Are you looking for ways to engage in Prayer and fasting more effectively? In this guide, Dr. Pauline Walley-Daniels reveals how Esther led people in an effective prayer fast that changed their circumstances for life. She explains how to fast and provides important prayer points that are applicable to any situation. Every year, Walley-Daniels's home church and its affiliates set themselves apart to perform a progressive prayer fast based on Esther's encounter. Queen Esther declared the fast when she discovered that Haman, the enemy of the Jews, was plotting to destroy her people. It was a time when all came before God, fasting and crying to Him for family members and for breakthrough and deliverance from any Hamanic decrees enacted against them and their lives. Building on that model, this guide is a song of inspiration, an encouragement through each season of the fast. The insights and practical guidelines it offers enable each of us to break through the challenges and difficulties that confront our environment and our spiritual lives. "Dr. Pauline Walley-Daniels fights a good fight of spiritual warfare. ... She presents powerful, effective prayers that are specific to the

challenges individuals may face in fulfilling their destiny." —Susan Slusher, Dean, Christian International Equipping Network

The Armor of God The Battle Cry Christian Ministries

Do you need twenty one days fasting and prayers, in order to break curses in your life? Do you need to go to the mountain, camps to pray in order to break curses in your life? Do you need to pay money to a prophet/prophetess in order to break curses in your life? The answer to these questions is what this book is all about. Your freedom has been paid for but ignorance kept many where they are, but the right knowledge has come. Now! Curses are terrible. I wallowed in it, so I knew what it meant for someone to wallow under a curse. I am not writing out of a Theological knowledge, but from a prophetic revelation coupled with my experience of wallowing under a curse, and how I got my freedom. "Near success syndrom," that was my case then. It is said, "Nearly cannot kill a bird," and infact that was exactly my story then. Always getting to the edge of breakthroughs but never having them. Something must always go wrong at the edge of every breakthrough. I dreamt, dreamt, but never saw my dreams come to manifestation.

Curses, ah! They are terrible. There is a way out, and infact, the only true way out of all manners of curses, whether generational, parental or, self imposed curses, there is a permanent way out. You may have been doing the trial and error thing, just as I did in the past. I even consulted a witch doctor (Babalawo) to assist me in breaking the curse operating in my life then. He asked me to bring money to get the materials he will use for my freedom, and I gave him, still to no avail. I even encountered fake pastors who used me to learn Taekwondo, Karat, Judo in the name of deliverance. Imagine, they will twist your neck, turn you round and round until you will fall down out of dizziness, and they will say that you have fallen under the anointing. Which anointing? Mechanical anointing. The Native Doctor and the neck twisting of the pastors could not help me, until I discovered THE WAY, the authentic way out of all manners of curses and that is what I am sharing in this book. Do you want to be free permanently? Then come with me and see the way. Let's go. This book Breaking Generational Curses makes no pretense about preaching the gospel of Christ. It showed no shame.

It is an unabashed demonstration of the power of the finished work at Calvary. Curses can be ugly. They can be far-reaching and limiting. But an uglier experience of hanging the Son of God on the rugged and dirty tree at Golgotha has reduced curses to a treated issue. It is a done deal with Christ. What Christ said has finished is finished. This book has further advertised the futility of running helter-skelter. Own it, read it, and practice the tenets. A curse is a counter force that fights blessings. A curse is being greeted with failure where success is smiling at others. A curse is a sentence calling for punishment, injury or destruction on a person, place or thing. A curse is a satanic mandate given to demons to wreck havoc on a person, place or thing. A curse is labouring under the burden of backwardness and stagnancy. A curse is labouring under a closed heaven. This book teaches you the operation, mechanism, manifestation, detection and destruction of curses. It is time for you to learn how to speak destruction unto any curse under which you are labouring.

What happens when conflict threatens to derail friendship?"Friending" is so easy on the surface level, but how do we really know who are friends are? By tuning into His voice above all others, we are free to embrace the broad scope of people God has brought into our lives. Jesus loved above all else in His friendships, and I believe He challenges us to do the same. When we love each other for who we are, the genuine and authentic friendships we crave enrich our lives with a renewed sense of community.
