India: Studies in Social and Political Development 1947-1967 Amaryllis - an imprint of Manjul Publishing

Meet the wonder women of Indian history! They flew planes, swam across oceans, led armies, performed stunts, built cities and captured historic moments on camera, despite being constantly told to stay home, because that's what 'good girls' did. These were women who dared to dream and worked hard to turn their dreams into reality, who shaped their own destinies and refused to let anyone tell them what to do. Featuring the amazing adventures of Janaki Ammal, Rani Abbakka, Nadia Wadia, Sarla Sharma Thakral, Rajkumari Amrit Kaur and many others, *Unstoppable* is a collection of 75 power-packed stories of the extraordinary Indian women who broke the rules to change the world around them for the better.

Writing the Common Application essay can be an anxiety-inducing task for many aspiring university students. The essay is meant to uniquely identify each student, and help them shine. But how do fresh young high-schoolers captivate admissions officers through their narratives, portray themselves as agents of change, and chronicle personal achievements and individual talents without seeming to brag? What are the pitfalls to avoid, what would make them stand out, and give them a winning edge in this highly competitive environment? 'Indian Roots, Ivy Admits: 101 Essays that Got Indian Students into the Ivy League and Stanford' is a new and expanded edition of the original, which contained 85 essays. We hope that just like the first edition, this, too, will lead young contenders on the path to drafting their successful overseas education applications. 'Indian Roots, Ivy Admits: 85 Essays that Got Indian Students into the Ivy League and Stanford' is

an inspired collaborative by Viral Doshi, top education consultant in India, and Mridula Maluste, leading writing and editorial consultant for university applications and more. Writing the Common Application essay is one of the most anxiety-inducing tasks that many aspiring university students encounter. The essay is meant to uniquely identify each student, and give him and her the winning edge. But how do fresh young high-schoolers captivate admissions officers through their narratives, portray themselves as agents of change, and chronicle personal achievements and individual talents without seeming to brag? How does one avoid such pitfalls, stand out and even shine in this highly competitive environment? Here to answer all these questions is a rare, illuminating gem of a book that will lead all young contenders on the path to drafting successful overseas education applications. 'Indian Roots, Ivy Admits: 85 Essays that got Indian Students into the Ivy League and Stanford' is for any student who aims

to pursue higher education in world-class universities. It fulfils its promise to engage and empower aspiring candidates, and tops that by giving them valuable perspectives in reflecting on their lives, and in analyzing and composing thoroughly engaging essays. Every essay within these pages has been written by a young student who earned a well-deserved place in an Ivy League university or Stanford. Each essay is followed by an insightful review and an in-depth assessment that will help aspirants understand how to approach, map and write their own strongly structured, creative application essays. Curated by Viral Doshi and Mridula Maluste, two of India's leading experts in the domain of education, this book is an invaluable resource for students and teachers, as well as enthusiastic parents.

History and Development of Elementary Education in India

New Delhi : India International Publications
Across the British Empire and the world, the 1920s and 1930s were a time of unprecedented social and cultural change. Girls and young women were at the heart of many of these shifts. Out of this milieu, the Girl Guide movement emerged as a response to modern concerns about gender, race, class, and social instability. In this book, Kristine Alexander analyzes the ways in which Guiding sought to mould young people in England, Canada, and India. It is a fascinating account that connects the histories of girlhood, internationalism, and empire, while asking how girls and young women understood and responded to Guiding's attempts to lead them toward a "useful"

feminine future.

This is the story of a perennial stream. The water (students) keeps on flowing by forward but, the stream - the institutional life - remains the same. Thus, this is the story of every student, of every youth aspiring for high goals of life. Most of the events are from my own life and those of my erstwhile class-fellows, albeit attributed in the story to its characters.

This volume is a part of the comprehensive study about social problems that India is facing at present. The whole study is divided into five volumes. This Volume Two deals with various fields of social work in India and is the Fifth revised edition of the earlier volume published in 1967. The fields covered have been discussed under five heads. Part One deals with concept and scope of social work as well as history of social work in U.K., U.S.A. and India. Part Two examines the social welfare services being provided for children, women, youth, labour and backward classes; urban and rural welfare; family welfare and housing. Part Three deals with social security measures and services for the handicapped. Part Four is concerned with social administration and legislation. Part Five deals with international welfare agencies and examines critically the state of welfare services being provided in India. Part Six deals with developments which have taken place in

this field since 1973 when the second edition was brought out.

India, in this chronology of events, stands for the country as it is today and as it was before the Partition in 1947. This book takes off from 1424 BC, the year widely accepted by historians as that of the Battle of Mahabharata. Until the end of the 17th century, it mostly covers historical events with reference to matters concerning religion as well as the lives of luminaries. From the 18th century onwards, the chronology gradually embraces various aspects of the national panorama, including social reforms, law, politics, literature, education, sports, science, discoveries, inventions, industry, communications, cinema, etc., These are interspersed with anecdotes to make the book more interesting. The present edition has been revised till July 2008.

Divided into four parts, the encyclopaedia contains: (A) a chronology of events, by year with cross-references to other years; (B) arrangement of the events by calendar dates; (C) a list of important dynasties; and (D) a full index section, as well as an extra feature, 'First time in India' Chr(45) General and Women.
