HASSAN GEORGE

Madagascar and France Whitaker Press

It's 1905 and the new century overflows with opportunities for the smart, the strong, the confident, and the determined. All words that describe Hope Birdwell to a T. Her first twenty years had their share of trouble and torment, but she's certain the next twenty hold only promise. Hope leaves a sordid past behind and heads for Wyoming to take up homesteading. Never mind that she's alone in the world and has never known a real home in her whole life. Her name is Hope, after all, so what could possibly go wrong? Well, maybe the long reach of perverted violence from a brute she would rather forget could get in the way of her dreams. Maybe the warmly distracting appeal of friends and community could compromise her independence. Maybe the loving attention of a handsome young man with the unnerving ability to change her opinions about true freedom could cause her to falter. Maybe. Hope Birdwell knows she is poised at the edge of a bright future, if only she can protect herself and the people she's grown to love from the dark and deadly menace of

her past. Maybe that means she'll have to risk everything she's dreamed about and planned for and maybe she won't succeed. Maybe she's gone too long without the truth. Maybe. Hope Birdwell will discover some surprising truths in the wilds of Wyoming. That there's danger in deception, freedom in sacrifice, and a cost to love. Hard and painful lessons, every one of them, for a modern, single-minded girl. But she's not one to give up on her dreams no matter what—and her name is Hope, after all.

Annual Register CreateSpace

Success mindset = success outcomes A rising entrepreneur faces her worst product launch yet. For a year she's been in a growth slump, not hitting her numbers. Her mentor suggests a meeting with Loren Fogelman. After a single session with Loren, she ends the quarter on a positive note, with a successful launch and setting a new revenue record. A photographer complains of erratic cash flow. New camera equipment doesn't solve the problem the way she thinks it should. Following Loren's advice, she transforms nearly every aspect of her mindset—she chose a niche, focused on her value and concentrates on what her clients really want. The revenue concerns disappeared. Dedicated focus positions her as an expert. She now chooses her clients. A pediatric

nutritionist is a lifelong perfectionist. Clinic staff issues wore her down. When staff doesn't follow through, she picks up the slack—low self confidence and control issues slow down growth. Disorganization created overwhelm. But when Loren inspires her to step up as the CEO, her practice builds and she's not on the verge of burnout. What these entrepreneurs have in common: They know their negativity is diverting their energy and hindering their actions. They succeed with Loren's insights and create the specific mindsets and visions necessary to attain their goals. Focusing on what's do-able helps you succeed In *The Success Solution*, Loren Fogelman asserts that anyone can be a success—high performance isn't the trademark of talented entrepreneurs alone. Today is the day to claim what's rightfully yours. You have a choice. Stop settling for less than what you want to offer the world. Focus on your vision. Boldly go Your mindset colors everything you do, in and on your business. Mastering your thoughts and harnessing your energy for high performance is critical to success in every area of your life. Strategically tap into your highest potential and soar to the top. Loren throws a spotlight on what most mindset strategies miss. Her strategy ensures high performance. Learn powerful-but-simple actions you can take to boost confidence, improve focus, and remain present at all times. Loren pulls back the curtain on a

little known practice that is quickly gaining momentum and transforming lives: Emotional Freedom Techniques. Learn why some exceptional entrepreneurs struggle, despite their best efforts, and how to escape the same trap. Discover how entrepreneurs, at all levels of growth, quickly achieve significant performance gains. In *The Success Solution*, you'll learn how to keep distractions from burning up the energy you need to achieve your best. Fierce focus is frequently the factor that separates success from failure. At its core, *The Success Solution* helps you transform breakdowns into breakthroughs so the path to success is straightforward and uncomplicated. Loren says, "Don't play small to avoid mistakes. Stop struggling-enjoy your journey again. Don't let your recurrent fears steal away your remarkable future. I can show you how to reach your highest potential by sharing the strategies success entrepreneurs use. Focus on what's possible to reach the destiny you want." Now is the time for the success inside you to focus fully on mastering your mindset and achieving your breakthrough. Loren Fogelman is the founder of *Business Success Solution* where she inspires entrepreneurs to step up to their full potential. Her trainings and videos show entrepreneurs how to master success mindsets.

