70 Quick-Fix Weeknight Dinners + 30 Luscious Weekend Recipes: a Cookbook Storey Publishing

From the James Beard Award winner, Top Chef Masters contestant, and acclaimed author comes this fun, festive, and highly caffeinated ode to the joys and rituals of the Southern breakfast, with over 125 recipes inspired by the author's popular restaurant in Oxford, Mississippi. John Currence is one of the most celebrated and well-loved chefs in the South. Among his string of highly successful restaurants in Oxford, Mississippi, Big Bad Breakfast holds a special place in diners' hearts: It is a gathering place where people from all walks come together to share the most important meal of the day, breakfast. Southerners know how to do breakfast right, and Currence has elevated it to an artform: dishes like Banana-Pecan Coffee Cake, Spicy Boudin and Poached Eggs, and Oyster Pot Pie are comforting, soulful, and packed with real Southern flavor. Big Bad Breakfast is full of delicious recipes that will make the day ahead that much better—not to mention stories of the wonderful characters who fill the restaurant every morning, and a meditation on why the Southern breakfast is one of America's most valuable culinary contributions.

Jill Winger, creator of the award-winning blog The Prairie Homestead, introduces her debut The Prairie Homestead Cookbook, including 100+ delicious, wholesome recipes made with fresh ingredients to bring the flavors and spirit of homestead cooking to any kitchen table. With a foreword by bestselling author Joel Salatin The Pioneer Woman Cooks meets 100 Days of Real Food, on the Wyoming prairie. While Jill produces much of her own food on her Wyoming ranch, you don't have to grow all—or even any—of your own food to cook and eat like a homesteader. Jill teaches people how to make delicious traditional American comfort food recipes with whole ingredients and shows that you don't have to use obscure items to enjoy this lifestyle. And as a busy mother of three, Jill knows how to make recipes easy and delicious for all ages. "Jill takes you on an insightful and delicious journey of becoming a homesteader. This book is packed with so much easy to follow, practical, hands-on information about steps you can take towards integrating homesteading into your life. It is packed full of exciting and mouth-watering recipes and heartwarming stories of her unique adventure into homesteading. These recipes are ones I know I will be using regularly in my kitchen." - Eve Kilcher These 109 recipes include her family's favorites, with maple-glazed pork chops, butternut Alfredo pasta, and browned butter skillet corn. Jill also shares 17 bonus recipes for homemade sauces, salt rubs, sour cream, and the like—staples that many people are surprised to learn you can make yourself. Beyond these recipes, The Prairie Homestead Cookbook shares the tools and tips Jill has learned from life on the homestead, like how to churn your own butter, feed a family on a budget, and experience all the fulfilling satisfaction of a DIY lifestyle.

The Skinnytaste Cookbook HarperCollins

A James Beard Award nominee: "This year's best bread book . . . produces fantastic results! . . . It should be a mandatory purchase for its pizza dough alone" (Salon). Acclaimed professional baker Suzanne Dunaway reveals her truly revolutionary technique for baking unforgettable breads that require no fuss and no special equipment. The crusts are lighter, chewier, and the crumb is moist,

stays fresh longer, and has more intense flavor than most breads. Her ingredients are simply flour, water, yeast, salt—and passion. She uses no preservatives or additives of any kind. The recipes are her own creations, developed over years of trial and error. You will find focaccia, ciabatta, pane rustico, and pizza as well as breads from around the world such as baguette, sourdough flapjacks, blini, muffins, corn bread, brioche, African Spiced bread, kulich, and kolaches. In addition many of the basic bread doughs are fat-free, sugar-free, and dairy-free making them perfect for people on strict dietary or allergy regimes. There are also dozens of recipes for dishes you can make with bread: soufflés, soups, salads, and even desserts such as chocolate bread pudding. Plus, fun recipes to make with children. Suzanne Dunaway was the owner and head baker of Buona Forchetta Handmade Breads in Los Angeles, hailed as one of the seven best bakeries in the world by W Magazine. Gourmet called her breads "addictive." "If kneading makes you need a sit down and need a rest, then this book will encourage you back into the kitchen. A great bread making class for all of us lazy bread makers." —Foodepedia "Fabulous." —The Telegraph

