Pray Your Way to  
Breakthroughs B&H  
Publishing Group  
The Gullah people are

one of our most  
distinctive cultural  
groups. Isolated off the  
South Carolina-Georgia  
coast for nearly three  
centuries, the native  
black population of the  
Sea Islands has  
developed a vibrant  
way of life that

remains, in many ways, as African as it is American. This landmark volume tells a multifaceted story of this venerable society, emphasizing its roots in Africa, its unique imprint on America, and current threats to its survival. With a keen sense of the limits to establishing origins and tracing adaptations, William S. Pollitzer discusses such aspects of Gullah history and culture as language, religion, family and social relationships, music, folklore, trades and skills, and arts and crafts. Readers will learn of the indigo- and rice-growing skills that slaves taught to their masters, the echoes of an African past that are woven into baskets and stitched into quilts, the forms and

phrasings that identify Gullah speech, and much more. Pollitzer also presents a wealth of data on blood composition, bone structure, disease, and other biological factors. This research not only underscores ongoing health challenges to the Gullah people but also helps to highlight their complex ties to various African peoples. Drawing on fields from archaeology and anthropology to linguistics and medicine, *The Gullah People and Their African Heritage* celebrates a remarkable people and calls on us to help protect their irreplaceable culture. *Thinking God Harvest* House Publishers Prayer Cookbook for Busy People (Book 3) Prayer DNA

The Prayer That Changes Everything®  
Book of Prayers  
 Springer  
 Heartfelt prayers from Stormie's *The Prayer That Changes Everything* now come in a beautiful edition. This little book will help unlock the power of prayer in readers' lives. They'll come away understanding as never before how God's great love for them makes their lives complete how lifting up praise unlocks God's delivering power in their circumstances how right it is to offer adoration to the One so worthy of worship Millions have loved the power and insight of Stormie's books on prayer. With the same care and insight she addresses the subject of praise and touches

readers' lives with the hope to be found in a heart that worships God.  
*Cracking Your Dream Code* Mountain of Fire and Miracles Ministries  
 In this prophetic look at Scripture, Charles Capps interprets passages surrounding the end of the age. He purports to identify God's plan for the events that will end this world as we know it, helping to prepare believers for the return of Christ.  
Book 7: Rainmaker's Prayer KTAV Publishing House, Inc.  
 In this book, 'PRAYER BANKS', Television Broadcaster, world renowned Prophet, Teacher, Healing Minister, Spirit Embassy Founder, Conference speaker and Angel group of companies CEO,

UEBERT ANGEL, gives an exposition and practical anecdotes on how the Financial Banking System accurately mirrors Prayer Bank Dynamics. He thereafter expounds on how one can, through a legal and formal path, navigate spiritual transactions, route by route, from spiritual prayer bank deposits right up to the point of successful PRAYER BANK withdrawals. This book is a MUSR READ and a guarantee to answered prayer.

**A History** The Battle Cry Christian Ministries Though the world's wisest king, Solomon's heart was led astray by temptations of wealth, sex, and power. And we face the same dangers today, though the temptations may be different in degree

and detail. Author Philip Ryken writes, "In witnessing Solomon's moral triumphs and sinful failures we learn how to live more wisely. By the grace of God, we may avoid a tragic downfall of our own and learn how to use money, sex, and power for the glory of God." Tracing Solomon's life from coronation to burial—and from godly devotion to self-serving excess—Ryken shows readers how to avoid similar downfalls and seek God's glory amid earthly temptations. These thirteen chapters are pastoral, rich in application, and biblically faithful. This overview of Solomon's life also includes a study guide, making it a great resource for both personal and group use.

An Introduction to the  
Old Testament  
Historical Books

Lulu.com

Your guide to the mystery of heaven, hell, and eternity The Bible teaches us that when our earthly journey ends, our eternal journey is only beginning. But what will life be like after death? Are there clues that tell us more about the unseen worlds of departed souls? In *Secrets From Beyond the Grave*, Perry Stone brings his unique blend of Bible knowledge, prophecy, and spiritual insight to the topic of heaven and hell. In this comprehensive look at the afterlife, he answers important questions such as: Where do the soul and spirit go after death? Who will be in heaven? Will our pets be there?

