses who are committed both to a solid understanding of their profession and to caring well for patients and their families. For over twenty years, *Called to Care* has served as a unique and essential resource for nurses. In this third edition Judith Allen Shelly and Arlene B. Miller, now joined by coauthor Kimberly H. Fenstermacher, present a definition for nursing based on a historically and theologically grounded vision of the nurse's call: Nursing is a ministry of compassionate and restorative care for the whole person, in response to God's grace, which aims to promote and foster optimum health (shalom) and bring comfort in suffering and death for anyone in need. Focusing on the features of the nursing metaparadigm—person, health, environment, and nursing—they provide a framework for understanding how the Christian faith relates to the many aspects of a nurse's work, from theory to everyday practice. This new edition of *Called to Care* is thoroughly revised for today's nurses, including updated examples and new content on topics such as cultural competency, palliative care, and the current state of healthcare and nursing education. Each chapter features learning objectives, discussion questions, case studies, and theological reflections from Scripture to help readers engage and apply the content. For educators, students, and practitioners throughout the field of nursing, this classic text continues to provide clarity and wisdom for living out their calling.

Root Cause Analysis Baker Books

Auch nach 25 Jahren hat "Die 7 Wege zur Effektivität" von Stephen R. Covey weder an Relevanz noch an Aktualität verloren. Die zentrale Botschaft des Buches: Nicht angelernte Erfolgstechniken, sondern Charakter, Kompetenz und Vertrauen führen zu einem erfüllten und erfolgreichen Leben. Die Snapshots Edition präsentiert übersichtlich und kompakt in anschaulichen Infografiken die wichtigsten Inhalte eines der am meisten gelesenen Businessbücher weltweit. Fokussiert auf Stephen R. Coveys Kernthesen ermöglicht die Snapshots Edition einen modernen Zugang zu einem zeitlosen Businessklassiker.
