unique Interactive

Revision Tutor offers students an exciting and revolutionary new way to revise for their GCSE exams. A book, CD-ROM and tailored links to the UK's most visited revision website combine to create a complete, interactive and personal revision experience that students will love using. The original GCSE Bitesize book contains everything the student needs for basic revision, with all the information clearly laid out over double-page spreads and broken down for quick and instant revision. By using the CD-ROM contained within the book students can really target and focus their revision on the areas they most need help. A digitised, on-screen version of the book features dedicated links to the amazing wealth of additional information and resource found on the BBC Bitesize revision website. Audio clips, additional written material and full-colour pictures, diagrams and charts really bring the subject matter to life and help the student engage fully with the topic they are studying. Interactive practice tests, sample exam questions and the Last Minute Learner' combine to fully prepare

students for their exam. The CD-ROM also contains a useful Revision Planner'. Daily reminders will help students carefully plan and organise their revision, ensuring they make the best use of their time and can focus on the topics most important to them. This Interactive Revision Tutor contains everything a student needs to make their revision fun, focussed and highly productive.

**Geography GCSE** BBC With Revision Workbooks for question practice and Revision Guides for classroom and independent study, our revision resources are the smart choice for those revising for GCSE Geography B: Evolving Planet.

[New Grade 9-1 GCSE Geography Edexcel B: Investigating Geographical Issues - Revision Guide](#) Hodder Education  
 A brand new version of the best-selling enquiry

desk reference text, Know it All, Find it Fast, specifically designed for those working with children and young people in schools, public libraries and at home. Including an invaluable overview of the education system and the school curriculum as well as a comprehensive listing of useful resources by topic, this A-Z covers school subjects from science and maths to reading and literacy, and more general themes such as children's health, wellbeing and hobbies. Each topic is broken down into useful sections that will help to guide your response; Typical questions outline common queries such as 'Have you got any information about volcanoes?' Considerations provides useful hints and tips i.e. 'Geography now encompasses not only physical and human geography but also environmental geography,

social geography, geology and geopolitics.' Where to look lists relevant printed, digital and online resources with useful annotations explaining their scope and strengths  
 Readership: This is the must-have quick reference tool arming librarians and teachers with the knowledge to deal with any queries thrown at them from children and young people as well as their parents and caregivers. It will also be a handy reference for parents and anyone working with children and young people in other organizations such as homework clubs and youth workers.  
*Gcse Geography Revision Guide* Pearson/Education  
 Developed with schools, this book provides students with a revision guide that covers the essential content and skills they need to pass their exam.
