"Tounge nor pen can never tell the sorrow" Columbia University Press
From the best-selling author of *One Day* comes a bittersweet and brilliantly funny coming-of-age tale about the heart-stopping thrill of first love--and how just one summer can forever change a life. Now: On the verge of marriage and a fresh start, thirty-eight year old Charlie Lewis finds that he can't stop thinking about the

past, and the events of one particular summer. Then: Sixteen-year-old Charlie Lewis is the kind of boy you don't remember in the school photograph. He's failing his classes. At home he looks after his depressed father--when surely it should be the other way round--and if he thinks about the future at all, it is with a kind of dread. But when Fran Fisher bursts into his life and despite himself, Charlie begins to hope. In order to spend time with Fran, Charlie must take on a challenge that could lose him the respect of his friends and require him to become a different person. He must join the

Company. And if the Company sounds like a cult, the truth is even more appalling: The price of hope, it seems, is Shakespeare, Romeo and Juliet learned and performed in a theater troupe over the course of a summer. Now: Charlie can't go the altar without coming to terms with his relationship with Fran, his friends, and his former self. Poignant, funny, enchanting, devastating, *Sweet Sorrow* is a tragicomedy about the rocky path to adulthood and the confusion of family life, a celebration of the reviving power of friendship and that brief, searing explosion of first love that can only be looked at

directly after it has burned out.

The Vietnam War remains a topic of extraordinary interest, not least because of striking parallels between that conflict and more recent fighting in the Middle East. In *The Vietnam War*, Mark Atwood Lawrence draws upon the latest research in archives around the world to offer readers a superb account of a key moment in U.S. as well as global history. While focusing on American involvement between 1965 and 1975, Lawrence offers an unprecedentedly complete picture of all sides of the war, notably by examining the motives that drove the Vietnamese communists and their foreign allies. Moreover, the book carefully considers both the long- and short-term origins of the war. Lawrence examines the rise of Vietnamese communism in the early twentieth century and reveals how Cold War anxieties of the 1940s and 1950s set the United States on the road to intervention. Of course, the heart of the

book covers the "American war," ranging from the overthrow of South Vietnamese President Ngo Dinh Diem to the impact of the Tet Offensive on American public opinion, Lyndon Johnson's withdrawal from the 1968 presidential race, Richard Nixon's expansion of the war into Cambodia and Laos, and the problematic peace agreement of 1973, which ended American military involvement. Finally, the book explores the complex aftermath of the war--its enduring legacy in American books, film, and political debate, as well as Vietnam's struggles with severe social and economic problems. A compact and authoritative primer on an intensely relevant topic, this well-researched and engaging volume offers an invaluable overview of the Vietnam War.

War and Survival Harvard University Press

Classic warped and wonderful stories from a "genius" (The New York Times) and master storyteller. Brief, intense, painfully funny, and shockingly honest, Etgar Keret's stories are snapshots that illuminate with intelligence and wit the hidden truths of life. As with the best writers of fiction, hilarity and anguish are

the twin pillars of his work. Keret covers a remarkable emotional and narrative terrain—from a father's first lesson to his boy to a standoff between soldiers caught up in the Middle East conflict to a slice of life where nothing much happens. New to Riverhead's list, these wildly inventive, uniquely humane stories are for fans of Etgar Keret's inimitable style and readers of transforming, brilliant fiction.

A Novel of North Vietnam Steerforth

A personal memoir of the war in Vietnam, in which the author first served as a Marine and which he later covered as a reporter.

Focuses on a crucial two-day battle in Vietnam that was also marked by an ill-fated protest by University of Wisconsin students at the Dow Chemical Company, in an hour-by-hour narrative.

The Beauty and the Sorrow Koehler Books
 A young survivor of the Bosnian War returns to his homeland to confront the people who betrayed his family. The story behind the YA novel *World in Between: Based on a True Refugee Story*. At age eleven, Kenan Trebinčević was a happy, karate-loving kid living with his family in the quiet Eastern European town of Brčko. Then, in the spring of 1992, war broke out and his friends, neighbors and teammates all turned on him. Pero - Kenan's beloved karate coach - showed up at his door with an AK-47 - screaming: "You have one hour to leave or be killed!" Kenan's only crime: he was Muslim. This poignant, searing memoir chronicles Kenan's miraculous escape from the brutal ethnic cleansing campaign that swept the former Yugoslavia. After two decades in the United States, Kenan honors his father's wish to visit their homeland, making a list of what he wants to do there. Kenan decides to confront the former next door neighbor who stole from his mother, see the concentration camp where his Dad and brother were imprisoned and stand on the grave of his first betrayer to make sure he's really dead. Back in the land of his

