*Genius* Simon and Schuster

An award-winning trainer draws on experience with such top athletes as Michael Jordan, Kobe Bryant and Ken Griffey, Jr. to explain how to tap dark competitive reflexes in order to succeed regardless of circumstances, explaining the importance of finding internal resources and harnessing the power of personal fears and instincts.

*Nickel and Dimed* HMH

A SUNDAY TIMES BESTSELLER NOW A MAJOR MOTION PICTURE WRITTEN AND DIRECTED BY AARON SORKIN, AND STARRING JESSICA CHASTAIN, IDRIS ELBA, KEVIN COSTNER AND MICHAEL CERA The true story of the 26-year-old woman behind the most exclusive, high-stakes underground poker game in the world When Molly Bloom was a little girl in a small Colorado town, she dreamed of a life without rules and limits, a life where she didn't have to measure up to anyone or anything - where she could become whatever she wanted. She ultimately got more than she ever could have bargained for. In Molly's Game, she takes you through her adventures running an exclusive private poker game catering to Hollywood royalty like Leonardo DiCaprio and Ben Affleck, athletes, billionaires, politicians and financial titans. With rich detail, Molly describes a world of glamour, privilege and secrecy in which she made millions, lived the high life and fearlessly took on the Russian and Italian mobs - until she met the one adversary she could not outsmart: the United States government.

**Law and Justice on TV** Harper Collins

It began -- and ended -- in 1958 when seven children searched in the drains beneath Derry for an evil creature, but in 1985, Mike, once one of those children, makes six phone calls and disinters an unremembered promise that sets off the ultimate terror.

**Me. You. Not a Diary** Simon and Schuster

One man. One woman. Two dogs. Meet Molly—New York's most famous advice columnist, she considers herself an expert at relationships...as long as they're other people's. Still bruised from her last breakup, Molly is in no rush to find happily-ever-after—the only love of her life is her dalmatian, Valentine. Meet Daniel—A cynical divorce lawyer, he's hardwired to think relationships are a bad idea. If you don't get involved, no one can get hurt. Until he finds himself borrowing a dog to meet the gorgeous woman he sees running in Central Park every morning... Molly and Daniel both think they know everything about relationships. But as they try—and fail—to resist their undeniable chemistry, they'll soon discover they just might have a lot left to learn...

It 47North

Since becoming formally established with an international academic society in the late 1980s, ecological economics has advanced understanding of the interactions between social and biophysical reality. It initially combined questioning of the basis of mainstream economics with a

concern for environmental degradation and limits to growth, but has now advanced well beyond critique into theoretical, analytical and policy alternatives. Social ecological economics and transformation to an alternative future now form core ideas in an interdisciplinary approach combining insights from a range of disciplines including heterodox economics, political ecology, sociology, political science, social psychology, applied philosophy, environmental ethics and a range of natural sciences. This handbook, edited by a leading figure in the field, demonstrates the dynamism of ecological economics in a wide-ranging collection of state-of-the-art essays. Containing contributions from an array of international researchers who are pushing the boundaries of the field, the Routledge Handbook of Ecological Economics showcases the diversity of the field and points the way forward. A critical analytical perspective is combined with realism about how economic systems operate and their essential connection to the natural world and society. This provides a rich understanding of how biophysical reality relates to and integrates with social reality. Chapters provide succinct overviews of the literature covering a range of subject areas including: heterodox thought on the environment; society, power and politics, markets and consumption; value and ethics; science and society; methods for evaluation and policy analysis; policy challenges; and the future post-growth society. The rich contents dispel the myth of there being no alternatives to current economic thought and the political economy it supports. The Routledge Handbook of Ecological Economics provides a guide to the literature on ecological economics in an informative and easily accessible form. It is essential reading for those interested in exploring and understanding the interactions between the social, ecological and economic and is an important resource for those interested in fields such as: human ecology, political ecology, environmental politics, human geography, environmental management, environmental evaluation, future and transition studies, environmental policy, development studies and heterodox economics.

