 Pepper and Jake love herding sheep in the little valley where they live. But there's a problem— a big problem. Urk, a giant who lives on a nearby mountain, is big and stinky and doesn't care that dumping dirty laundry water in the nearby stream causes a flood down below every single week. So Pepper and Jake hike to Urk's mountaintop lair to confront him. But there's no reasoning with a giant, especially one who gives cryptic puzzles to solve. If the kids can solve it, Urk will move away. If not, Pepper and Jake (and their sheep) will be the featured ingredients in Urk's next bowl of smelly soup!

multiverse. Now he must choose between returning to Earth or saving Terra—and the girl he loves—and discovering his true home. In this epic coming-of-age sequel to *TERRA*, Earth-born Larry Barnes discovers his ability to move through the multiverse via a portal of his own creation. A powerful and dangerous ability, Larry seeks the council of a priest named Affron, who has the same ability. But when Larry discovers Affron has disappeared from Terra, he risks following him to Elysium, leaving his friend Palta behind. Palta, meanwhile, joins the rebellion against the new rulers of Terra, who turn out to be cruel and greedy tyrants while all the time longing for Larry

Years have passed, he is a young man now, misses Palta, and knows his family on Earth must think him long dead. Sometimes big stories happen in small places. Sometimes big things happen to small creatures. This is one of those stories . . . Cecil is a toad. A toad

busy doing what any other toad does with its days--judging the pond splashing contest (Reggie the fly is usually the honorary winner by dint of his five-day lifespan), or visiting his friends, Jeff the free-range hamster, Rayray the lizard, Jeremy the worm, or Sprout the frog. And, of course, trying to keep clear of the local hawk. But when Cecil discovers a freeway construction project aimed right at the pond, he knows he has to come up with a plan to save his home. But what can a small group of amphibians and a reincarnating fly do against construction vehicles and a steady onslaught of hot asphalt? Cecil isn't sure, but he knows they have to try.

Discover the fantasy novels that have earned raves from George R. R. Martin and Maze Runner author James Dashner, won a Locus Award and an Alex Award, and claimed best-of-the-year honors in Time, The Washington Post, and BuzzFeed. From a crippled slave whose appearance belies his dangerous ambitions, to “a girl who makes Katniss Everdeen look like Dorothy” (Chicago Tribune), an unforgettable cast of characters populate this addictive series, now together in one epic ebook bundle: HALF A KING HALF THE WORLD HALF A WAR Prince Yarvi has vowed to regain a throne he never wanted. But first he must survive cruelty, chains, and the bitter waters of the

Shattered Sea. And he must do it all with only one good hand. Born a weakling in the eyes of his father, Yarvi is alone in a world where a strong arm and a cold heart rule. He cannot grip a shield or swing an axe, so he must sharpen his mind to a deadly edge. Gathering a strange fellowship of the outcast and the lost, he finds they can do more to help him become the man he needs to be than any court of nobles could. But even with loyal friends at his side, Yarvi learns that his path may end as it began—in twists, and traps, and tragedy. Praise for the Shattered Sea series “The Shattered Seas trilogy has worked its way into a very exclusive group of my favorite fantasy novels

of all time. The pacing is perfect, the characters deep and true and real, the world rich and authentic, the plot full of twists and turns. Perhaps my favorite part is that no one is purely good or evil: Each and every character has layers upon layers that are a joy to discover. I tore through all three books and truly hope that someday Joe Abercrombie returns to this magnificent, captivating world.”—James Dashner, #1 New York Times bestselling author of *The Maze Runner* “A fast-paced tale of betrayal and revenge that grabbed me from page 1 and refused to let go.”—George R. R. Martin, on *Half a King* “Abercrombie’s *Shattered Sea* is a

fantastic yet believable backdrop to Yarvi’s struggle, a vivid imaginary land.”—The Seattle Times, on Half a King “An excellent page-turner . . . full of drama and energy.”—New York Daily News, on Half the World “Compelling . . . [Thorn] makes Katniss Everdeen look like Dorothy.”—Chicago Tribune, on Half the World “A fantasy for all ages, and all times, [that] rends the soul as compulsively as anything Abercrombie has written to date . . .

Half a War is a success in every way, putting a stupendous capstone on the entire Shattered Sea Trilogy.”—Tordotcom “Abercrombie piles on shocking betrayals and charges his characters a high price for vengeance in this powerful and fitting final volume.”—Publishers Weekly, on Half a War [Stinky Thinking Number 2](#) CreateSpace Pa Lia and her classmates share memories of Stinky Stern, the second-grade bully.
