"Love in the Western World" by Denis de Rougemont ... Love In The Western World
 Rougemont's study of romantic love as a cultural phenomenon is an engaging and, at its best, compelling account of the origin and development of the western "cult" of romantic love between the sexes. He begins with a lucid reading of the myth of Tristan and Isolde, which exists in several medieval versions, showing how and why the mythic lovers seem to seek out barriers to their love rather than consummate it. Amazon.com: Love in the Western World (9780691013930): De ...
 Love in the Western World is an impressive and singular scholarly work penned by the Swiss writer and cultural theorist Denis de Rougemont. In this mammoth of a book, Rougemont takes a deep breath and plunges headlong into the ocean, eager to stir the depths of our subconscious and bring to light that which hasn't ceased tormenting the ...
 Love in the Western World by Denis de Rougemont
 Love in the Western World. In this classic work, often described as "The History of the Rise, Decline, and Fall of the Love Affair," Denis de Rougemont explores the psychology of love from the legend of Tristan and Isolde to Hollywood. Love in the Western World | Princeton University Press
 Love In The Western World PDF. In this classic work, often described as "The History of the Rise, Decline, and Fall of the Love Affair," Denis de Rougemont explores the psychology of love from the legend of Tristan and Isolde to Hollywood. At the heart of his ever-relevant inquiry is the inescapable conflict in the West between marriage and passion--the first associated with social and religious responsibility and the

second with anarchic, unappeasable love as celebrated by the troubadours of ...