Where is hell located? Are there “gateways” to hell within the geography of our earth? What about purgatory, aborted infants, cremation, and suicide? Death is not the end but only the beginning. Journey with Pastor Stone into the mysteries of life after death, the underworld, and the wonder of paradise.

Religion, ethnicity and race are facets of human identity that have become increasingly contested in the study of the Bible - largely due to the modern discipline of biblical studies having developed in the context of Western Europe, concurrent with the emergence of various racial and

imperial ideologies. The essays in this volume address Western domination by focusing on historical facets of ethnicity and race in antiquity, the identities of Jews and Christians, and the critique of scholarly ideologies and racial assumptions which have shaped this branch of study. The contributors critique various Western European and North American contexts, and bring fresh perspectives from other global contexts, providing insights into how biblical studies can escape its enmeshment in often racist notions of ethnicity, race, empire, nationhood and religion. Covering issues ranging from translation and racial stereotyping to

analysing the significance of race in Genesis and the problems of an imperialist perspective, this volume is vital not only for biblical scholars but those invested in Christian, Jewish and Muslim identity.

*The Three Heavens*

Elisha Goodman

A rainmaker is someone who brings timely solutions to spiritual problems. He or she does this through "targeted" prayers. In the Bible, people like Hannah, Elijah and even our Lord Jesus were rainmakers. Today, 21st century rainmakers are busy using the principles of scripture to pray for healing, deliverance and prosperity, and bringing joy to the lives thousands all over the

world. This book reveals their secrets and shows you how you can manifest your daily divine blessings through prayer.

**King Solomon** Library of Alexandria  
Some people think that dreams mean nothing at all. But we see in the Bible that God sometimes speak to people through dreams. Knowing how to understand your dreams can save your job, your home and even the life of a loved one someday. In this book you will discover the three types of dreams. You will see how to turn your good dreams into reality almost overnight. You will know how to recognize and cancel bad and ugly dreams.

**Prayer Cookbook for Busy People**

Charisma Media  
Rich rewards await readers who dig deep into the historical books of the Old Testament. Incredible events, amazing love stories, larger-than-life personalities and deep theological implications and themes are just part of the treasure that awaits readers of Joshua, Judges, Ruth, 1 & 2 Samuel, 1 & 2 Kings, 1 & 2 Chronicles, Ezra, Nehemiah, Esther. These books tell the story of the nation of Israel and the God who loves her, punishes her, and always brings this recalcitrant people back to Himself. It is really the story of all of

us. David M. Howard Jr. provides an in-depth introduction to the Old Testament historical books, focusing first on the overarching themes of historical narrative in general. He then turns his attention to each book. From the conquest of Canaan to the fall of Jerusalem, from war to peace and back to war, from kings and queens to farmers and housewives--David Howard covers it all in this invaluable introduction to the Old Testament historical books.

*Religion in America Since 1945* Elisha Goodman

Moving far beyond the realm of traditional "church history," Patrick Allitt here offers a vigorous and erudite survey of the broad canvas of American

religion since World War II. Identifying the major trends and telling moments within major denominations and also in less formal religious movements, he asks how these religious groups have shaped, and been shaped by, some of the most important and divisive issues and events of the last half century: the Cold War, the Civil Rights Movement, the Vietnam War, feminism and the sexual revolution, abortion rights, the antinuclear and environmentalist movements, and many others. Allitt argues that the boundaries between religious and political discourse have become increasingly blurred in the last fifty years. Having been divided along denominational lines in

the early postwar period, religious Americans had come by the 1980s to be divided along political lines instead, as they grappled with the challenges of modernity and secularism. Partly because of this politicization, and partly because of the growing influence of Asian, Latino, and other ethnic groups, the United States is anomalous among the Western industrialized nations, as church membership and religious affiliation generally increased during this period. Religion in America Since 1945 is a masterful analysis of this dynamism and diversity and an ideal starting point for any exploration of the contemporary religious

scene. *End-Time Events* Elisha Goodman 101 Weapons of Spiritual Warfare Never in the history of the world has there been an era of war, both physical and spiritual, like this era. This is a tougher era of warfare. More people are under bondage now, more than in any other period of human history. There are cases of deep bondage, uncommon attacks against the family and horrendous occurrences in the lives of individuals. The devil has wreaked a lot of havoc upon humanity. The bible has described in vivid terms that God is aware of the high spate of demonic hostilities. Hence the Holy Spirit has released the prophetic

revelations in this book in order to place us in good stead for a unique role in this end times. This manual is the first of its kind. This is the apex of deliverance. We are the threshold of a revival of spiritual warfare. The sweeping and the far reaching effect shall be best described as awesome!