*The No.1 Sunday Times Bestseller* Penguin

“Right out of the gate, the entire game was designed to empty the pockets of those rich, celeb-loving LA suckers.”—Houston Curtis Leonardo DiCaprio. Alex Rodriguez. Tobey Maguire. Ben Affleck. Matt Damon. John Cassavetes. What do these people have in common? Not just fame and fortune; all these men are also alumni of the ultra-exclusive, high-stakes poker ring that inspired Aaron Sorkin's Oscar-nominated film, Molly's Game. But Houston Curtis, the card shark who co-founded the game with Tobey Maguire, knows that Sorkin's is the whitewashed version. In Billion Dollar Hollywood Heist, Curtis goes all-in, revealing the true story behind the game. From its origins with Maguire to staking DiCaprio's first game, installing Molly Bloom, avoiding the hookers and blow down the hall, and weathering the FBI investigation that left Curtis with a lien on his house, this is the no-holds-barred account of the world's most exclusive Texas Hold 'Em game from the man who started it—with all the names and salacious details that Molly's Game left out. With the insider appeal of Rounders, more A-listers than Ocean's 11, and the excitement of The Sting, Billion Dollar Hollywood Heist is the untold, insider's story that makes Molly's Game look tame.

*Devils Fire* Simon and Schuster

In the “fast-paced, frightening” (The New York Times Book Review) sequel to *Bird Box*, the inspiration for the record-breaking Netflix film starring Sandra Bullock, bestselling author Josh Malerman brings unseen horrors to life. **NOMINATED FOR THE BRAM STOKER AWARD** • “Malorie is even more of a psychological thriller than *Bird Box*, and all the scarier for it.”—The Wall Street Journal Twelve years after Malorie and her children rowed up the river to safety, a blindfold is still the only thing that stands between sanity and madness. One glimpse of the creatures that stalk the world will drive a person to unspeakable violence. There remains no explanation. No solution. All Malorie can do is survive—and impart her fierce will to do so on her children. Don’t get lazy, she tells them. Don’t take off your blindfold. **AND DON’T LOOK.** But then comes what feels like impossible news. And with it, the first time Malorie has allowed herself to hope. Someone very dear to her, someone she believed dead, may be alive. Malorie has already lost so much: her sister, a house full of people who meant everything, and any chance at an ordinary life. But getting her life back means returning to a world full of unknowable horrors—and risking the lives of her children again. Because the creatures are not the only thing Malorie fears: There are the people who claim to have caught and experimented on the creatures. Murmurings of monstrous inventions and dangerous new ideas. And rumors that the creatures themselves have changed into something even more frightening. Malorie has a harrowing choice to make: to live by the rules of survival that have served her so well, or to venture into the darkness and reach for hope once more.

*Plague Year* Hodder Paperbacks

The chilling novella featured in Stephen King's bestselling collection *Full Dark, No Stars*, 1922 - about a man who succumbs to the violence within - is now available as a stand-alone publication. I believe there is a man inside every man, a stranger So writes Wilfred James in his confession. It's 1922. Wilfred owns eighty acres of farmland in Nebraska that have been in the family for generations. His wife, Arlette, owns an adjoining one hundred acres. But if Arlette carries out her threat to sell her land to a pig butcher, Wilfred will be forced to sell too. Worse, he'll have to move to the city. But he has a daring plan. It may work if he can persuade his son. A powerful tale of betrayal, murder, madness and rats, 1922 is a breathtaking exploration into the dark side of human nature from the great American storyteller Stephen King. It was adapted into a film from Netflix.

[A True Story of Monumental Excess, Sex, Love, Violence, and Beating the Odds](#) Molly's Game The Riveting Book That Inspired the Aaron Sorkin Film