The Constant Travellers Dana Delamar

Sex, drugs, and the West that never was. In a novel at once raucously funny and deeply philosophical, author Gordon Basichis explores one man's continuing search to unlock life's elusive mysteries. Setting out for the Far West after the Civil War, young Shelby Lopez encounters Indian mystic Thunderbird Hawkins. With the help of his marijuana, peyote, and "magic mushrooms," the Indian teaches Shelby of the Great Necklace and the Great Book, which when brought together, lead on to wisdom and an understanding of man's destiny. The history of the Great Necklace and the Great Book stretches from the conquistadors to river gamblers, and finally to the frontier town of Star City. But even as mystic and disciple prepare to join the two sacred objects, they realize that they are not yet meant to be brought together, and that they themselves must return to their lives as *The Constant Travellers*. Humor, insight, violence and passion combine in this brilliant thought provoking narrative to create an unforgettable story. While set in the Old West, the novel assumes a modern idiom and is as contemporary as the hip scene of today.

Reckoning: A Mafia Romance (Blood and Honor, #4) SDP Publishing

The Future YouHarperOne

Waiting for Hope HarperOne

What if you were to discover that from day one, through no fault of your own, your mind has been coding itself to become the person you are today: stressed, busy and unfulfilled - and hiding the REAL YOU behind a mask of a 'happy face', showing the world that you are fine and everything is perfect? What if you realized that the first seven years of your life have shaped everything you do today and through this 'hypnotic' coding you had inherited a dangerous blueprint that is currently making 95% of your choices? What if you learned that your thinking has been hijacked by your subconscious mind, a super-powerful computer which is now controlling your 'reality'? And what if, by becoming aware of this, it will lead you to reclaim your true authentic self, change your reality and live your life beyond your wildest dreams? This is a must-read, easy-to-follow book on how to wake up to the fact that we have been enslaved by our subconscious mind (a.k.a. *The Matrix*), how to make decisions about what you REALLY want out of life, and how to go about re-coding your own mind so things like foginess and self-sabotage become things of the past.

The Posthumous Works of Robert Hooke, M.D.S.R.S. Geom. Prof. Gresh. &c CreateSpace

Read the book - and meet the woman - that started Karen J. Hasley's acclaimed Laramie Series.

Louisa Caldecott, a progressive woman and independent business owner in 1880 Kansas, is principled, strong-willed, passionate, and generous to a fault. Satisfied with her comfortable life, she's happy to live in her sister Lily's shadow. Until Lou meets John Rock Davis, Civil War veteran and man with a past. Until everything she loves is put at risk. Until she is forced to take a stand that threatens her safety, her happiness, and her future. Then all hell - but heaven, too - breaks loose, and self-sufficient Lou finally understands the cost of courage and the power of love. Karen J. Hasley's books have been reviewed as "satisfying," "sparkling," and "captivating," her research described as "flawless." Discover why readers return to Karen J. Hasley's fiction again and again for authentic stories about compelling women in historical settings.

Finalist, 2014 Maggie Awards for Excellence Semi-finalist, Kindle Book Review's 2014 Best Kindle

Book Awards "Redemption knocks it out of the PARK!!! This is the novel I was waiting for!!! I

bugged, harassed (in the most loving way), prodded, messaged, emailed and generally made a

