An account of World War II from 1943 to June 5, 1944 tracing the liberation of France and the slow collapse of Nazi Germany

Churchill by Himself Oxford University Press, USA

"An interesting and at times surprising account of Churchill's tastes as a reader...many of [these] nuggets will be new even to Churchill junkies."—TheWall Street Journal This strikingly original book introduces a Winston Churchill we haven't known before. Award-winning author Jonathan Rose explores Churchill's careers as statesman and author, revealing the profound influence of literature and theater on Churchill's personal, carefully composed grand story and the decisions he made throughout his political life. In this expansive literary biography, Rose provides an analysis of Churchill's writings and their reception (he won the Nobel Prize for Literature in 1953 and was a

best-selling author), and a chronicle of his dealings with publishers, editors, literary agents, and censors. The book also identifies an array of authors who shaped Churchill's own writings and politics: George Bernard Shaw, H. G. Wells, Margaret Mitchell, George Orwell, Oscar Wilde, and many more. Rose investigates the effect of Churchill's passion for theater on his approach to reportage, memoirs, and historical works. Perhaps most remarkably, Rose reveals the unmistakable influence of Churchill's reading on every important episode of his public life, including his championship of social reform, plans for the Gallipoli invasion, command during the Blitz, crusade for Zionism, and efforts to prevent a nuclear arms race. Finally, Rose traces the significance of Churchill's writings to later generations of politicians—among them President John F. Kennedy as he struggled to extricate the U.S. from the Cuban Missile Crisis. "Immensely enjoyable...This gracefully written book is an original and textured study of Churchill's imagination."—The Washington Post

Darkest Hour A&C Black

Winston Churchill was one of the giants of the twentieth century. As Britain's prime minister from 1940 to 1945, he courageously led his nation and the world away from appeasement, into war, and

on to triumph over the Axis dictators. His classic six-volume account of those years, *The Second World War*, has shaped our perceptions of the conflict and secured Churchill's place as its most important chronicler. Now, for the first time, a book explains how Churchill wrote this masterwork, and in the process enhances and often revises our understanding of one of history's most complex, vivid, and eloquent leaders. In *Command of History* sheds new light on Churchill in his multiple, often overlapping roles as warrior, statesman, politician, and historian. Citing excerpts from the drafts and correspondence for Churchill's magnum opus, David Reynolds opens our eyes to the myriad forces that shaped its final form. We see how Churchill's manuscripts were vetted by Whitehall to conceal secrets such as the breaking of the Enigma code by British spymasters at Bletchley Park, and how Churchill himself edited the volumes to avoid offending postwar statesmen such as Tito, Charles de Gaulle, and Dwight D. Eisenhower. We explore his confusions about the true story of the atomic bomb, learn of his second thoughts about Stalin, and watch him repackage himself as a consistent advocate of the D-Day landings. In *Command of History* is a major work that forces us to reconsider much received wisdom about World War II. It also peels back the covers from an unjustly neglected period of Churchill's life, his "second wilderness" years,

1945—1951. During this time Churchill, now over seventy, wrote himself into history, politicked himself back into 10 Downing Street, and delivered some of the most vital oratory of his career, including his pivotal “iron curtain” speech. Exhaustively researched and dazzlingly written, this is a revelatory portrait of one of the world’s most profiled figures, a work by a historian in full command of his craft. “A fascinating account that accomplishes the impossible: [Reynolds] actually finds something new and interesting to say about one of the most chronicled characters of all time.” –The New York Times Book Review A New York Times NOTABLE BOOK OF THE YEAR A BEST HISTORY OF THE YEAR SELECTION –The New York Sun NOTE: This edition does not include photographs.

