From a private jet to an interlude in Paris, from a daring tryst in a public museum to the intimacy of a luxury hotel, Francesca and Ian come together whenever the

need is aroused. But as their relationship grows more intense, Francesca discovers something about Ian—and herself—that forever changes the game and the players. It's something they never expected, something that sends both their lives spinning deliriously out of control . . .

It's rumored that she's a former beauty queen (true) who ditched her fiancé the morning of their wedding (also true). positively true. When Lucas Campbell isn't at the family veterinary clinic, he's paddle boarding in Monterey Bay. Recently single, he's definitely not in the market for a new relationship, but he still can't resist taking a second, third, and fourth look at the recent arrival of Miss Golden State. Neither Lucas nor Chloe has any interest in being tied down. Being tied up, however—now

there's a thought. But are a few Mai Tais, a moonlit night, and the music of Frank Sinatra enough to allow them both to forget their past? Let's hope Ol' Blue Eyes knows what he's doing.  EverAfter Romance  
 Former overachiever Lucy Williams sucks at adulting.  
 Recent divorce, check.  
 Pending lawsuit, check.

A move back to Boston to live with her mother, triple check. It can't get much worse, right? When she starts her new marketing job at EXtreme Effects, she's positive shit's stopped hitting the fan. Sure, what she's advertising is a little ... unorthodox, but it pays the bills. And since she's seconds away from becoming Lucy Williams: Wednesday Night Bingo Enthusiast, she needs money to get

the hell out of her mother's house. The only problem is her boss, Mr. Extreme himself: Jace Exley. He's everything any sane woman dreams of—alpha, successful, ridiculously gorgeous. He's also Lucy's worst nightmare. Because like every overachiever, she has that underachiever she brushed off. The slacker who, once upon a time ago, was the object of her dirtiest schoolgirl

fantasies. Jace Exley—with his sarcastic smirk and delicious accent—just happens to be that guy. And the friction between them? Well, that’s the only adulting Lucy seems to be winning at.

Because You Are Mine

Penguin

The sublime is confused with the ridiculous in this savage commentary on the human condition, a staple of every theatre classroom and 20th century drama. A small town is besieged by

one roaring citizen who becomes a rhinoceros and proceeds to trample on the social order. As more citizens are transformed into rhinoceroses, the trampling becomes overwhelming, and more and more citizens become rhinoceroses.

One sane man,

Berenger, remains, unable to change his form and identity.

May Mozaika LLC

Develops a theory of

contemporary culture that relies on displacing economic notions of cultural production with notions of cultural expenditure.

This book represents an effort to rethink cultural theory from the perspective of a concept of cultural materialism, one that radically redefines postmodern formulations of the body.

**Rhinoceros**

Hodder & Stoughton

Get swept up in all the

gritty, wild details of a roller-coaster love story with the ultimate bad boy in the first spinoff novel after 44 CHAPTERS ABOUT 4 MEN, the book that inspired the hit Netflix original series SEX/LIFE. In 1997, Ronald “Knight” McKnight was the meanest, most misunderstood guy in town. . . perhaps on the entire planet. He hated everyone, except for BB Easton—the perky, quirky punk chick he couldn’t avoid.

BB, on the other hand, liked everybody . . . except for Knight. She was scared to death of him, actually. All she wanted was to marry Little Mermaid’s Prince Eric-lookalike and king of the local punk scene Lance Hightower. But Knight was patient. Persistent. Unexpected. And once he got under BB’s skin, her life would never be the same. A forbidden love story overflowing with '90s

nostalgia, dark humor, and heart-wrenching angst, and based on a true story. **New Moon** Penguin From the New York Times bestselling author of Archer’s Voice comes a heart-wrenching new stand-alone contemporary romance. A broken woman . . . Crystal learned long ago that love brings only pain. Feeling nothing at all is far better than being hurt again.

She guards her wounded heart behind a hard exterior and carries within her a deep mistrust of men, who, in her experience, have only ever used and taken. A man in need of help . . . Then Gabriel Dalton walks into her life. Despite the terrible darkness of his past, there's an undeniable goodness in him. And even though she knows the cost, Crystal finds herself drawn to Gabriel. His quiet strength

is wearing down her defenses and his gentle patience is causing her to question everything she thought she knew. Only love can mend a shattered heart . . . Crystal and Gabriel never imagined that the world, which had stolen everything from them, would bring them a deep love like this. Except fate will only take them so far, and now the choice is theirs: Harden their hearts

once again or find the courage to shed their painful pasts. Praise for Mia Sheridan: 'If you loved Archer's Voice, you will love Most of All You...