pest of myself for MONTHS until Dana got this novel done; and get it done she did. WOW I was blown out of the water on this one." - Steph's Book Retreat blog, 5 stars "This series is awesome!!! If this series was ever made into a movie it would put the Godfather to shame! I am always pulled into the lives that Dana creates in her books. Heart beating so fast it is like I am part of the story line!!! If you are looking for fantastic writing style and being pulled into a story this is it!!! I VERY HIGHLY RECOMMEND THIS BOOK. I WANT TO GIVE IT MORE THAN 5 STARS." -- Julie's Book Reviews blog, 5 stars "When I compare the quality of the writing, the complexity of the plot and the development of the characters in this series to other books I have awarded 4 or even 4.5 stars to, this one is clearly worthy of a much higher rating than many of them. Not only do I look forward to reading more in the series I am also really excited and can hardly wait." - Lindsay and Jane's Views and Reviews blog, 5 stars ANTONIO LEGATO I've finally earned my place in the Lucchesi family. Me, the orphan, the outsider, the blond-haired, blue-eyed boy who doesn't really belong. I've fought hard to get where I am, and I love Enrico Lucchesi like a father. I would never betray him. But when the girl who broke me, Bianca Lucchesi, comes back into my life, my traitorous heart has other ideas. Dangerous ideas. Ideas that could tear the Lucchesi family apart. Especially if Bianca ever learns the role I played in her father's death. BIANCA LUCCHESI I'm too young to have this many regrets. Years ago, I ripped out the heart of the boy I loved, all so I could keep an awful secret that's tearing me apart, day by day. I've lied to everyone. Most of all, to myself. And I want to stop. But I can't. My brother knows what I've done, and he's holding it over my head. He wants me to help him destroy Antonio Legato, the usurper who's taken my brother's rightful place in the family. I don't want to hurt Antonio again. I don't. But I'm going to. And he can never learn why. ***** CONTENT WARNING: Redemption is a dark Mafia romance that contains graphic language, sexual situations, and violence. Talking to My Selves Dana Delamar

An intriguing blend of science and sports that explores how some of the world's greatest athletes are utilizing the last frontier of performance-enhancing technology—the mental mapping and engineering of their own brains—for peak performance, and what it means for the future of athleticism, sports, and the rest of us. Moneyball showed how statistics were revolutionizing baseball. The Sports Gene revealed the role genetics play in sports. Now, *Head in the Game* examines the next evolution: how mental engineering—the manipulation of the cognitive processes of the brain—can make gifted athletes even better. For years, technology—from EEG (electroencephalogram) to fMRI (Functional magnetic resonance imaging) to video games, tablets, and personal data collection devices—have been used with soldiers to understand their physical and mental functioning. Touching on brain functionality vital to sports—both the "hard" (coordination, stimuli processing, functional memory, decision-making, load-processing) and the "soft" (emotion regulation, visualization, psychology, mindfulness)—this tech is now being adopted by scores of championship franchises and top athletes—including scrappy underdogs forced to innovate and elite players looking for an advantage. Star NFL quarterbacks Russell Wilson and Tom Brady, the NBA's Kyle Korver, and Olympic volleyball champion Kerri Walsh are using mental engineering to up their game. It's not luck that has transformed the San Antonio Spurs into a formidable force—it's science, Sneed demonstrates. As mental engineering becomes widespread—taking athletes who are already freaks of nature and making them better—the impact on the multi-billion dollar sports industry will be dramatic on players, managers, trainers, owners, and even fans. Interviewing athletes and coaches, visiting training camps and sports science firms, Brandon Sneed offers a firsthand, on-the-ground look at this exciting breakthrough that has the potential to transform to transform the game—and all our lives.

Drive focus on what matters most, align and engage teams, and generally maximize

the benefits OKRs have to offer, thanks to this easy-to-use guide. You'll learn how to roll out an OKR system that closes the gap between strategy and execution, and helps people at every level organize their daily decisions around shared and important goals. It's time to get strategic with OKRs. Understand the OKR methodology and determine the benefits for your organization Learn how to craft sound OKRs for every level and department of your business Discover best practices and common pitfalls to ensure success when applying OKRs Focus on the three aspects of the OKRs process: Adoption, Engagement, and Alignment Business owners, team leaders, C-suite executives, and coaches will love this friendly how-to manual for joining the OKR movement.

ESCAPE YOUR MATRIX CreateSpace

Seventy years ago Joe Rubinstein walked out of a Nazi concentration camp.Until now, his story has been hidden from the world.Shortly before dawn on a frigid morning in Radom, Poland, German soldiers forced twenty-one year-old Icek "Joe" Rubinsztein onto a crowded, open-air truck. The next day, several around him were dead. From there, things got worse for young Joe--much worse. Joe arrived at Auschwitz on April 30, 1942. Only now, in his nineties, has he revealed how he survived several of the most notorious concentration camps when so many others perished. His is a remarkable narrative--a unique story of endurance and courage. Barefooted when he was seized by the Nazis, Joe became one of New York's leading shoe designers--working with companies whose shoes were sought after by First Ladies and movie stars alike.Joe's story bears witness to the ultimate triumph of the human spirit. While the Nazis took everything else, they were unable to take his unassailable joy. Joe's story is one of discovering light in the darkest of places, an inspiration for us all.