Walking with Destiny Yale University Press

In this stirring book, Martin Gilbert tells the intensely human story of Winston Churchill's profound connection to America, a relationship that resulted in an Anglo-American alliance that has stood at the center of international relations for more than a century. Winston Churchill, whose mother, Jennie Jerome, the daughter of a leading American entrepreneur, was born in Brooklyn in 1854, spent much of his seventy adult years in close contact with the United States. In two world wars, his was the main British voice urging the closest possible cooperation with the United States. From before the First World War, he understood the power of the United States, the "gigantic boiler," which, once lit, would drive the great engine forward. Sir Martin Gilbert was appointed Churchill's official biographer in 1968 and has ever since been collecting archival and personal documentation that explores every twist and turn of Churchill's relationship with the United States, revealing the golden thread running through it of friendship and understanding despite many setbacks and disappointments. Drawing on this extensive store of Churchill's own words -- in his private letters, his articles and speeches, and press conferences and interviews given to American journalists on his numerous journeys throughout the United States -- Gilbert paints a rich portrait of the Anglo-American relationship that began at the turn of the last century. Churchill first visited the United States in 1895, when he was twenty-one. During that first visit, he was invited to West Point and was fascinated by New York City. "What an extraordinary people the Americans are!" he wrote to his mother. "This is a very great country, my dear Jack," he told his brother. During three subsequent visits before the Second World War, he traveled widely and formed a clear understanding of both the physical and moral strength of Americans. During the First World War, Churchill was Britain's Minister of Munitions, working closely with his American counterpart Bernard Baruch to secure the material needed for the joint war effort, and argued with his colleagues that it would be a grave mistake to launch a renewed assault before the Americans arrived. Churchill's historic alliance with Franklin Roosevelt during the Second World War is brilliantly portrayed here with much new material, as are his subsequent ties with President Truman, which contributed to the Truman Doctrine and the Marshall Plan. In his final words to his Cabinet in 1955, on the eve of his retirement as Prime Minister, Churchill gave his colleagues this advice: "Never be separated from the Americans." In *Churchill and America*, Gilbert explores how Churchill's intense rapport with this country resulted in no less than the liberation of Europe and the preservation of European democracy and freedom. It also set the stage for the ongoing alliance that has survived into the twenty-first century.

A Life Macmillan

The astounding life and career of one of modern history’s great public figures continues in the third volume of the acclaimed multivolume biography. Acclaimed British historian Sir Martin Gilbert continues the official biography of Sir Winston Churchill. This volume contains a full account of Churchill’s initiatives and achievements as wartime First Lord of the Admiralty between August 1914 and May 1915. These include his efforts to prolong the siege of Antwerp, his support for the use of air power, and his part in the early development of the tank. It shows the forcefulness with which he argued for an offensive naval policy, first against Germany, then against Turkey. Gilbert examines the political crisis of May 1915, during which the Conservative Party forced Asquith to form a coalition government. The Conservatives insisted that Churchill leave the center of war policymaking for a position of increasing political isolation. In the next seven months, while the Gallipoli campaign was being fought, Churchill served as Chancellor of the Duchy of Lancaster, with no authority over military or naval policy. Resigning from the Cabinet in November 1915, Churchill was appointed Lieutenant-Colonel, commanding an infantry battalion in the trenches of the Western Front. In May 1916, he returned from the trenches, hoping to reenter political life, but his repeated attempts to regain his once-substantial influence were unsuccessful. “A milestone, a monument, a magisterial achievement . . . rightly regarded as the most comprehensive life ever

written of any age.” —Andrew Roberts, historian and author of *The Storm of War* “The most scholarly study of Churchill in war and peace ever written.” —Herbert Mitgang, *The New York Times*

Winston Churchill Running Press

New York Times bestselling biographer Barbara Leaming has written a riveting political drama of the last ten years of Winston Churchill's public life. In *Churchill Defiant*, Leaming tells the tumultuous behind-the-scenes story of Churchill's refusal to retire after his 1945 electoral defeat, and the bare-knuckled political and personal battles that ensued. Her ground-breaking biography Jack Kennedy: The Education of a Statesman, was the first to detail Churchill's extraordinary influence on Kennedy's thinking. Now in *Churchill Defiant*, Leaming gives us a vivid and compelling narrative that sheds fresh light on both the human dimension of Winston Churchill and on the struggles and achievements of his final years. At last, in Leaming's eloquent account, we understand the tangled web of personal relationships and rivalries, the intricate interplay of past and present, the looming sense of history that makes the story of these years as fascinating as anything in the extraordinary century-long saga of Winston Churchill's life.

