A2 Level Psychology Hachette UK  
This new edition of the Holt and Lewis  
AQA Psychology textbook offers  
comprehensive coverage of the new AQA  
syllabus. Written by two experienced  
teachers, examiners and textbook  
authors, this revised edition  
accommodates the changes to the  
English AQA specification, with thorough  
coverage of both AS level and A level

year 1. 'Ask an examiner' hints and tips, glossaries, web links and exam-style practice questions provide everything students need to learn and succeed. This easy-to-read, visually engaging textbook also features: evaluations of key studies to encourage reflection and critical analysis, aid understanding and give context; detailed exploration of research methods to help develop analytical and mathematical skills; 'Ask an examiner' hints and tips, practice questions and a section on exam preparation and revision, providing everything students

need to prepare for their exams; lists of key terms, QR codes and web links to help explain key issues; carefully chosen images to promote debate and discussion and help ideas stick, colour-coded material for ease of use and checklists to break down everything you need to know for each topic; and clearly identified A level only material, enabling it to be easily distinguished from AS material.

Crown House Publishing

The Extending Knowledge and Skills series is a fresh approach to A Level Psychology, designed for greater demands of the new AQA specification and assessment, and especially written to stretch and challenge students aiming for higher grades. Dealing with the AQA's Paper 3: Forensic Psychology, this

book is deliberately laid out with the assessment objectives in mind, from AO1: Knowledge and understanding material, followed by AO2: Application material, to AO3: Evaluation and analysis material. Providing the most in-depth, accessible coverage available of individual topics in Paper 3, the text is packed full of pedagogical features, including: Question Time features to ensure that the reader is consistently challenged throughout the book. New research sections clearly distinguished within each chapter to ensure readers have access to the most cutting-edge material. A clear focus on the assessment objectives for the Paper topic to ensure readers know when and where to apply knowledge. The use of example answers with examiner style

comments to provide greater insight into how to/how not to answer exam questions. An engaging, relevant and challenging text which broadens student understanding beyond that of the average textbook, this is the essential companion for any student taking the AQA A Level Paper 3 in Psychology.
