Amazon.com: Customer reviews: Foundations for financial ...

Foundations For Financial EconomicsThe purpose of the book is to provide the foundations for the study of modern financial economics. Rather than giving superficial coverage of a wide range of topics, the book concentrates on individuals' consumption and portfolio decisions under uncertainty and their implications for the valuation of securities. Foundations for Financial Economics: 9780135006535

...Foundations for financial economics [Chi-Fu Huang, Robert H. Litzenberger] on Amazon.com. *FREE* shipping on qualifying offers. Based on formal derivations of financial theory, this volume provides a rigorous exploration of individual's consumption and portfolio decisions under uncertainty. Foundations for financial economics: Chi-Fu Huang, Robert ... This book evolved from lecture notes we have used to teach introductory PhD courses in financial economics at the Massachusetts Institute of Technology, Stanford University, and the University of Pennsylvania. Its purpose is to provide the foundations for the study of modern

financial economics. Foundations for Financial Economics by Chi-fu Huang Although the book covers the foundations extraordinarily well, in many instances it does more than this. In fact, for most of the topics covered it actually takes students beyond the foundations and makes them conversant with, or at least aware of, much of the current research being conducted in financial economics.
