The Murder of Jesus HarperCollins Christian Publishing

From master-expositor and Bible teacher John MacArthur, a
revelatory exploration of what the apostle Paul actually taught
about the good news of Jesus The apostle Paul penned a number
of very pithy, focused passages in his letters to the early church
that summarize the gospel message in just a few well-chosen
words. Each of these key texts has a unique emphasis
highlighting some essential aspect of the Good News. The
chapters in this revelatory new book closely examine those vital
gospel texts, one verse at a time. John MacArthur, host of the
popular media ministry Grace to You, president of the Master's
University and Seminary, and longtime pastor at Grace
Community Church, tackles such questions as, What is the
gospel? What are the essential elements of the message? How
can we be certain we have it right? And how should Christians be
proclaiming the Good News to the world? As always, the answers
John MacArthur gives are clear, compelling, well-reasoned, easy
to grasp, and above all, thoroughly biblical. The Gospel According
to Paul is written in a style that is easily accessible to lay people,
including those who know very little about the Bible, while being
of great value to seasoned pastors and experienced ministers.

The Gospel According to Jesus Crossway

Life as Kim and Krickitt Carpenter knew it was shattered beyond
recognition on November 24, 1993. Two months after their
marriage, a devastating car wreck left Krickitt with a massive
head injury and in a coma for weeks. When she finally awoke, she
had no idea who Kim was. With no recollection of their
relationship and while Krickitt experienced personality changes
common to those who suffer head injuries, Kim realized the
woman he had married essentially died in the accident. And yet,
against all odds, but through the common faith in Christ that
sustained them, Kim and Krickitt fell in love all over again. Even
though Kim stood by Krickitt through the darkest times a husband
can ever imagine, he insists, "I'm no hero. I made a vow." Now
available in trade paper with a new chapter and photo insert, *The
Vow* is the true story that inspired the major motion picture of the
same name starring Rachel McAdams (*The Notebook*), Channing
Tatum (*Dear John*), Sam Neill (*Jurassic Park*), and Academy Award
winner Jessica Lange.

**1 & 2 Peter and Jude MacArthur New Testament
Commentary Set** Thomas Nelson

This package includes the complete two-volume set of 1 Peter

and 2 Peter & Jude from the MacArthur New Testament
Commentary series. The MacArthur New Testament Commentary
series continues to be one of today's top-selling commentary
series. These commentaries from respected Bible scholar and
preacher John MacArthur give a verse-by-verse analysis in
context and provide points of application for passages,
illuminating the biblical text in practical and relevant ways. In 1
Peter, MacArthur demonstrates how this letter, written to
persecuted believers scattered throughout Asia Minor, speaks to
faithful Christians suffering today. Even when believers face trials
and adversity, they can rest in their salvation, live out their
testimony, and look forward to Jesus' return. In 2 Peter & Jude,
both letters address the need to combat false teaching and to
strengthen believers in the truth. In a day when sound doctrine is
devalued, MacArthur's analysis of these warnings has never been
more needed.

How the Master Shaped His Disciples for Greatness, and What He
Wants to Do with You Nelson Bibles

MacArthur writes that when naturalistic and atheistic
presuppositions are being aggressively peddled as if they were
established scientific fact, Bible-believing Christians "ought to
expose such lies for what they are and oppose them vigorously."
With this book readers can find answers to the tough questions
and learn what the Bible says about how our universe began.

How to Study the Bible Harvest House Publishers

Right now, truth is under attack, and much is at stake. Perhaps no one in America is more passionate than John MacArthur about exposing those who are mounting this attack?especially those bringing the assault right into the church. There is no middle ground?no safe zone for the uncommitted in this war. The battle for truth is raging, and this book reveals: The pitfalls of postmodern thinking Why the Emerging Church Movement is inherently flawed Past skirmishes in the Truth War and their effect on the Church The importance of truth and certainty in a postmodern society How to identify and address the errors and false teachings smuggled into churches "[The postmodern age] is the age of no truth, an age that has reached a point of deadly fatigue when it comes to facing the truth?a generation that no longer believes truth can be known. Dr. John MacArthur knows better, and he is armed with the courage to confront this age with a bold defense of truth. . . . His argument is compelling, his defense of truth is brilliant, and his concern for the church is evident on every page. The evangelical church desperately needs this book, and it arrives just in time." ?R. Albert Mohler Jr., President, The Southern Baptist Theological Seminary

Perhaps no one else has ever faced as much hardship, opposition, or relentless suffering as the apostle Paul. And yet, through it all, Paul stood firm in Christ and remained faithful—to the very end. The power of Paul's example has captivated veteran pastor John MacArthur for years, and here he outlines nine unwavering convictions that contributed to this remarkable perseverance. In an age when pastoral failure and burnout are increasingly common, this book is a call to endurance in ministry, encouraging pastors to stand strong in their role and not lose heart, regardless of what God sends their way.

The question of the "historical Adam" is a flashpoint for many evangelical readers and churches. Science-and-theology scholar Loren Haarsma--who has studied, written, and spoken on science and faith for decades--shows it is possible both to affirm what science tells us about human evolution and to maintain belief in the doctrine of original sin. Haarsma argues that there are several possible ways of harmonizing evolution and original sin, taking seriously both Scripture and science. He presents a range of approaches without privileging one over the others, examining the strengths and challenges of each.