birth, Kenan finds something more powerful—and shocking—than revenge. *from The Sorrow of War* Penguin Classics
 "The best book to have been written about the Vietnam War" (The New York Times Book Review); an instant classic straight from the front lines. From its terrifying opening pages to its final eloquent words, *Dispatches* makes us see, in unforgettable and unflinching detail, the chaos and fervor of the war and the surreal insanity of life in that singular combat zone. Michael Herr's unsparing, unorthodox retellings of the day-to-day events in Vietnam take on the force of poetry, rendering clarity from one of the most incomprehensible and nightmarish events of our time. *Dispatches* is among the most blistering and passionate accounts of war in our literature.

Patriots Vintage

A classic novel in the tradition of *The Tin Drum*, *The Sorrow of Belgium* is a searing, scathingly funny portrait of a wartime Belgium and one boy's coming of age -- emotionally, sexually, and politically. In 1939, Louis Seynaeve, a ten-year-old Flemish student, is chiefly occupied with schoolboy adventures and lurid adolescent

fantasies. Then the Nazis invade Belgium, and he grows up fast. Bewildered by his family -- a stuffy father who actually welcomes the occupation and a flirtatious mother who works for (and plays with) the Germans -- he is seemingly at the center of so much he can't understand.

Gradually, as he confronts the horrors of the war and its aftermath, the eccentric and often petty behavior of his colorful relatives and neighbors, and his own inner turmoil, he achieves a degree of maturity - - at the cost of deep disillusion. Epic in scope, by turns hilarious and elegiac, *The Sorrow of Belgium* is the masterwork by one of the world's greatest contemporary authors. Book jacket.

Vietnamese Short Stories of the American War and Its Aftermath Arrow

Intense, powerful, and compelling, *Matterhorn* is an epic war novel in the tradition of Norman Mailer's *The Naked and the Dead* and James Jones's *The Thin Red Line*. It is the timeless story of a young Marine lieutenant, Waino Mellas, and his comrades in Bravo Company, who are dropped into the mountain jungle of Vietnam as boys and forced to fight their way into manhood. Standing in their way

are not merely the North Vietnamese but also monsoon rain and mud, leeches and tigers, disease and malnutrition. Almost as daunting, it turns out, are the obstacles they discover between each other: racial tension, competing ambitions, and duplicitous superior officers. But when the company finds itself surrounded and outnumbered by a massive enemy regiment, the Marines are thrust into the raw and all-consuming terror of combat. The experience will change them forever. Written by a highly decorated Marine veteran over the course of thirty years, *Matterhorn* is a spellbinding and unforgettable novel that brings to life an entire world—both its horrors and its thrills—and seems destined to become a classic of combat literature.

Other Moons St. Martin's Press

Forgiveness is a hollow prayer you only hear in your dreams. Patrick Collins has spent years handling cases as a special agent for the Supernatural Operations Agency, even as his secret standing in the preternatural world has changed. He should have confessed to his role as co-leader of the New York City god pack when he and Jonathon de Vere took up the

mantle months ago, but he didn't. Now that split loyalty will cost him at a time when he can least afford it. Outmaneuvered, framed for murder, and targeted by the Dominion Sect, Patrick has to face a past full of lies to regain his freedom. Revealing the truth means he'll need to give up the life that has defined him. Everything he's fought to build with his pack is at stake, and losing them isn't a price Patrick is willing to pay, but some choices aren't his to make. Jono knows they can't cede any more territory if they want to win the god pack civil war spilling into the streets of New York City. But the souls of werecreatures are free for the taking when demons come to town and angels sing a warning no one can ignore. When Jono's worst fear comes to life, and he loses the one person he can't live without, the only option left is to fight. Facing down the demons of their past and the ones in their present, Patrick and Jono will learn the hard way that some sins never wash away clean. *An Echo in the Sorrow* is a 118k word m/m urban fantasy with a gay romantic subplot. It is a direct sequel to *On the Wings of War*. Reading the first book in the series would be

helpful in enjoying this one.

[A Rumor of War](#) Basic Books

From the daring and controversial autobiographical novel that took the world by storm—the harrowing opening section of *The Sorrow of War*. Bao Ninh, a former North Vietnamese soldier, provides a strikingly honest look at how the Vietnam War forever changed his life, his country, and the people who live there in the book that was originally published against government wishes in Vietnam because of its nonheroic, non-ideological tone and since won worldwide acclaim and become an international bestseller. One of the few survivors of his brigade, Kien at forty longs for solace from the parade of horrific memories and nightmares that plague him. By night, uneasy, he writes the manuscript that he believes is his duty and hopes will finally rid him of his devils. A Vintage Shorts Vietnam Selection. An ebook short.

