Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

Highway Safety Literature Maggioli Editore

Reliant produced a range of sports cars from the 1960s to the 1990s which complemented their well-established three-wheeled cars. Starting with a design for Israel's Autocars in 1961, Reliant went on to produce many successful cars, including the Sabre, a raw two-seat sports car; the Scimitar GT, a solid GT car; the Scimitar GTE, a market-defining sporting estate car; and the SS1, a small two-seat sports car. Reliant Sabre, Scimitar and SS1- An Enthusiast's Guide explores the history, design and development of the Reliant sports car. Beginning with the Autocars Sabra, the Sabre, Scimitar, Scimitar GTE and SS1 are each explored in depth. This book includes full technical specifications for every major model, owners' experiences and advice for buying and owning. Richly illustrated with 130 colour and 7 black & white photographs.