How to Boil an Egg is the new collection of recipes from the trend-setting Rose Bakery in Paris. Following Rose Carrarini's critically acclaimed Breakfast, Lunch, Tea (Phaidon Press, 2006), this new cookbook features over 80 original recipes where the egg is the star -- from simple omelets to savory treats, pastries, desserts and more. How to Boil an Egg features nearly 40 specially-commissioned, full-page, original hand-drawn paintings of the finished dishes by award-winning botanical artist Fiona Strickland. The unique style and attention to detail that Rose Bakery prides itself on is captured in Strickland's illustrations -- which can take days to complete -- making the book as much a treat for the eye as for the taste buds. Carrarini opened Rose Bakery, a small Anglo-French bakery, shop, and restaurant, in Paris with her husband Jean-Charles in 2002, with the aim of serving fresh, simple, and healthy food. Rose's philosophy and approach to food proved extremely popular and there are now branches of Rose Bakery in London, Paris, Tokyo, Seoul, and Tel Aviv. *No Need to Knead* "O'Reilly Media, Inc."

There's a time in life when you wake up and realize you're on your own: if you don't feed yourself, it's buttered noodles for the rest of your days. HOW TO FEED YOURSELF gives you exactly what you need to take control of your tiny kitchen and feed yourself depending on what's in your fridge, what you're craving, and what's happening in your life. The goal isn't to be perfect, but to finally cook like a real adult. No special equipment or skills or ingredients or magic required. These recipes are based on the foods you probably have lying around—eggs, chicken, pasta, fish, potatoes, toast, grains, greens, and bananas. Once you've got those basics down, you'll learn how to make them anything but basic with dishes like Really Legit Breakfast Tacos, Leftover Vodka Pasta Sauce, and Empty Peanut Butter Jar Noodles. Next, you'll discover new flavor variations, including cinnamon toast three ways, how to make chicken not bland, and a complete theory of the seven best ways to stir fry. The real world of feeding yourself is actually pretty great. Welcome. Go forth and cook like a real person.

The Cookbook Lulu Press, Inc

A New York Times Bestseller Winner of the James Beard Award for General Cooking and the IACP Cookbook of the Year Award "The one book you must have, no matter what you're planning to cook or where your skill level falls."—New York Times Book Review Ever wondered how to pan-fry a steak with a charred crust and an interior that's perfectly medium-rare from edge to edge when you cut into it? How to make homemade mac 'n' cheese that is as satisfyingly gooey and velvety-smooth as the blue box stuff, but far tastier? How to roast a succulent, moist turkey (forget about brining!)—and use a foolproof method that works every time? As *Serious Eats's* culinary nerd-in-residence, J. Kenji López-Alt has pondered all these questions and more. In *The Food Lab*, Kenji focuses on the science behind beloved American dishes, delving into the interactions between heat, energy, and molecules that create great food. Kenji shows that often, conventional methods don't work that well, and home cooks can achieve far better results using new—but simple—techniques. In hundreds of easy-to-make recipes with over 1,000 full-color images, you will find out how to make

foolproof Hollandaise sauce in just two minutes, how to transform one simple tomato sauce into a half dozen dishes, how to make the crispiest, creamiest potato casserole ever conceived, and much more.

In this innovative cookbook, James Beard award-winning author Michael Ruhlman explains why the egg is the key to the craft of cooking. For culinary visionary Michael Ruhlman, the question is not whether the chicken or the egg came first, it's how anything could be accomplished in the kitchen without the magic of the common egg. He starts with perfect poached and scrambled eggs and builds up to brioche and Italian meringue. Along the way readers learn to make their own mayonnaise, pasta, custards, quiches, cakes, and other preparations that rely fundamentally on the hidden powers of the egg. A unique framework for the book is provided in Ruhlman's egg flowchart, which starts with the whole egg at the top and branches out to describe its many uses and preparations -- boiled, pressure-cooked, poached, fried, coddled, separated, worked into batters and doughs, and more. A removable illustrated flowchart is included with this book. Nearly 100 recipes are grouped by technique and range from simple (Egg Salad with Tarragon and Chives) to sophisticated (nougat). Dozens of step-by-step photographs guide the home cook through this remarkable culinary journey.
