The beloved bestseller from Newbery Medalist and National Book Award winner Louis Sachar (Holes), with a brand-new cover! "Give me a dollar or I'll spit on you." That's Bradley Chalkers for you. He's the oldest kid in the fifth grade. He tells enormous lies. He picks fights with girls, and the teachers say he has serious behavior problems. No one likes him—except Carla, the new school counselor. She thinks Bradley is sensitive and generous, and she even enjoys his far-fetched stories. Carla knows that Bradley could change, if only he weren't afraid to try. But when you feel like the most hated kid in the whole school, believing in yourself can be the hardest thing in the world. . . .

Every person on the planet has experienced loss; that's a brutal fact of life. But in these darkest times, we are presented with much more than just grief; we are given the opportunity to learn, heal, and grow. When you reach a place where you can view setbacks as reminders to appreciate the good things in your life, you have taken the first step to owning your destiny as a happier, more joyful, and more successful person. Carlos Wallace, president and CEO of entertainment management firm Sol-Caritas, has known his share of sadness and loss. In those times, he goes back to the lessons he learned from his parents and grandparents. From their hardship, he draws inspiration for strength. In their history, he finds encouragement for his future. The answers you're looking for are within reach. Perhaps the solution to your problem has already been revealed to you, but how will you know where to find the answers? When things spin out of control and you lose direction, these lessons can help you. Life really isn't all that complicated. People, on the other hand, are. No matter how long it takes to get to where you need to be, as long as you take that first step, you'll be further along than if you did nothing at all.

Being Bold is the next in a line of inspirational and motivational books written by American author and novelist, Richelle E. Goodrich. In the same vein as Smile Anyway, Making Wishes, and Slaying Dragons, Being Bold includes quotes, poetry, and a number of short stories. Enjoy a profound thought for every day of the year, including the popular following: "Life made me an actor from birth. The world, darling, is not my stage but my audience." "Don't sink too deep into yourself. That is the secret to happiness." "Friends make everything easier. If you want to succeed at a challenge, involve your friends. They have an amazing capacity to lighten physical, emotional, and mental burdens by simply being there." "Life can be awful. Life can be ugly. And still there are those who smile at the darkness, anticipating the beauty of an eventual sunrise." "Yes, love is a super power. It is the ultimate super power." "When a monster grows quiet and crumbles to the ground weeping, you feel sorry for him. You may approach with caution and hope, whispering words of peace. But in the morning he will rise to his full height, roaring and stomping and baring his sharp teeth because he is, after all, a monster." This book was written to be used for daily inspiration and motivation.