The New York Times bestselling work of undercover reportage from our sharpest and most original social critic, with a new foreword by Matthew Desmond, author of *Evicted* Millions of Americans work full time, year round, for poverty-level wages. In 1998, Barbara Ehrenreich decided to join them. She was inspired in part by the rhetoric surrounding welfare reform, which promised that a job—any job—can be the ticket to a better life. But how does anyone survive, let alone prosper, on \$6 an hour? To find out, Ehrenreich left her home, took the cheapest lodgings she could find, and accepted whatever jobs she was offered. Moving from Florida to Maine to Minnesota, she worked as a waitress, a hotel maid, a cleaning woman, a nursing-home aide, and a Wal-Mart sales clerk. She lived in trailer parks and crumbling residential motels. Very quickly, she discovered that no job is truly “unskilled,” that even the lowliest occupations require exhausting mental and muscular effort. She also learned that one job is not enough; you need at least two if you int to live indoors. Nickel

and Dime reveals low-rent America in all its tenacity, anxiety, and surprising generosity—a land of Big Boxes, fast food, and a thousand desperate stratagems for survival. Read it for the smoldering clarity of Ehrenreich's perspective and for a rare view of how “prosperity” looks from the bottom. And now, in a new foreword, Matthew Desmond, author of *Evicted: Poverty and Profit in the American City*, explains why, twenty years on in America, Nickel and Dime is more relevant than ever.

**1922** Simon and Schuster

Presents a humorous ode to cinematic hubris, discussing the story of the mysteriously wealthy misfit, Tommy Wiseau, the producer, director, and star of the “*The Room*,” which later became an international cult film despite making no money at the box office.

[The Psychosocial Implications of Disney Movies](#) Elle Kennedy Inc.

While helping the Omega team track down the identity of the original thirteen zombies in New York City, Molly tries to keep her mother's secret and uncovers a sinister plan of the undead.

*Malorie* Macmillan

High school cheerleader Chelsea seeks revenge against her younger sister's rock-and-roller boyfriend after he embarrasses her once too often, but when she falls for his older brother, things become really complicated.

[A Young Royals Book](#) Lulu Press, Inc

When Kathie Durst vanished in 1982, her friends implicated her husband, Robert Durst, son of a New York real estate magnate. To no avail. Then nearly twenty years later, Durst, an heir to a two-billion-dollar empire, was being sought in connection with two murders. Written by the first journalist to access Durst's NYPD files, and based on in depth interviews, *A Deadly Secret* is a headline-making true crime book that recounts a story far from over.

[The Farnsworth Invention](#) Amazon

"It's 1929. Two ambitious visionaries race against each other to invent a device called “television.” ... Who will unlock the key to the greatest innovation of the 20th century: the ruthless media mogul, or the self-taught Idaho farm boy?"--P. [4] of cover.

**Molly's Game** W. W. Norton & Company

'A mellow, gentle read with a lot of words of wisdom' Independent Me You is a pocket diary without the diary part. Or the pocket. Me You: Not A Diary is everything you loved about the original but without the calendar pages. To keep a working diary alongside Dawn, we recommend the hardback edition of Me You: A Diary. Me You is a place for me and you to reflect on the patterns and changes of the year. It's full of my thoughts about the seasons, the months and what matters. It's your guide to reflecting on the year you've just had - or the one still to come. Dive in, the paper's lovely . . .

\_\_\_\_\_ 'A witty outlook on life. This will have you laughing about your year' Prima 'It's beautiful, like Dawn, and stuffed full of goodies' Jo Brand

[The Bizarre and Chilling Story of Robert Durst](#) HarperCollins

It may be a wonderful world, but as Dan Riskin (cohost of Discovery Canada's *Daily Planet*) explains, it's also a dangerous, disturbing, and disgusting one. At every turn, it seems, living things are trying to eat us, poison us, use our bodies as their homes, or have us spread their eggs. In *Mother Nature Is Trying to Kill You*, Riskin is our guide through the natural world at its most gloriously ruthless.

Using the seven deadly sins as a road map, Riskin offers dozens of jaw-dropping examples that illuminate how brutal nature can truly be. From slothful worms that hide in your body for up to thirty years to wrathful snails with poisonous harpoons that can kill you in less than five minutes to lustful ducks that have orgasms faster than you can blink, these fascinating accounts reveal the candid truth about “gentle” Mother Nature’s true colors. Riskin’s passion for the strange and his enthusiastic expertise bring Earth’s most fascinating flora and fauna into vivid focus. Through his adventures— which include sliding on his back through a thick soup of bat guano just to get face-to-face with a vampire bat, befriending a parasitic maggot that has taken root on his head, and coming to grips with having offspring of his own—Riskin makes unexpected discoveries not just about the world all around us but also about the ways this brutal world has shaped us as humans and what our responsibilities are to this terrible, wonderful planet we call home.

