*The Secrets of the Game from One of the All-Time Best* Simon and Schuster  
The Business of Sports, Second Edition is a comprehensive collection of readings that focus on the multibillion-dollar sports industry and the dilemmas faced by today's sports business leaders. It contains a dynamic set of readings to provide a complete overview of major sports business issues. The Second Edition covers professional, Olympic, and collegiate sports, and highlights the major issues that impact each of these broad categories. The Second Edition continues to provide insight from a variety of stakeholders in the industry and covers the major business disciplines of management, marketing, finance, information technology, accounting, ethics and law. In addition, it features concise introductions, targeted discussion questions, and graphs and tables to convey relevant financial data and other statistics discussed. This book is designed for current and future sports business leaders as well as those interested in the inner-workings of the industry.

#### **Win Forever** Image

A first full-length biography of the legendary head coach of the Cleveland Browns examines in absorbing detail Paul Brown's rise from obscure high school football coach to NFL Hall of Famer and illuminates the influence he had on the development of the game.

**The Score Takes Care of Itself** Three Rivers Press

The head coach of the San Francisco 49ers outlines the successful strategies he used to transform the team from an organization in disarray to a team renowned for its excellence  
*The Genius The Score Takes Care of Itself* My Philosophy of Leadership  
How to develop an all-star staff, even if you don't know the first thing about managing "Your employees are, like you and me, flawed and hopeful human beings whose success is at least partly dependent on your skill as a manager, human beings who will thrive with skillful and consistent attention and wither without it." Erika Andersen has helped some of the best-managed companies in the world develop their employees. Now she explains how to stay ahead of the competition by investing in your people. You'll discover that: • Listening is your most powerful asset. Use it to motivate and build commitment. • Everything you know about interviewing is wrong. Discover what you really need in a potential employee. • Successful companies hire for keeps. Get people feeling like part of the team from day one. Whether you're a first-time manager or a senior executive, Andersen will help you create a dynamic workplace, where the efforts you make today will blossom into success for years to come.

*It's Better to Be Feared: The New England Patriots Dynasty and the Pursuit of Greatness* Simon & Schuster  
More than 6 years after his death David Halberstam remains one of this country's most respected journalists and revered authorities on American life and history in the years since WWII. A Pulitzer Prize-winner for his ground-breaking reporting

on the Vietnam War, Halberstam wrote more than 20 books, almost all of them bestsellers. His work has stood the test of time and has become the standard by which all journalists measure themselves. Bill Belichick's thirty-one years in the NFL have been marked by amazing success--most recently with the New England Patriots. In this groundbreaking book, *THE EDUCATION OF A COACH*, David Halberstam explores the nuances of both the game and the man behind it. He uncovers what makes Bill Belichick tick both on and off the field.

*Above the Line* Penguin

Advice on good writing from everybody's favorite editorial curmudgeon  
 Persnickety, cantankerous, opinionated, entertaining, hilarious, wise...these are a few of the adjectives reviewers used to describe good-writing maven Bill Walsh's previous book, *Lapsing Into a Comma*. Now, picking up where he left off in *Lapsing*, Walsh addresses the dozen or so biggest issues that every writer or editor must master. He also offers a trunkload of good advice on the many little things that add up to good writing. Featuring all the elements that made *Lapsing* such a fun read, including Walsh's trademark acerbic wit and fascinating digressions on language and its discontents, *The Elephants of Style* provides: Tips on how to tame the "elephants of style"--the most important, frequently confused elements of good writing More of Walsh's popular "Curmudgeon's Stylebook"--includes entries such as Snarky Specificity, Metaphors, Near and Far, Actually is the New Like, and other uses and misuses of language Expert advice for writers and editors on how to work together for best results

*Lessons in Leadership and Life from a*

*Championship Program* Penguin

A CLEAR-EYED, COGENT CLARION CALL FOR ENDING THE DIVISIVE CLASS WARS THAT THREATEN THE AMERICAN MIDDLE-CLASS DREAM In *What's the Matter with White People?* Walsh argues that the biggest divide in America today is based not on party or ideology but on two competing explanations for why middle-class stability has been shaken since the 1970s. One side sees an America that has spent the last forty years bankrupting the country by providing benefits for the underachieving, the immoral, and the undeserving--no matter the cost to the majority of Americans. The other side sees an America that has spent the last forty years catering to the wealthy while allowing only a nominal measure of progress for the downtrodden. Using her extended Irish-Catholic working-class family as a case in point and explaining her own political coming-of-age, Walsh shows how liberals unwittingly collaborated in the "us versus them" narrative and how the GOP's renewed culture war now scapegoats segments of its own white demographic. Part memoir, part political history, *What's the Matter with White People?* is essential reading to combat political and cultural polarization and to build a more just and prosperous multiracial America in the years to come. WITH A NEW AFTERWORD

*The Story of Three Unlikely Coaches Who Came to Dominate the NFL in the '80s* Penguin