**Secrets from Beyond The Grave**

Createspace  
Independent Publishing Platform  
Pray Your Way to Breakthroughs enhances the prayer life with sharper focus. It is designed to expose and cut at the root of spiritual problems in order to bring victory. Matthew 3:10 says, "And now also the axe is laid to the root of the trees: therefore every tree

which brings not forth good fruit is hewn down, and cast into the fire." Stubborn and recurring problems may be the result of not attacking them at their roots – this book provides help to identify and attack those roots.

Crossway  
"An explosive, fascinating book that reveals how the Bible cannot be used as a rulebook when it comes to sex. A terrific read by a top scholar."  
—Bart Ehrman, author of Misquoting Jesus  
Boston University's cutting-edge religion scholar Jennifer Wright Knust reveals the Bible's contradictory messages about sex in this thoughtful, riveting, and timely reexploration of the letter of the gospels. In the tradition of Bart

Erhman's Jesus Interrupted and John Shelby Spong's Sins of Scripture, Knust's Unprotected Texts liberates us from the pervasive moralizing—the fickle dos and don'ts—so often dictated by religious demagogues. Knust's powerful reading offers a return to the scripture, away from the mere slogans to which it is so often reduced.

### **The 30-Day Praise Challenge**

Harrison House  
There are prayers that can help rekindle the interest of your spouse in your marriage, even if he or she hasn't looked at you in years. In some cases, these prayers can help turn any troubled relationship to a terrific relationship in as short a time as 21 days.

### **Identities and Ideologies in Early Jewish and Christian Texts, and in Modern Biblical Interpretation**

Moody Publishers  
With insight and scholarship, Alan Brill crisply outlines the traditional Jewish approaches to other religions for an age of globalization. He provides a fresh perspective on Biblical and Rabbinic texts, offering new ways of thinking about other faiths. In the majority of volume, he develops the categories of theology of religions for Jewish text and arranges the texts according classification widely used in interfaith work: inclusivist, exclusivist, universalist, and pluralist. Judaism and Other Religions is

essential for a Jewish theological understanding of the various issues in encounters with other religions. With passion and clarity, Brill argues that in today's world of strong religious passions and intolerance, it is necessary to go beyond secular tolerance toward moderate and mediating religious positions.

*Prayer Secrets* Rutgers University Press  
AIDS has devastated communities across southern Africa. In Lesotho, where a quarter of adults are infected, the wide-ranging implications of the disease have been felt in every family, disrupting key aspects of social life. In *Infected Kin*, Ellen Block and Will McGrath

argue that AIDS is fundamentally a kinship disease, examining the ways it transcends infected individuals and seeps into kin relations and networks of care. While much AIDS scholarship has turned away from the difficult daily realities of those affected by the disease, *Infected Kin* uses both ethnographic scholarship and creative nonfiction to bring to life the joys and struggles of the Basotho people at the heart of the AIDS pandemic. The result is a book accessible to wide readership, yet built upon scholarship and theoretical contributions that ensure *Infected Kin* will remain relevant to anyone interested in anthropology, kinship, global health, and care.

Supplementary teaching materials are available at: <https://www.csbsju.edu/sociology/anthropology-teaching-resources/useful-resources/infected-kinteaching-resources>  
Sergio Toppi FREE Christian Prayer Book! No one can sit on the sidelines today when it comes to spiritual matters. A war is going on between good and evil, and every believer is involved. For every Christian who wants a meaningful prayer life that is more than just asking for blessings, bestselling author Stormie Omartian shows how to pray with strength and purpose—prayers resulting in great victory, not only personally but also in

advancing God's kingdom and glory. Readers will find help and encouragement in 12 practical and significant chapters that address knowing your Commander and standing on His side being certain of your authority in prayer becoming skilled with your spiritual weapons following God's orders to resist the enemy seeing what's happening from God's perspective Stormie also provides many powerful prayers on numerous subjects that concern people today. For anyone eager to answer the call of God on his or her life to pray while responding to the desire of his or her heart to see people and situations change, Prayer Warrior is a must-read.