**A Lively Tour Through the Dark Side of the Natural World** Simon and Schuster

Read the official novelization to get the full story of this terrifying movie! From Joss Whedon, the creator of *Buffy the Vampire Slayer*, and Drew Goddard, writer of the monster movie phenomenon *Cloverfield*, comes the horror film to end all horror films! The details of the plot are a closely guarded secret, though Joss himself has described it as “a straight-up, balls-out, really terrifying horror movie,” adding, “it is not just a slasher in the woods. It’s a little more complicated than that...”

**A Deadly Secret** Courier Dover Publications

A complicated and much-hated Tudor queen tells her side of the story in this engaging novel of Anne Boleyn. Anne Boleyn was born without great beauty, wealth, or title, but she has blossomed into a captivating young woman—and she knows it. Determined to rise to the top, she uses her wiles to win the heart of England’s most powerful man, King Henry VIII. Not satisfied with the king’s heart, however, she persuades Henry to defy everyone—including his own wife—to make her his new queen. But Anne’s ambition would prove to be her fatal flaw. Named a New York Public Library Book for the Teen Age, among other honors, *Doomed Queen Anne* is part of the historical fiction *Young Royals* series that has illuminated the youthful lives of Europe’s most compelling—and sometimes, infamous—queens and princesses.

**The Riveting Book That Inspired the Aaron Sorkin Film** Metropolitan Books

He played in casinos around the world with a plan to make himself richer than anyone could possibly

imagine -- but it would nearly cost him his life. Semyon Dukach was known as the Darling of Las Vegas. A legend at age twenty-one, this cocky hotshot was the biggest high roller to appear in Sin City in decades, a mathematical genius with a system the casinos had never seen before and couldn't stop -- a system that has never been revealed until now; that has nothing to do with card counting, wasn't illegal, and was more powerful than anything that had been tried before. Las Vegas. Atlantic City. Aruba. Barcelona. London. And the jewel of the gambling crown -- Monte Carlo. Dukach and his fellow MIT students hit them all and made millions. They came in hard, with stacks of cash; big, seemingly insane bets; women hanging on their arms; and fake identities. Although they were taking classes and studying for exams during the week, over the weekends they stormed the blackjack tables only to be harassed, banned from casinos, threatened at gunpoint, and beaten in Vegas's notorious back rooms. The stakes were high, the dangers very real, but the players were up to the challenges, consequences be damned. There was Semyon Dukach himself, bored with school and broke; Victor Cassius, the slick, brilliant MIT grad student who galvanized the team; Owen Keller, with stunning ability but a dark past that would catch up to him; and Allie Simpson, bright, clever, and a feast for the eyes. In the classroom, they were geeks. On the casino floor, they were unstoppable. *Busting Vegas* is Dukach's unbelievably true story; a riveting account of monumental greed, excess, hubris, sex, love, violence, fear, and statistics that is high-stakes entertainment at its best.

*How To Raise A Reader* Samuel French, Inc.

"I live in a world few know exist. I've trained for this. I know what to say, what to do, and how to act. I've perfected the lethal calm required for this life. Now it's time to buy my first girl. But all it takes is one look at the brave girl who starts singing mid-auction for that calm to slip. Briar Chapman is going to be the death of me, and I don't care. I'll take every day with her until that death comes, and I'll welcome it when it does. On the outside, Lucas Holt is what nightmares are made of. A man cloaked in darkness, with sin-filled eyes and an enticing grin. A devil so devastatingly beautiful and cruel that his very presence instills fear. On the outside, Lucas Holt is what nightmares are made of. A man cloaked in darkness, with sin-filled eyes and an enticing grin. A devil so devastatingly beautiful and cruel that his very presence instills fear. We're a battle of the brightest day and the darkest night--and I want to lie in the wake of our war."--Provided by the publisher.
