RISHI LAWRENCE

New Headway Plus Springer

New Headway is the course teachers and learners can rely on. Why? An authoritative integrated syllabus, motivating topics, and clearly focused tasks combine with a real understanding of what works in the classroom. It all makes for effective teaching and effective learning. Tried and tested all over the world, it's probably the most popular course ever written!

New Headway Video Springer

Es gibt einfach nicht genug Zeit für alles auf unserer To-do-Liste. Und wird es niemals geben. Denn in unserer dynamischen und flexiblen Welt scheinen die Aufgaben immer zahlreicher und dringender zu werden. Erfolgreiche Menschen versuchen nicht, alles zu erledigen. Sie lernen stattdessen, sich auf die wichtigsten Aufgaben zu konzentrieren und sicherzustellen, dass diese erledigt werden. Sie „essen ihre Frösche“. Ein altes amerikanisches Sprichwort besagt Folgendes: Wenn du jeden Morgen einen lebendigen Frosch isst, wirst du das Schlimmste, das dich an diesem Tag erwartet, bereits hinter dir haben. Für Tracy ist „Eat that Frog!“ eine großartige Metapher für die Bewältigung Ihrer schwierigsten Aufgabe, die zugleich den größten positiven Einfluss auf Ihr Leben haben kann. "Eat that Frog" zeigt Ihnen, wie Sie jeden Tag organisieren, damit Sie diese kritischen Aufgaben effizient und effektiv bewältigen. Tracy fügt seinem Weltbestseller in dieser vollständig überarbeiteten und erweiterten Ausgabe zwei neue Kapitel hinzu. Sie erfahren zum einen, wie die neuen Technologien Sie dabei unterstützen können, das Wichtige vom Unwichtigen zu unterscheiden. Zum anderen gibt das Buch Tipps, wie Sie angesichts ständiger Ablenkungen, egal ob elektronisch oder analog, Ihre Konzentration aufrechterhalten. Eines bleibt jedoch unverändert: Brian Tracy macht deutlich, was die Voraussetzungen für ein effektives Zeitmanagement sind, nämlich Entscheidungsfreude, Disziplin und Entschlossenheit. Dieses Buch wird Ihr Leben verändern, indem Sie mehr wichtige Aufgaben erledigen werden – und zwar ab heute!

New Headway: Elementary Fourth Edition: Student's Book A Routledge

This book is for anyone who wants to provide their learners with rich and rewarding reading experiences. Drawing on current reading theory, the book promotes the teaching of reading in a theoretically sound way, moving beyond a comprehension-testing approach to reading. The practical part of the book provides a collection of accessible, generic activities so that teachers can support and develop learners' reading skills and strategies. Its scope is wide-ranging, from promoting reading and developing fluency, to exploiting digital sources, using learner-generated texts and assessing reading. Further activities support teachers develop excellence in the teaching of reading through guided reflection and action research.

Headway: Elementary. Teacher's Guide with Teacher's Resource Center New Headway Plus:

Teachers Book Elementary EdHeadwayHeadway is for students who want to use English accurately and fluently, and to communicate with ease in both social and everyday situations. This latest addition to the Headway family offers the beginner and false beginner all the best features of the

Headway package plus the newer features of 'Everyday English' sections, an integrated vocabulary syllabus, and revision and self-access sections after every four units. New HeadwayHeadway: Elementary. Teacher's Guide with Teacher's Resource CenterNew Headway: Elementary Fourth Edition: Student's Book

This project attempts to tackle several challenges: - to experience the variety of different teaching cultures as a source of innovation rather than as an obstacle; - to adopt a pluridisciplinary approach by introducing references taken from the social sciences in order to develop reflection on the role of languages in social cohesion; - to try and provide answers to a question hitherto rarely raised in the didactics of languages and cultures, namely the place of cultural mediation itself. [CoE website]