Auschwitz #34207 HarperCollins

One horrifying day will change the life of sixteen-year-old Shane Tucker and every other kid in the world. In a span of mere hours, the entire adult population is decimated, leaving their children behind to fend for themselves and deal with the horrific aftermath of the freak occurrence. As one of the newly made elders in his small town, Shane finds himself taking on the role of caretaker for a large group of juvenile survivors. One who just happens to be Kelly Douglas--an out-of-his-league classmate--who, on any other day, would have never given Shane a second glance. Together, they begin their quest to find out why all of the adults were slaughtered. What they find is even more horrifying than anything they could have expected--the annihilation of the adults was only the beginning. Shane and his friends are not the unlucky survivors left to inherit this new, messed-up planet. No, they are its next victims. There is an unknown power out there, and it won't stop until every person in the world is dead. A spine-tingling adventure that will have you gasping for breath all the way until the last page, *The Last Orphans* is the first book in an all-new apocalyptic series.

Killing Innocence Booksurge Publishing

"The first book of its kind, written by an acclaimed futurist, to help us not only envision what is possible in the next few months, years, decades, but to enact those plans and create the future we want Whether we want to or not, all of us think about the future constantly. These thoughts produce fear and anxiety that interfere with how we make decisions every day. We spend our days living in the past and the present with no understanding of how to get to that future we want so badly. That is, until now. Acclaimed futurist, Brian David Johnson has spent the last quarter century helping governments, Fortune 500 corporations, and other organizations chart successful paths forward by showing them what the world will look like 10 to 15 years down the line. With Future Casting, Johnson brings that prognosticator's eye to the individual, helping readers from all walks of life discover their best selves by seeing the future, and their place within it, in a whole new light. Johnson's method is highly scientific and practical. He shares a series of pragmatic steps that anyone can take to understand today and envision their tomorrow. The book will empower readers with the realization that, not only do they have control over their own future, they are the ones most responsible for its creation"--

The Annual Register Createspace Independent Publishing Platform

Quarterfinalist, Amazon Breakthrough Novel Competition. Martin has shut himself off from life. Too many people he loved have left him: his wife, his mother, his father, his best friend. A severe accident serves as a wake-up call. To calm his young children, he creates a story of a distant land stirring from somewhere deep within him. The tale he tells his children mirrors a new energy, a new life, and a new future.

The Annual Register, Or, A View of the History, Politics, and Literature for the Year ..., Dana

Delamar

YOUR FUTURE STARTS NOW By the time you reach the end of the book, I promise you will

understand your Future You better than ever...you will be able to see yourself in the future you want and know the steps needed to get there. Brian David Johnson has spent a quarter century helping governments, schools, corporations, and small businesses shape the future—now, he wants to help you. In *The Future You*, Johnson distills his work as an applied futurist and gives readers the practical tools to craft the future they've always wanted. Offering a unique combination of practical guidance, interactive workbooks, and compelling real-life stories, *The Future You* empowers readers to break through the fear of uncertainty. Whether you want to find your new passion, switch your career, or make a personal change, fear holds so many of us captive and prevents us from taking the steps necessary to start now. You no longer have to just dream about a better future, you can turn those plans, those ideas, and those hopes into reality.

Head in the Game [London] Religious Tract Society

Revenge, rejection, resilience and revival: they're all represented in this collection of fourteen short stories from author Pauline Wiles. Ranging in length from just 99 words to long-enough-for-a-second-cup-of-tea, these stories feature locations from Switzerland to Seattle and the popular fictional English village of Saffron Sweeting in between. Some are light, several are quirky and one or two a little on the darker side. They explore the meaning of family, the search for true love, and the overwhelming importance of home.

