Developing Collective Transformational Leadership WestBow Press

How should we help equip the church leaders of Africa today? There remains a well-documented lack of theologically sound, Bible-centric preaching in Sub-Saharan Africa. The majority of sermons are preached by untrained (or undertrained) church leaders. Following a practical theology praxis, this book develops a conceptual framework for the evaluation of existing "alternative" approaches to "grassroots" preacher training. It also proposes broad principles for effective preacher training, and offers a practical solution. The 20th century had seen the Christian church in Africa grow 36 fold to 360 million. This amazing growth is arguably "the largest religious change in human history in such a short period." It has shifted the focus of Christianity from North to South. This rapid growth is - debatably - considered by some missiologists and theologians to have resulted in an African church "a mile wide and an inch deep." That is, a church of great size but lacking in spiritual depth. The rapid growth has led to insufficient numbers of trained leaders being available to oversee their congregations. Most leaders are unpaid. Untrained or undertrained leaders have an inadequate knowledge of scripture, and lack understanding of its interpretation. They also lack the skills they need to communicate its truths. Even so, they preach up to 90% of the sermons in rural Africa. Despite a tremendous hunger for training among many of those preachers, "traditional" college based theological education cannot keep up with the demand for trained pastors and preachers in an affordable or culturally appropriate manner.

Ever asked Jesus what he likes best about you? Jesus longs to speak to your deepest desires. These powerful yearnings for things like love, approval, freedom, belonging, and significance animate our lives and lie at the root of the thorny behaviors we most want to change. Our true desires were designed to be filled in our relationship with Jesus. But most of us never learned how to ask. Questions for Jesus takes you on the exhilarating adventure of hearing Jesus speak to the deepest places of your heart. Your own desires will surface as the meditations help you enter into the thoughts and feelings of characters in the gospel of Matthew. After watching Jesus touch that person's desire, the book will launch your own heart encounter with with five creative, intimate questions for Jesus, like these: "Jesus, what are you proud of in me today? How am I touching your desire?" "Jesus, what will it be like for you to tell the story of the life you and I have lived together to all of heaven?" "How am I valuable to you? What makes me worth your time and attention?" "So what's it like for you to not be afraid of anything?" "Who do you say that I am, Jesus?" Written by a master of the art of asking, the 52 meditations in Questions for Jesus will help you or your small

group add an exhilarating new dimension to your prayer life, and encounter Jesus in profound new ways. Using this BookWritten in a devotional format, Questions for Jesus focuses on the passages in the book of Matthew where Jesus touches an individual's deep desire. The author weaves each scene into a powerful story that brings the bible to life, putting you inside the thoughts and feelings of the characters (Jesus included!) Then, you simply take one of the five desire prayers given for each story and ask Jesus that question. You'll talk about what Jesus was experiencing in those situations, how he feels about waiting for and preparing for your arrival in heaven, what your meeting there will be like, Jesus' own deep desires, and much more. Talking with Jesus is much easier when you are asking the right questions! With 52 devotional meditations (each with five questions) this book can provide a year's worth of encounters with the goodness of God. Facing pages offer space to journal your answers, and pithy articles spaced throughout the text show you how the heart works, how to create your own desire prayers, ways to overcome obstacles to hearing God speak, etc. A free Questions for Jesus Group Guide is also available, letting you use Questions for Jesus with small groups, leadership teams or churches.

Ever wish you had a road map to follow to your God-given destiny? The Calling Journey is just such a map, revealing the common stages and transitions leaders go through on the pathway to their call. As you read what successful leaders from all walks of life experienced on the destiny road, you'll gain an amazing perspective on how God is leveraging everything in your own story to make his dream for you come true. Along the way, you'll learn how to identify key stages in your own journey and build a personal calling timeline. When you discover what God's agenda is for each stage, you can lean into what he is doing in you instead of fighting the process. Developed by a master leadership coach, the timeline model emerged from comparing

the life stories of biblical characters to those of contemporary leaders. Through hundreds of coaching encounters, plus extensive interviews with Christian leaders in business, ministry, politics and other spheres, Tony discovered that God takes each of us through predictable stages of upward growth separated by "valleys" of adversity and inner formation. While we tend to view the difficult times in the valleys as failures or detours, Tony shows how they form a vital part of God's strategy for leadership development. Just as Joseph's repeated betrayal and elevation birthed the life message that is his greatest legacy ("You meant it for evil, but God meant it for good"), *The Calling Journey* shows how the Great Redeemer transforms times of heartache into the seedbed of a world-changing life. *The Calling Journey* depicts four stages and three valleys on an easy-to-understand graphical timeline. Dozens of personal stories (along with tales of historical and biblical travelers) bring the journey to life. Coupled with an innovative understanding of call as the unique way Jesus is incarnated in us by our story, this in-depth look at the purpose of life reveals how God truly is good all the time.

The 4 Disciplines of Execution BookPros, LLC

A leader's job is to unleash the unlimited store of potential in people. "The vast majority of the workforce in any organization possesses far more talent, intelligence, capability, and creativity than their present jobs require or even allow." - Dr. Stephen R. Covey That's what *Talent Unleashed* is about—unleashing that unlimited store of potential in people. That's a leader's job. And how does a leader do that job? Through *3 Leadership Conversations*—not just individual events, but ongoing discussions designed to help people give the best they can. In

these conversations, leaders trade fear for trust, confusion for clarity, and micromanaging for empowerment. The three vital leadership conversations are: • The Performance Conversation • The Voice Conversation • The Clearing the Path Conversation

Performance Conversations define roles and set clear goals. Leaders hold people accountable for these roles and goals, thus transforming team members from “managed hirelings” to “trusted partners and teammates.” Voice Conversations affirm the worth and potential of each person on a team. Leaders help individuals discover their unique gifts, talents, and abilities and align these gifts, talents, and abilities to the great mission of the organization. It is the process that ignites the inner fire. Clear the Path Conversations turn supervisors into leaders who become sources of help and empower people to succeed in their jobs. Leaders help clear away the obstacles from the success pathway.

Performance Coaching Skills for Social Work How To Books
Traditional models of spiritual transformation and leader development depend on the ability of experts to impart their knowledge, experience, and advice to others. But what we have discovered is that receiving information and advice alone does not lead to transformation and growth. This happens only when a person becomes internally motivated to change. Coaching empowers people to change without telling them what to do. To be empowered means to take ownership of and responsibility for shaping your own future. This is based on the principle that the people you coach will understand, value, and apply for themselves what you help them to discover, not what you tell them. We are also convinced that as churches and faith-based organizations discover the power and possibilities of coaching, there will be a growing effort to rebuild ministries and develop leaders around what we call the Coaching-Based Ministry(TM) model. This book is built around helping you find answers to three key questions. - Why coaching? - What is it like to be coached? - What does it take to become an effective coach? It is our hope and prayer that you will find meaningful answers to those questions and will then join us in bringing Coaching-Based Ministry(TM) to the churches and faith-based organizations in your area. When an individual or an organization recognizes the need to improve, they often search for a coach. Greenlee explores the benefits of coaching (for coaches and coachees alike) in this servant leadership guide. She defines what coaching is, explores its origins, and answers key questions such as: • What kind of coach is needed to assist with ongoing staffing issues? • What do leadership development and coaching entail? • What should a potential client or coachee look for in a coach? • Does it matter if the coach is internal or external? She also explains what individuals and organizations should expect from a coach; the particular skills, certifications, and education that professional coaches should have; and strategies to get the most out of coaching—all within the context of Christianity.