*The Score Takes Care of Itself* My Philosophy of Leadership Penguin

*The Man Who Invented Modern Football* CreateSpace

Winner of the 2021 Overseas Press Club of America Cornelius Ryan Award The former New York Times Pakistan bureau

chief paints an arresting, up-close portrait of a fractured country. Declan Walsh is one of the New York Times's most distinguished international correspondents. His electrifying portrait of Pakistan over a tumultuous decade captures the sweep of this strange, wondrous, and benighted country through the dramatic lives of nine fascinating individuals. On assignment as the country careened between crises, Walsh traveled from the raucous port of Karachi to the salons of Lahore, and from Baluchistan to the mountains of Waziristan. He met a diverse cast of extraordinary Pakistanis—a chieftain readying for war at his desert fort, a retired spy skulking through the borderlands, and a crusading lawyer risking death for her beliefs, among others. Through these “nine lives” he describes a country on the brink—a place of creeping extremism and political chaos, but also personal bravery and dogged idealism that defy easy stereotypes. Unbeknownst to Walsh, however, an intelligence agent was tracking him. Written in the aftermath of Walsh's abrupt deportation, *The Nine Lives of Pakistan* concludes with an astonishing encounter with that agent, and his revelations about Pakistan's powerful security state. Intimate and complex, attuned to the centrifugal forces of history, identity, and faith, *The Nine Lives of Pakistan* offers an unflinching account of life in a precarious, vital country.

#### **Bill Walsh's Return to Stanford**

**Football** W. W. Norton & Company  
 “Superbosses is the rare business book that is chock full of new, useful, and often unexpected ideas. After you read Finkelstein's well-crafted gem, you will never go about leading, evaluating, and developing talent in quite the same

way.”—Robert Sutton, author of *Scaling Up Excellence* and *The No Asshole Rule*  
 “Maybe you're a decent boss. But are you a superboss? That's the question you'll be asking yourself after reading Sydney Finkelstein's fascinating book. By revealing the secrets of superbosses from finance to fashion and from cooking to comic books, Finkelstein offers a smart, actionable playbook for anyone trying to become a better leader.”—Daniel H. Pink, author of *To Sell Is Human* and *Drive*  
 A fascinating exploration of the world's most effective bosses—and how they motivate, inspire, and enable others to advance their companies and shape entire industries, by the author of *How Smart Executives Fail*. A must-read for anyone interested in leadership and building an enduring pipeline of talent. What do football coach Bill Walsh, restaurateur Alice Waters, television executive Lorne Michaels, technology CEO Larry Ellison, and fashion pioneer Ralph Lauren have in common? On the surface, not much, other than consistent success in their fields. But below the surface, they share a common approach to finding, nurturing, leading, and even letting go of great people. The way they deal with talent makes them not merely success stories, not merely organization builders, but what Sydney Finkelstein calls superbosses. After ten years of research and more than two hundred interviews, Finkelstein—an acclaimed professor at Dartmouth's Tuck School of Business, speaker, and executive coach and consultant—discovered that superbosses exist in nearly every industry. If you study the top fifty leaders in any field, as many as one-third will have once worked for a superboss. While superbosses differ in their personal styles, they all focus on identifying promising newcomers,

inspiring their best work, and launching them into highly successful careers—while also expanding their own networks and building stronger companies. Among the practices that distinguish superbosses: They Create Master-Apprentice Relationships. Superbosses customize their coaching to what each protégé really needs, and also are constant founts of practical wisdom. Advertising legend Jay Chiat not only worked closely with each of his employees but would sometimes extend their discussions into the night. They Rely on the Cohort Effect. Superbosses strongly encourage collegiality even as they simultaneously drive internal competition. At Lorne Michaels's Saturday Night Live, writers and performers are judged by how much of their material actually gets on the air, but they can't get anything on the air without the support of their coworkers. They Say Good-Bye on Good Terms. Nobody likes it when great employees quit, but superbosses don't respond with anger or resentment. They know that former direct reports can become highly valuable members of their network, especially as they rise to major new roles elsewhere. Julian Robertson, the billionaire hedge fund manager, continued to work with and invest in his former employees who started their own funds. By sharing the fascinating stories of superbosses and their protégés, Finkelstein explores a phenomenon that never had a name before. And he shows how each of us can emulate the best tactics of superbosses to create our own powerful networks of extraordinary talent.