The Deepening Night Notion Press

What if you stopped killing and found yourself capable of love?Evan Markham is rich, handsome, and pissed that someone left a dead body in the guest house of his Colorado estate. Evan's wife, Corie, called the cops when she found her friend murdered. A perfectly normal reaction. And one that unwittingly puts her husband at risk.Because Evan has a past he doesn't want his wife--or the police--to find out about. Denver Homicide Detective Jack Fariel has a past too . . . with Evan's wife. Jack is dealing with some major health issues and doesn't need a load of guilty memories from his past.Evan is a complex man, husband, and killer of a unique kind. Jack's focus and tenacity makes him a killer's worst nightmare. Both men must unravel a web of deceit, murder, lost love, and regret to uncover the truth.With complex, fully developed characters, the reader will end up sympathizing with the hunter as well as the hunted. A serial killer finds himself capable of love, and it's his downfall. A detective finds himself haunted and ultimately rescued by the past. Killing Streak is a dark, psychological thriller that shows both the destructive and redemptive aspects of love.Set in Denver, Killing Streak has more twists and turns than a Rocky Mountain road has switchbacks and the Colorado weather becomes, almost, another character.Gripping, fast-paced, with a complex plot, fans of J.A Jance, James Patterson, and Harlan Coben will enjoy Killing Streak.Killing Streak is the winner of the 2015 Colorado Independent Publisher's Association EVVY Award and a Quarterfinalist in the Amazon Breakthrough Novel contest. It's the first in a series featuring Denver homicide detective Jack Fariel.Praise for Killing Streak"A thriller about old family secrets, bondage and murder.The Fariel chapters are confidently written, and Clark paints a convincing portrait of the Denver Police Department in action. Fariel doesn't have a futuristic crime lab or Sherlockian insights; he just does good police work that's fun to follow."(Kirkus Reviews)"Evan Markham has it all - beautiful wife, a new house in a neighborhood of million-dollar homes, and a successful consulting business. Or is he a Jekyll and Hyde figure who, as his wife, Corie, may come to find out, is into deadly sex games? The first crack in Evan's carefully crafted and controlled life comes with the murder of Brice Shaughnessy, one of Corie's friends. From here, the author crafts a suspenseful thriller that begins with homicide Detective Jack Fariel's

investigation into Brice's murder, which leads him to Corie--his former high school crush. As Jack gets closer to finding the answers needed to solve the case, he also becomes aware of unsolved murders that coincided with Evan's constant travel, revealing that he was not focused solely on business while on the road. A web of deceit, murder, lost love, and regret, coupled with more than a few surprising twists, and sprinkled with a psycho killer or two, make for a better than average serial-killer thriller."(Publishers Weekly)"Graphic, mesmerizing and fearless writing"(Donnell Ann Bell, author of *The Past Came Hunting & Deadly Recall*)"Merit Clark's debut novel is a dark delight. She builds the tension until it becomes intolerableand releases it in a climax that not only satisfies, it satiates. The blood in this story runs hotter than the sex, and the sex sizzles."(Harlan Campbell, author of *Sea of Deception*, *Monkey on a Chain & Jennifer's Weave*)Amazon reader reviews:"Unpredictable, gripping. It took over my life, I couldn't put it down and leave it alone.""I took it on vacation and rationed out the last 100 pages because I didn't want it to end and I didn't want to finish it so fast! The novel is well thought..

The Legacy HarperCollins

He is her savior.She is his salvation.Britain, 670 ADThe day Leofric finds a young woman washed up on a windswept shore his life changes forever.A monk upon the island of Lindisfarena, Leofric is living in exile after shaming his family. The girl he saves is Aelfwyn. Once handmaid to a queen, she is now fleeing from a cruel king.Thrown together by circumstance, Aelfwyn and Leofric escape the north and begin again-only neither is prepared for the bond that builds between them. He helps her heal, while she gives him a chance at redemption.But all too soon, the outside world puts their fragile happiness together at risk. Eventually they understand that in order to escape the past, they must face it. _____THE WHISPERING WIND is Book #1 of The Kingdom of Northumbria series: three Historical Romance novels set in late 7th Century Anglo-Saxon England. The next book in the series, WIND SONG, will be released in late 2017.