London to Ladysmith & Ian Hamilton's March Simon and Schuster

Aimed at students, scholars, collectors and dealers, this guide to Winston Churchill's books is designed as a reference when hunting for, or reading, Winston Churchill's books. Its purpose is to inform people of what they are holding in their hands and how to tell a first edition from a reprint. *The Boer War* Rosetta Books

A great statesman, a masterful historian whose writings won him the Nobel Prize for literature and a war-time leader with few peers, Sir Winston Churchill is remembered perhaps most clearly today for the sheer power of his oratory: the speeches that rallied a nation in its darkest hour and steeled that nation for victory against the might of the Fascist powers. *Never Give In!* celebrates this oratory by gathering together Churchill's most powerful speeches from throughout his public career. Carefully selected by his grandson, this collection includes all his best known speeches - from his great war-time broadcasts to the "Iron Curtain" speech that heralded the start of the Cold War - and many lesser known but inspirational pieces. In a single volume *Never Give In!* provides a powerful testimony to one of the great public figures of the 20th century.

Churchill Ebury Press

Churchill (1874-1965) was one of the 20th century's most charismatic and controversial characters. He escaped from capture as a prisoner of war in the Boer War, was a Nobel Prize-winning author and was twice prime minister. He is best remembered as the astute and powerful orator who inspired a battered Britain to victory against Nazi Germany during World War 2 and led the post-war, shattered nation to recovery. Richard Langworth, co-chairman and editor of The Churchill Centre, has spent over 20 years researching Churchill's written and spoken words. In *Churchill in His Own Words*, which is fully authorised by the Churchill Estate, Langworth has edited and annotated this library to make the definitive collection of Churchill's words, thematically arranged. He also highlights the myriad quotations commonly mis-attributed to Churchill. From his meetings with world leaders such as Roosevelt, de Gaulle and Stalin, his verbal engagements with Hitler and the Third Reich, to his wit and oratory on the floor of the Commons, every facet of Churchill's life and times is explored with his own pragmatic intelligence, sharp humour and legendary wisdom. Previously published in hardback as *Churchill in His Own Words*. This edition fully revised and updated.

Churchill's Wit GENERAL PRESS

From the acclaimed novelist and screenwriter of *The Theory of Everything* comes a revelatory look at the period immediately following Winston Churchill’s ascendancy to Prime Minister—soon to be a major motion picture starring Gary Oldman. “He was speaking to the nation, the world, and indeed to history...” May, 1940. Britain is at war. The horrors of blitzkrieg have seen one western European democracy after another fall in rapid succession to Nazi boot and shell. Invasion seems mere hours away. Just days after becoming Prime Minister, Winston Churchill must deal with this horror—as well as a skeptical King, a party plotting against him, and an unprepared public. Pen in hand and typist-secretary at the ready, how could he change the mood and shore up the will of a nervous people? In this gripping day-by-day, often hour-by-hour account of how an often uncertain Churchill turned Britain around, the celebrated Bafta-winning writer Anthony McCarten exposes sides of the great man never seen before. He reveals how he practiced and re-wrote his key speeches, from ‘Blood, toil, tears and sweat’ to ‘We shall fight on the beaches’; his consideration of a peace treaty with Nazi Germany, and his underappreciated role in the Dunkirk evacuation; and,

above all, how 25 days helped make one man an icon. Using new archive material, McCarten reveals the crucial behind-the-scenes moments that changed the course of history. It’s a scarier—and more human—story than has ever been told. “McCarten’s pulse-pounding narrative transports the reader to those springtime weeks in 1940 when the fate of the world rested on the shoulders of Winston Churchill. A true story thrillingly told. Thoroughly researched and compulsively readable.”—Michael F. Bishop, Executive Director of the International Churchill Society

The Definitive Wit of Winston Churchill Rosetta Books

Seven Pillars of Wisdom is a memoir of the soldier known as 'Lawrence of Arabia.' Lawrence is a fascinating and controversial figure and his talent as a vivid and imaginative writer shines through on every page of his masterpiece. ‘Seven Pillars of Wisdom’ written between 1919 and 1926, is an extraordinary tale of action, politics and adventure. The story describes heroism through instances of war by a man who not only shaped events but was molded by them. The genre of the book can be related to many broad subjects like political history, military strategy, pathology or travel story. Lawrence, known as the defender of the empire, had found war in the Arab world and a long-lasting sideline to the War to End All Wars. This war produced more war during the time, in which, along with many other eminent writers, Lawrence was also involved. Seven Pillars of Wisdom provides a unique portrait of this extraordinary man and an insight into the birth of the Arab nation.