Hall of Famers Reveal the Keys to Football's Greatest Dynasties Simon and Schuster

A top NFL coach offers leadership advice

that applies from the field to the office Tom Coughlin led the New York Giants to two Super Bowl victories with his unique system of relentless preparation and resilience. He teaches his players that you can never guarantee a win, but you can always earn the right to win—with focus, hard work, and anticipation of obstacles. Now Coughlin shows how his teachings apply beyond the gridiron, illustrating his points with previously untold stories about players like Eli Manning, Doug Flutie, and Michael Strahan. His wisdom can help leaders in any field rev up their own organizations. 'Tom Coughlin challenged us and prepared us to handle anything that was thrown at us ... The lessons I learned from him weren't limited to football. They were applicable to every aspect of my life' -Michael Strahan Tom Coughlin is one of the most successful coaches in NFL history. Before winning two Super Bowls with the New York Giants, he coached the Jacksonville Jaguars for nine seasons, leading them to two appearances in the AFC Championship Game. David Fisher is the co-author of seventeen New York Times bestsellers. *Lombardi and Landry* Harper Collins One man's odyssey into the brutal hive of the National Football League As an unsigned free agent who rose through the practice squad to the starting lineup of the Denver Broncos, Nate Jackson took the path of thousands of unknowns before him to carve out a professional football career twice as long as the average player. Through his story recounted here—from scouting combines to preseason cuts to byzantine film studies to glorious touchdown catches—even knowledgeable football fans will glean a new, starkly humanized understanding of the NFL's workweek. Fast-paced, lyrical, dirty, and hilariously

unvarnished, *Slow Getting Up* is an unforgettable look at the real lives of America's best athletes putting their bodies and minds through hell.

Coaching the Multiple West Coast Offense Penguin

The story of legendary the Bill Walsh--the thoughtful, articulate coach who led the San Francisco 49ers to three Super Bowl wins and was voted coach of the decade in the 80s--portrays the growth of his team and their incredible 1992 season.

**The Obvious** Grand Central Publishing

"Seth Wickersham has managed to do the impossible: he has pulled off the definitive document of the Belichick/Brady dynasty." —Bill Simmons, *The Ringer* The explosive, long-awaited account of the making of the greatest dynasty in football history—from the acclaimed ESPN reporter who has been there from the very beginning. Over two unbelievable decades, the New England Patriots were not only the NFL's most dominant team, but also—and by far—the most secretive. How did they achieve and sustain greatness—and what were the costs? In *It's Better to Be Feared*, Seth Wickersham, one of the country's finest long form and investigative sportswriters, tells the full, behind-the-scenes story of the Patriots, capturing the brilliance, ambition, and vanity that powered and ultimately unraveled them. Based on hundreds of interviews conducted since 2001, Wickersham's chronicle is packed with revelations, taking us deep into Bill Belichick's tactical ingenuity and Tom Brady's unique mentality while also reporting on their divergent paths in 2020, including Brady's run to the Super Bowl with the Tampa Bay Buccaneers. Raucous, unvarnished, and definitive, *It's Better to*

*Be Feared* is an instant classic of American sportswriting in the tradition of Michael Lewis, David Maraniss, and David Halberstam.

Growing Great Employees Random House Trade Paperbacks

A lighthearted usage guide shares a latest treasury of language pet peeves and common grammatical mistakes.

**A Football Life** Caboodle

The celebrated coach shares his philosophy of football, profiles players he has coached, and recounts key moments in his career

**Nutrient Power** Penguin

Takes a humorous look at expectations versus reality in pop culture, sports, and media, exploring such topics as pop culture's obsession with time travel and what Kurt Cobain and David Koresh have in common.

*Yes, I Could Care Less* Triumph Books (IL)

A veteran research scientist who has spent decades establishing biochemical treatment protocols for patients with ADHD, Alzheimer's disease and various mental disorders challenges popular opinions about psychiatric drugs to make recommendations for drug-free nutrient therapies that normalize the brain without producing serious side effects. 15,000 first printing.

*Slow Getting Up* Simon and Schuster

Describes the formative years of the renowned football coaches when they worked together as coordinators for the New York Giants in the mid-1950s, discussing how they each developed their unique coaching styles before they became famous.

Superbosses Penguin

From bestselling author Jo Piazza comes one of People's "Best Summer Books," a "comically accurate" (New York Post) novel about what happens when a

woman wants it all—political power, marriage, and happiness. Charlotte Walsh is running for Senate in the most important race in the country during a midterm election that will decide the balance of power in Congress. Reeling from a presidential election that shocked and divided the country and inspired to make a difference, she's left her high-powered job in Silicon Valley and returned, with her husband and three young daughters, to her downtrodden Pennsylvania hometown to run for office in the Rust Belt state. Once the campaign gets underway, Charlotte is blindsided by just how dirty her opponent is willing to fight, how harshly she is judged by the press and her peers, and how exhausting it becomes to

navigate a marriage with an increasingly ambivalent and often resentful husband. When the opposition uncovers a secret that could threaten not just her campaign but everything Charlotte holds dear, she must decide just how badly she wants to win and at what cost. "The essential political novel for the 2018 midterms" (Salon), *Charlotte Walsh Likes to Win* is an insightful portrait of what it takes for a woman to run for national office in America today. In a dramatic political moment like no other with more women running for office than ever before, this searing, suspenseful story of political ambition, marriage, class, sexual politics, and infidelity is timely, engrossing, and perfect for readers on both sides of the aisle.