An Echo in the Sorrow Vintage
Paradise of the Blind is an exquisite portrait of three Vietnamese women struggling to survive in a society where subservience to men is expected and Communist corruption crushes every

dream. Through the eyes of Hang, a young woman in her twenties who has grown up amidst the slums and intermittent beauty of Hanoi, we come to know the tragedy of her family as land reform rips apart their village. When her uncle Chinh's political loyalties replace family devotion, Hang is torn between her mother's appalling self-sacrifice and the bitterness of her aunt who can avenge but not forgive. Only by freeing herself from the past will Hang be able to find dignity -- and a future.

Nothing Ever Dies Viking Adult

One of The New York Times Book Review's 10 Best Books of the Year On the morning of December 26, 2004, on the southern coast of Sri Lanka, Sonali Deraniyagala lost her parents, her husband, and her two young sons in the tsunami she miraculously survived. In this brave and searingly frank memoir, she describes those first horrifying moments and her long journey since. She has written an engrossing, unsentimental, beautifully poised account: as she struggles through the first months following the tragedy, furiously clenched against a reality that she cannot face and cannot deny; and then, over the ensuing years, as she

emerges reluctantly, slowly allowing her memory to take her back through the rich and joyous life she's mourning, from her family's home in London, to the birth of her children, to the year she met her English husband at Cambridge, to her childhood in Colombo; all the while learning the difficult balance between the almost unbearable reminders of her loss and the need to keep her family, somehow, still alive within her.

Sweet Sorrow Vintage

When bombardier Micah Lund dies on a mission over Hiroshima, his spirit remains trapped in the land of his enemies. Dazed, he follows Kiyomi Oshiro, a war widow struggling to care for her young daughter, Ai. Food is scarce, work at the factory is brutal, and her in-laws treat her like a servant. Watching Kiyomi and Ai together, Micah reconsiders his intolerance for the people he'd called the enemy. As his concern for the mother and daughter grows, so does his guilt for his part in their suffering. Micah finds a new reality when Kiyomi and Ai dream-one which allows him to interact with them. While his feelings for Kiyomi deepen, imminent destruction looms. Hiroshima is about to be bombed,

and Micah must warn Kiyomi and her daughter. In a place where dreams are real, Micah races against time to save the ones he loves the most. In the Realm of Ash and Sorrow is a tale about love in its most extraordinary forms-forgiveness, sacrifice, and perseverance against impossible odds.

During the Vietnam War Bao Ninh served with the Glorious 27th Youth Brigade. Of the five hundred men who went to war with the brigade in 1969, he is one of only ten who survived. The Sorrow of War is his autobiographical novel. Kien works in a unit that recovers soldiers' corpses.

Revisiting the sites of battles raises emotional ghosts for him and the memory of war scenes are juxtaposed with dreams

and remembrances of his childhood sweetheart. The Sorrow of War burns the tragedy of war in our minds.

The Sorrow of Belgium The Sorrow of War A Novel

"[An] exceptionally raw look at the Vietnam War . . . an excellent tribute to the generation that fought, laughed, and died in Southeast Asia." —New York Journal of Books This is the second volume of a Green Beret's riveting memoir of his time serving in Recon Teams Habu and Crusader, CNN, part of Military Assistance Command, Vietnam—Studies and Observations Group (MACV-SOG). Picking up where We Few left off, Whispers in the

Tall Grass opens as the war moves into a new phase. The enemy are using special formations to hunt recon teams and missions are now rarely accomplished without heavy contact. Despite the teams' careful prep, losses are mounting. More and more missions are extracted by Bright Lights until eventually classic recon missions are almost impossible, and the teams briefly trial HALO insertion. Finally, as the US prepares to withdraw, the teams undertake back-to-back missions directing air strikes and disrupting supply lines to ease the pressure on the ARVN. Broken by the pace, but desperate not to leave the Yards, Brokhausen is ordered to out-

process, his request for extension denied, and is forced to leave his friends—his brothers—behind. Written in the same vivid, immediate style that made We Few a cult classic, Whispers in the Tall Grass follows Habu, Crusader and other teams as they undertake missions in this new, deadlier phase of the war. The narrative veers from hair-raising to tragic and back as the teams insert into hot targets, act as Bright Light for stricken teams, and play hard in between missions to diffuse the ever-rising tension. "Brokhausen tells all in a masterfully gonzo style of reporting and recollection shaped by clever gallows humor." —Booklist
