---

**Instructor's Manual to Accompany Baron and Byrne Social Psychology** Academic Internet Pub Incorporated

This text has now been combined with a free, online source of relevant and timely articles on social psychology. This Research Edition provides many opportunities for students to go beyond the book and learn more about social psychology from articles in leading social science journals, popular magazines, and the New York Times.

Study Guide to Accompany Baron and Byrne's Social Psychology Allyn & Bacon

The aim of this text is to make the subfield of social psychology more integrated in the umbrella field, to make solid research more lively and approachable, and to explain how the fundamental principles of social psychology are important on an international scale.

Study Guide for Baron and Byrne, Social Psychology, Understanding Humaninteraction Addison-Wesley Longman

With chapter reviews, profiles of classic research studies, real-life examples and connections tables to link each chapter to the field as a whole, this book provides an introduction to the fundamentals of social psychology.
