"What do you do when you write down all your secrets? No...that's not enough. What do you do when you write down all your secrets and the one person who should never read them does? I'll tell you what you do. You hope."
--	--	---

REN Ren didn't know the meaning of love until he took Della for his own. To begin with, he hated her, but as the months bled into years, he learned the opposite of hate, dedicating his life to giving her everything. Every sacrifice, every gift, he gave wholeheartedly. But then love turned to lust and ruined everything. DELLA I was stupid to write down my secrets, but

I'd been stupid before, so it was nothing new. I couldn't blame him, hate him, fix him. I tried to move on without him. But no matter what I did, I couldn't seem to delete the secrets I'd written. Until something happened. Until he came back and read my stupid secrets. And nothing was the same after that. *Lust, Love, and Life* Knox Publishing, LLC In As Time Goes By in Hell, Cynthia

Wells redefines the universal concept of hell and weaves a gripping satire of violence, sex, betrayal and retribution. The book revolves around two beautiful cousins, Veronica Howard and Kristen Leigh Abbott, who are leading members of Houston society. Although polar opposites, the two are bound by an innate, almost obsessive love for each other after they rise above poverty

and survive sexual abuse. Veronica becomes one of the best defense lawyers in Houston, while Kristen uses the money of her four millionaire husbands to surgically enhance what nature had already given her. The lives of the pair are irrevocably altered when handsome and seductive lawyer Jason Ross returns to town. As a teenage victim, he had once captured Veronica's sympathy in the most

brutal case of her career. Murders, romantic triangles and shocking revelations are newly brewing and these result in unforgivable sins that send one cousin to burn in Hell. There she is forced to glimpse those she loved and whom she thought loved her, hurting all over again, only in a constant barrage of video replays. With its intriguing characters and a gripping storyline, As Time Goes By

in Hell will keep readers turning the pages until the final revelation is made. All proceeds from the sale of this novel will be donated to the American Cancer Society, in loving memory of the author's brother Gene and others who died to soon. *Finding Your Place in the Heart of God* Createspace Independent Publishing Platform The general opinion of Warren Harding is that

he has been justly ranked as the “Worst” of our Presidents, based largely on the corruption that was brought to light after his death. The truth is, however, that he had no personal involvement in any of the scandals perpetrated by members of his Administration, some of whom, like Jess Smith, an unofficial aid to the Attorney General, engaged in notorious

grafting that often netted six figure rewards. Harding, by contrast, died a debtor. Neither a lawyer or general, Harding, head of a rural Ohio newspaper, was not considered an appropriate candidate for high office, no less the Presidency. But an awareness of shortcomings, lead to his making a studious effort to overcome them-- successfully, as recorded by leading reporters like

William Allen White. As spelled out in this book, there is much to be said on the positive side of Harding’s Presidency. Due recognition is given to his accomplishments. In his first year in office, for example he convened a Disarmament Conference and got Congress to ratify the Four Nation Treaty to reduce naval armament. He also created the Bureau of the Budget. Early on, a New York

Times story was headlined "Harding Assumes Real Leadership as Congress lags." In contrast to his performance as President, handsome Warren was beset by a sex addiction that lead to numerous infidelities, the principal ones being with Carrie Phillips, wife of a friend, and Nan Britton, a hometown admiring young lady, 31 years his junior. Nan's memoir of an affair which blossomed into love

covered the last six years of Harding's life. Though generally mentioned, and equally suppressed, its intimate content, is, herewith for the first time set forth in detail that reveals a crucial aspect of Harding's oft mentioned love life. Simon and Schuster  
When arriving in Atlanta after a hurricane, Lisa notices a Help Wanted sign in a boutique. She applies for the job to help take care of Ida Stanford. Ida encourages Lisa to finish her degree in psychology. While on a doctor's visit, Lisa meets Carolyn Young and Carla Coleman, and they become best friends. Lisa bumps into a man at her fashion show, and

later, she sees the same man being wheeled into the hospital—a victim of a hit-and-run. He is identified as Chris Weber, a man Lisa is interested in. The same day Lisa meets Chris Weber, her life changes, and Chris notices the same thing and now has an interest in Lisa. Eddie Jones is a rich man with two sons, Devin and Jason. Eddie is a man with many secrets, and after he buries his son Devin, he finds that

his home security somehow keeps showing him the home of Lisa Washington. He watches daily as a dark entity kills his wife years ago and tries to kill his sons. Not long after, Eddie realizes why the entity is stalking Lisa—it is because of Chris Weber, the man his son Devin crashed into on a dark road after seeing a dark presence. Chris tries to protect Lisa from the dark entity. Only Eddie has

different plans for Chris, but when Chris gets his memory back, he forgets about Lisa. Lisa finds out that Ida and Ellen and Judy all harbor dark secrets, which have Lisa and her friends fighting for their lives. *Contract Bride* iUniverse
