Why is entrepreneurship an art and not a science? - Quora So, it can be said that Entrepreneurship is both an art and a science. Art is an occupation that needs both knowledge and skilled traits, and science is a process for systematized knowledge. Both art and science are essential to creating sustainable and prosperous business entities. Business is as much art as science. Why Entrepreneurship is an Art and not a Science So, in the end, entrepreneurship will always be part art and part science. What changes, based on the entrepreneur or entrepreneurial team, the particular venture, the lifecycle stage, and so on, is the required balance between art and science.