New Headway Plus Sarup & Sons

The fourth edition of this classic textbook has been revised to reflect recent developments in language teaching and learning yet retains the basic structure and approach so popular with its readers. Teaching and learning content has been updated, particularly taking into account the rise of task-based learning, Conversational Analysis and social models of second language acquisition, changes in national syllabuses and examinations and the increasing controversy over the role of the native speaker target. Each chapter has been revised to stand alone, enabling the text to be taught and studied out of sequence if preferred. A set of focussing questions has also been added to each and further reading sections have been updated. In addition, icons appear throughout the text signalling where extra information - summaries, data, lecture notes, test batteries and more - can be found on the author's accompanying website, www.routledge.com/cw/cook. Second Language Learning and Language Teaching remains the essential textbook for all student teachers of modern languages and TESOL as well as applied linguistics.

Critical Perspectives on Language Teaching Materials Routledge

A solid foundation that builds students' language and confidence. A totally new edition of the world's most trusted English course. Eat that Frog Corwin Press

China's growing economic, military and political stability have, for the first time, started to gain international recognition. As China increasingly opens up to the world, its unique role in the context of economic globalization is becoming more pronounced, which is exemplified by its recent membership of the WTO and Beijing's successful bid to host the Olympic Games. Unsurprisingly, this has resulted in an explosion in the popularity of English language learning in China, which has, in

turn, led to radical reform of the curricula, teaching methods, teacher education and assessment system in China in order to improve standards. This fascinating monograph explores the nature of the implemented English language curriculum in China, focussing, in particular, on the pedagogy of secondary school teachers. There follows an insightful analysis into how such teachers, in different situations and with different backgrounds and motivations, make decisions about what and how they teach, and the extent to which they adapt the promoted methods in their individual teaching environments. The authors then use their findings to propose an innovative and coherent framework, which has far-reaching consequences for pedagogy in China and across the world.

New Headway Elementary. Student's Book with Wordlist + DVD-ROM Oxford University Press, USA

The Routledge Handbook of English Language Teaching is the definitive reference volume for postgraduate and advanced undergraduate students of Applied Linguistics, ELT/TESOL, and Language Teacher Education, and for ELT professionals engaged in in-service teacher development and/or undertaking academic study. Progressing from 'broader' contextual issues to a 'narrower' focus on classrooms and classroom discourse, the volume's inter-related themes focus on: ELT in the world: contexts and goals planning and organising ELT: curriculum, resources and settings methods and methodology: perspectives and practices second language learning and learners teaching language: knowledge, skills and pedagogy understanding the language classroom. The Handbook's 39 chapters are written by leading figures in ELT from around the world. Mindful of the diverse pedagogical, institutional and social contexts for ELT, they convincingly present the key issues, areas of debate and dispute, and likely future developments in ELT from an applied linguistics perspective. Throughout the volume, readers are encouraged to develop their own thinking and practice in contextually appropriate ways, assisted by discussion questions and suggestions for further reading that accompany every chapter. Advisory board: Guy Cook, Diane Larsen-Freeman, Amy Tsui, and Steve Walsh

New Headway: Elementary Student's Book OUP Oxford

English language teaching textbooks (or coursebooks) play a central role in the life of a classroom.

This edited volume contains research-informed chapters focusing on: analysis of textbook content; how textbooks are used in the classroom; and textbook writers' accounts of the materials writing, design, and publishing process.

Second Language Learning and Language Teaching Bloomsbury Publishing

The first four levels of a new video series to accompany the New Headway. It can be used as an additional component to the New Headway, or as a supplement to any course at the appropriate level. Key Features Each level consists of six self-contained comedy stories looking at the lives and misadventures of four people in their twenties who share a house. The syllabus is closely linked to the New Headway. Each episode provides a natural context to consolidate the grammatical, functional and lexical areas covered by the course, and to develop listening skills. Key language is controlled and contextualized throughout. Each episode provides clear grammar and functional language, with an emphasis on developing communicative skills. The video is supported by an Activity Book for students and a Video Guide for teachers. Teacher's Book Teaching notes for each episode Help on using video in the classroom Cultural information Optional activities Answers to exercises where appropriate
