Learn the best-kept secret of the world's most successful entrepreneurs: EXECUTION! Kim Perell made headlines for her amazing transformative story of a startup entrepreneur to an internationally renowned CEO and prominent angel investor. From her modest beginnings at her kitchen table, she went from broke to multi-millionaire in just a few short years. Today, she has investments in over 70 startups many of which have been sold to some of the largest Fortune 500 companies. Now, in The

Execution Factor, she offers indispensable wisdom as she shares her personal journey and proven program for achieving success. The Execution Factor offers a straightforward approach to success — deliberately designed in a way that anyone can master. Perell flips the notion on its head that success is all about having a great idea, an advanced degree or a high IQ. Because people around the world have achieved their dreams without any of those things. Perell believes the ability to execute is the difference between success and failure. The Execution Factor is for anyone looking to transform themselves from a “dreamer” to a “doer” and will make you feel like you have a success coach by your side. Perell teaches her unique 5 traits of execution: vision, passion, action, resilience, and relationships. By the time you've completed the book you will have a have a blueprint to achieve your dreams in business and in life. Don't settle for ordinary when you can have extraordinary. Master execution and change your life.

Brealey, Principles of Corporate Finance 13e describes the theory and practice of corporate finance. We hardly need to explain why financial managers must master the practical aspects of their job, but we should spell out why down-to-earth managers need to bother with theory. Throughout this edition, the authors demonstrate how managers use financial theory to solve practical problems. They also explore what financial managers should do to increase company value. Some of the biggest changes in this edition were prompted by the tax changes enacted in the U.S. Tax Cuts and Jobs Act passed in December 2017.