Churchill Unicorn PressLtd

As riveting as the man it portrays, Warlord is a masterful, unsparing portrait of Winston Churchill, one of history’s most fascinating and influential leaders. Carlo D’Este’s definitive chronicle of Churchill’s crucial role in the major military campaigns of the 20th century, Warlord uses extensive, untapped archival materials to provide “a very human look at Churchill’s lifelong fascination with soldiering, war, and command.” (Washington Post)

Churchill Michael O'Mara Books

Charismatic, erudite, and often controversial, Winston Churchill was one of the most inspiring leaders of the twentieth century, and one of its greatest wits. His much-celebrated sense of fun and mischief has led to many of his jokes and ripostes becoming almost as well known as his famous wartime speeches. Gloriously comprehensive, *The Definitive Wit of Winston Churchill* includes all Churchill's most famous quips and witticisms, and even an appendix of quotes falsely attributed to Churchill. The only book of its kind to be sanctioned by the Churchill estate and to track down each quotation to its source, it captures the great statesman at his most eloquent, witty, and engaging and makes a great gift for the holidays and special occasions year-round.

How Churchill Brought England Back from the Brink PublicAffairs

“A richly textured and deeply moving portrait of greatness” (Los Angeles Times). In this masterful book, prize-winning historian and authorized Churchill biographer Martin Gilbert weaves together the research from his eight-volume biography of the elder statesman into one single volume, and includes new information unavailable at the time of the original work’s publication. Spanning Churchill’s youth, education, and early military career, his journalistic work, and the arc of his political leadership, *Churchill: A Life* details the great man’s indelible contribution to Britain’s foreign policy and internal social reform. With eyewitness accounts and interviews with Churchill’s contemporaries, including friends, family members, and career adversaries, it provides a revealing picture of the personal life, character, ambition, and drive of one of the world’s most remarkable leaders. “A full and rounded examination of Churchill’s life, both in its personal and political aspects . . . Gilbert describes the painful decade of Churchill’s political exile (1929-1939) and shows how it strengthened him and prepared him for his role in the ‘hour of supreme crisis’ as

Britain's wartime leader. A lucid, comprehensive and authoritative life of the man considered by many to have been the outstanding public figure of the 20th century." —Publishers Weekly "Mr. Gilbert's job was to bring alive before his readers a man of extraordinary genius and scarcely less extraordinary destiny. He has done so triumphantly." —The New York Times Book Review

The Definitive Book on the Churchill Method of Instinctive Wingshooting for Game and Sporting Clays PublicAffairs

A unique biography that explores how Churchill viewed, pursued, and used power, by the award-winning author of Napoleon and the Art of Diplomacy. Many indeed, are the biographies of Winston Churchill, one of the most influential figures of the twentieth century. But what was that influence and how did he use it in the furtherance of his and his country's ambitions? For the first time,

Professor William Nestor has delved into the life and actions of Churchill to examine just how skillfully he manipulated events to place him in positions of power. His thirst for power stirred political controversy wherever he intruded. Those who had to deal directly with him either loved or hated him. His enemies condemned him for being an egoist, publicity hound, double-dealer, and Machiavellian, accusations that his friends and even he himself could not deny. He could only serve Britain as a statesman and a reformer because he was a wily politician who won sixteen of twenty-one elections that he contested between 1899 and 1955. The House of Commons was Churchill's political temple, where he exalted in the speeches and harangues on the floor and the backroom horse-trading and camaraderie. Most of his life he was a Cassandra, warning against the threats of Communism, Nazism, and nuclear Armageddon. With his ability to think beyond mental

boxes and connect far-flung dots, he clearly foretold events to which virtually everyone else was oblivious. Yet he was certainly not always right and was at times spectacularly wrong. This is the first book that explores how Churchill understood and asserted the art of power, mostly through hundreds of his own insights expressed through his speeches and writings.