Getting from Here to There Beth Williamson

Double-finalist (Romantic Suspense and Best First Book) in the 2013 Booksellers' Best Awards Top Pick, 5 Stars from The Romance Reviews (TRR) - "This story truly exceeded my expectations. Revenge is action packed, and when the pace picks up, it does not slow down.... Pick up this book today; it will grab your attention from the beginning. I cannot wait to read the next book." "Here is to a WHOOPING 5 Stars. If I had to describe this book in about 4 words it would be action-packed, sexy, romantic, and adrenaline rushing.... This would make a kick butt movie! There were times when I was fanning myself, sitting on the edge of my seat, and so mad I had to put it down. The steamy scenes were oh so delicious!" -- Bengal Reads blog, 5 stars ENRICO LUCCHESI I do not like to be denied anything I want. And I want Kate Andretti with a fire that burns me to ash. Carlo Andretti wants Kate too... and my fortune, my estate, my empire. Most of all, he wants my death. Just as I want his. The vendetta between our families is old and deep. Only one of us can win, and only one of us can have Kate. Carlo believes that he can take what's mine, that he can break me and make me crawl. But I'm Enrico Lucchesi. And a Lucchesi always gets what he wants. KATE ANDRETTI My mother always said my impulsiveness would get me into trouble. She was right. Marrying a man I barely knew, letting him take me to Italy... not my best decisions. Especially when I now know what the "family business" really is. I want out of this life, and I want out of Italy. But the only person willing to help me escape the Andrettis is Enrico Lucchesi. And he wants me to stay in this world that I can't bear to be part of. The vows these men take talk about "blood and

honor." But I know what this life is: it's blood and danger. It's blood and death. And I'm not ready to be a Mafia don's wife. ***** CONTENT WARNING: Revenge is a dark Mafia romance that contains graphic language, sexual situations, and violence. You have been warned. The Faithful Dana Delamar

What's the recipe for a second chance at love? After six blissful years with scientist boyfriend Owen, Bella Beecham was convinced he was about to pop the question she'd been longing to hear. Instead, he accepted a prestigious job in California and left England without a backwards glance. Now, Owen's back in the village of Saffron Sweeting, and appears to be more eligible than ever. Bella's determined that the man of her dreams won't slip through her fingers again. But her plans to tone up, trim down, and tempt Owen back into her life prove bittersweet. Although Bella's talent for baking wins her new friends, her tasty treats have a disconcerting tendency to sabotage her own intentions. And as her increasingly bold attempts to recapture Owen's heart stumble, Bella must question whether she's chasing a guy who wants to be caught. A British romantic comedy featuring both familiar characters and fresh faces, *Sweet Pursuits* explores how a young woman seeking her soulmate must first learn to love herself.

Revenge: A Mafia Romance (Blood and Honor, #1) The Future You

Amazon #2 Dystopian Bestseller. Amazon Top 20 Science Fiction Bestseller. 2013 Amazon Breakthrough Novel Contest Quarterfinalist. 2013 Kindle Book Review Best Indie Book of the Year Semifinalist. "[World of Shell and Bone] struck me as a cross between *The Road* and *Children of Men*... Well-written and inventive...This is the kind of book an avid reader could devour in one sitting." -Lindsey Alexander, former editor at HarperCollins "[Falls]'s writing manages to be chilling and beautiful, often in the same sentence, and her world building is fantastic... *World of Shell and Bone* is a powerful debut." -A.G. Henley, bestselling author of *The Scourge* In a world ravaged by a nuclear holocaust, Vika Cannon knows there are no guarantees: no guarantees of safety, no guarantees that your neighbor is not actually a spy for the government, and no guarantees you'll be allowed to emigrate to a new life in China. New Amana is dying. Food and water are scarce, and people suffering from radiation-caused mutations--the Nukeheads--are the new class of homeless. Vika has just one purpose: to produce healthy progeny using a Husband assigned by the Match Clinic. Unhealthy children are carted away to Asylums to be experimented on, just as Vika's little sister Ceres was, eight years ago. Parents incapable of producing healthy progeny are put to death in gas chambers. When she's assigned a Husband shortly after her twentieth birthday, Vika expects him to be complacent and obedient. But Shale Underwood has a secret. He is a member of the Radicals, the terrorist group intent on overthrowing the government. And Shale has information about Ceres. As she learns more about the Rads's plan, Vika finds herself drawn to Shale in ways she'd never imagined. When freedom calls in the way of a healthy pregnancy, will she betray her government and risk death for Shale and Ceres?
