Cursive Handwriting Workbook for Kids: Learning Cursive for 2nd 3rd 4th and 5th Graders, 3 in 1 Cursive Tracing Book Including over 100 Pages of Excercises with Letters, Words and Sentences Recommended by teachers Did you know that the learning process of writing by hand helps train up the child's brain to practice and improve on several skills all at once: visual, touch, and motor. Learning cursive handwriting in children has been found to be vital for every child's spelling skills and fluency, as thorough practice enables them to recognize words as they read them later on. It's been suggested that cursive writing provides the brain similar benefits as when it learns to play a musical instrument. All the handwriting practices in this book are designed to encourage writing proficiency, while they learn the English language, at the same time. This workbook is great for writing beginners in 2nd, 3rd, 4th and 5th grade. It can also be fun for preschool and kindergarten kids who wants to learn cursive since the book has funny images of cats and dogs. What's inside?: Part 1 starts off with the alphabet where writing letters in both capital and lowercase forms are practiced through tracing and connecting the dots. Each letter is presented with directional arrows to guide the hand movements of the child as he or she learns to write. We've also added the numbers 1-10 to the first chapter. Part 2 consists of age-appropriate words to be traced and copied. Part 3 moves on to practicing sentences. Unlike other cursive workbooks this book has plenty of space with a whole page for practicing each letter. This is a fun cursive workbook choice for all parents who hope to begin teaching cursive to beginners and engage their kids in stimulating cursive handwriting practice. Cursive Handwriting Workbook For Teen Girls with Inspirational Quotes Independently Published

Teaching cursive handwriting to middle school and high school teens has never been easier. Learning Cursive: Handwriting Practice Workbook for Teens, provides extensive focus on cursive letter and sentence formation. This cursive handwriting workbook for teens contains more than 20,000 cursive tracing units. It includes a cursive alphabet chart with guided stroke/directional arrows; a paper position guide detailing appropriate writing posture; uppercase and lowercase cursive letter tracing and freehand practice sheets; and finally, freehand practice sheets using text from the U.S. Constitution, Bill of Rights, and Declaration of Independence. The introduction section features a full-page format that focuses on one uppercase and lowercase cursive alphabet per page- a method that allows for thorough practice when learning to write each letter correctly. Over 200 opportunities to trace each cursive letter is given before your teen is presented with a freehand cursive practice page. When teaching cursive handwriting to teens, daily practice should be encouraged. Daily practice allows spacing between words to become consistent. In order to make teaching cursive more effective, guided lines have been provided. Guided lines make cursive letter formation and word spacing simple and effective. Why is Learning Cursive: Handwriting Practice Workbook for Teens an important addition to your teen's curriculum? According to a 2013 New York Times article, "Learning to write in cursive is shown to improve brain development in the areas of thinking, language and working memory. Cursive handwriting stimulates brain synapses and synchronicity between the left and right hemispheres, something absent from printing and typing. As a result, the physical act of writing in cursive leads to increased comprehension and participation. The College Board found that students who wrote in cursive for the essay portion of the SAT scored slightly higher than those who printed." This handwriting book is perfect for teens improving cursive penmanship. Learning Cursive: Handwriting Practice Workbook for Teens is a great resource for the homeschool classroom as well as public and private 1st grade, 2nd grade, and 3rd grade classrooms. It's a great companion to other printed and cursive alphabet handwriting programs such as Zaner-Bloser, D'Nealian Cursive, and Kumon. This 260 page cursive workbook for teens is superior to one-page printable cursive worksheets.

Learning Cursive with Inspirational Quotes for Young Adults, 3 in 1 Cursive Tracing Book Including Over 130 Pages of Exercises with Letters, Words and Sentences

Cursive is a foundation skill. writing words in cursive is something that many kids want to do around the second grade. Cursive seems like a "grown up" style of communication that kids see adults or older students using and they try to make swoopy writing on their own. Children need handwriting practice beyond second grade to build cognitive automaticity. cursive instruction is critical for student success
