The United States Government Manual
2009-2010 provides comprehensive
information on the agencies of the

legislative, judicial, and executive
branches, As well as quasi-official
agencies, international organisations in
which the United States participates,
boards, commissions, and committees.
Each agency's description consists of a
list of principal officials; a summary
statement of the agency's purpose and
role in the Federal Government; a brief
history of the agency, including its
legislative or executive authority; and a
description of consumer activities,
contracts and grants, employment, and
publications.

Flying Magazine

Provides clear, authoritative entries on
military terms, concepts, arms and
equipment, units and organizations,
battles, and people who have had a
significant impact on the Army.

Laws Governing Marine Inspection, **July 1, 1975**
