*Origami Made Easy* 3D Origami Fun! 25 Fantastic, Foldable Paper Projects  
 Transform everyday money into gorgeous art with these original origami designs. Take your regular origami hobby to the next level with dollar bill origami—the art of folding beautiful designs with the humble dollar bill. The unique size, shape, texture, and pattern of dollar bills provide a world of possibilities to create bigger and better models you've never seen before! Origami artist Janessa Munt provides 30 of her very own dollar bill origami designs, each of them intricate, highly unique, and full of personality. Learn how to fold a single uncut dollar bill into a rose or create a model of a shark complete with eyes and teeth from the patterns on the dollar bill. Master your money and put together other models such as a curious bulldog, a tyrannosaurus rex mid-roar, a Thanksgiving turkey, a mermaid, Capricorn the goat, and many more! Each model is accompanied by clear and concise step-by-step diagrams as well as full color photographs of particular steps. With models categorized according to difficulty, there is something for readers of every skill level, whether you are a beginner, intermediate, or advanced folder. Throw yourself into a new hobby, impress your friends, and turn that spare dollar bill in your pocket into a whimsical, stunning work of art.

**The Complete Book of Origami** CRC Press  
 "Through the intricate art of origami, LaFosse and Alexander succeed in educating all ages about wildlife conservation and the importance of preserving our Earth's endangered animals." --Jack

Hanna A portion of the proceeds benefit wildlife conservation. An interactive way to foster appreciation and understanding of our planet's endangered species! Origami Endangered Animals Kit, from master origami artists Michael LaFosse and Richard Alexander, is designed to educate and entertain in equal measure. This origami kit includes everything you need: 48 large sheets of high-quality double-sided folding paper A full-color 64-page instruction book Free online video demonstrations Educational notes about endangerment and threatened species The 12 animals featured in this kit range from the diminutive Macaque to the massive Blue Whale, and also include: The Leopard: These big cats are the victims of shrinking habitats and trophy hunters. Only 12,000 to 14,000 remain in the world. The Rhinoceros: These animals are frequent targets of poachers. There are 28,000 to 30,000 individuals remaining. The Macaque: These clever primates suffer from disease and shrinking habitats as farmlands expand. The Gorilla: These critically endangered primates are being rapidly hunted to extinction. The Sea Turtle: Ungainly on land, these reptiles are victims of beach development, bycatch, poaching, marine debris, and more. The Tiger: A ferocious apex predator, these big cats suffer from shrinking habitats, hunting, and poaching. Only 8,000 to 10,000 individuals remain, half of them in captivity. The Elephant: The largest land mammal, these massive herbivores are threatened by habitat loss and poaching. The Great White Shark: These impressive predators are critically endangered due from overfishing, and slow reproductive maturity. Only around 3,500 individuals remain. The Blue Whale: The largest animal on earth, tipping the scales at over 120 tons! These giants were nearly hunted to extinction and are now recovering their numbers, but face many environmental challenges. There are estimated to be 10,000 to 25,000 individuals remaining in the world. The Emperor Penguin: These majestic flightless birds live exclusively in the southern hemisphere. Not yet endangered, but severely threatened. The Giant Panda: These cuddly bears are threatened by habitat pressure and low birthrates. Only around 1,200 remain in the world. The Australian Sea Lion: These mammals spend most of their time in the water and are heavily hunted, their food sources heavily fished out until recently. Fewer than 15,000 individuals remain. These fun-to-fold paper animals are an ideal way to bring natural beauty into your home or office, while also highlighting the plight of endangered wildlife species. Animal figures are the most popular form of origami, and now anyone can use them to learn more about these important species.
