Ryan Willis has spent years in the protection business, a job that requires constant vigilance and quick thinking. His only chance to truly relax is at his secluded cabin in a small town where there are never any surprises. So when Ryan returns after an assignment and encounters a beautiful stranger, he isn't only surprised, he's also instantly intrigued. Hannah Bright is a breath of fresh air, and Ryan is soon completely consumed, unable to stop from falling for her. As the two grow closer, his instinct tells him something is amiss. Yet nothing could prepare him for what he discovers when he starts digging into her past. Hannah spends her days painting, running her arts and crafts store...and hiding too many secrets. It's why she won't let the ruggedly handsome bodyguard get too close. But their chemistry is undeniable, and Hannah quickly finds herself caught up in a whirlwind romance with Ryan. He is peace personified, a balm to her battered soul. Yet the gorgeous, captivating man who has swept Hannah off her feet doesn't even know who she really is. When a mother is targeted by a dangerous group of masterminds, she must commit a crime to save her kidnapped daughter—or risk losing her forever—in this "propulsive and original" award-winning thriller (Stephen King). It's something parents do every morning: Rachel Klein drops her daughter at the bus stop and heads into her day. But a cell phone call from an unknown number changes everything: it's a woman on the line, informing her that she has Kylie bound and gagged in her back seat, and the only way Rachel will see her again is to follow her instructions exactly: pay a ransom, and find another child to abduct. This is no ordinary kidnapping: the caller is a mother herself, whose son has been taken, and if Rachel doesn't do as she's told, the boy will die. "You

are not the first. And you will certainly not be the last." Rachel is now part of The Chain, an unending and ingenious scheme that turns victims into criminals—and is making someone else very rich in the process. The rules are simple, the moral challenges impossible; find the money fast, find your victim, and then commit a horrible act you'd have thought yourself incapable of just twenty-four hours ago. But what the masterminds behind The Chain know is that parents will do anything for their children. It turns out that kidnapping is only the beginning. "McKinty is one of the most striking and most memorable crime voices to emerge on the scene in years. His plots tempt you to read at top speed, but don't give in: this writing—sharply observant, intelligent and shot through with black humor—should be savored." —Tana French "A masterpiece. You have never read anything quite like The Chain and you will never be able to forget it." —Don Winslow "Diabolical, unnerving, and gives a whole new meaning to the word "relentless". Adrian McKinty just leapt to the top of my list of must-read suspense novelists. He's the real deal." —Dennis Lehane "Pairing an irresistible concept with a winner protagonist, The Chain promises to be your new addiction once you succumb to the first enticing page." —Alafair Burke "A grade-A-first-rate-edge-of-your-seat thriller. I can't believe what went through my mind while reading it." —Attica Locke
