Field Sampling Oxford University Press, USA

This comprehensive book is specially developed for the M.A. Political Science candidates of Delhi University for Entrance Test. This book includes Study Material, Previous Paper (Solved) for the purpose of practice of questions based on the latest pattern of the examination. Detailed Explanatory Answers have also been provided for the selected questions for Better Understanding of the Candidates.

Themes and Thinkers Ramesh Publishing House

Indian Political Thought: Themes and Thinkers covers all major Indian political thinkers from the ancient, through medieval to the modern times. Thus, this book provides an overview of the evolution of the Indian political thought through different historical periods, giving an insight into the

sociological and political conditions of the times that shaped the Indian political thinking. It does not only talk about the lives and times of the thinkers, but also explores the important themes that formed the basis of their political ideologies. The chapters discuss the contributions of the thinkers and at the same time examine some important themes including the theory of state, civil rights, ideal polity, governance, nationalism, democracy, social issues like gender and caste, swaraj, satyagraha, liberalism, constitutionalism, Marxism, socialism and Gandhism. With a comprehensive coverage of both the thinkers and the themes of the Indian political thought, this book caters to needs of the undergraduate as well as the post graduate courses of all Indian universities. It is valuable also for UGC-NET and civil service examinations.

Death at the Durbar CRC Press

"This new edition of Will Kymlicka's best selling critical introduction to contemporary political theory has been fully revised to include many of the most significant developments in Anglo-American political philosophy in the last 11 years, particularly the new debates on political liberalism, deliberative democracy, civic republicanism, nationalism, and cultural pluralism." "The book now includes two new chapters on citizenship theory and multiculturalism, in addition to updated chapters on utilitarianism, liberal egalitarianism, libertarianism, Marxism, communitarianism, and feminism. Extended guides to further reading have been added at the end of each chapter, listing the most important books and articles on each school of thought, as well as relevant journals and web sites."--BOOK JACKET.

Mass Communication Entrance Exam Ramesh Publishing House

From the ancient cultures of the Middle East have sprung three of the world's major religions, outstanding accomplishments in literature and science, and seemingly never-ending conflict - compounded now not only by geopolitics, but by the international hunger for oil and the web of global terrorism. But who are the Arabs, these remarkable people who have accomplished so much and who continue to both fascinate and confront the West? Philip K. Hitti's eloquent short history is an acknowledged classic offering the best and quickest grasp of Arab history and culture. Now with a new introduction by renowned MIT historian, Philip Khoury.

Delhi University M.A. Political Science Entrance Exam Guide Oxford : Oxford University Press

Macro economics examines the events and forces that effects one's economy but which originates from outside of one's defined geo-economic area. Macro events may be financial events such as the faltering of an economy of another country as well as non financial events such as the effects on a societies economy as a result of a major nature event such as a flood or earthquake. A chart would help outline the key factors in a macro economic society.
