650 Idioms and Proverbial Phrases in Modern Standard Arabic is the ideal tool for learners of Arabic who wish to improve their knowledge and comprehension of Arabic language and culture and make their language more expressive and

idiomatic. Including over 650 idiomatic expressions found in contemporary Arabic, this book is divided into two parts. Part I lists the idioms alphabetically for ease of use, providing English equivalents and a range of illustrative example sentences to show how the idioms are used in different contexts. The idioms are chosen based on frequency of use in written Arabic as well as oral speech, in Arabic literature and mass media. Part II includes 30 practice exercises structured around original texts which include the idioms covered in Part I. These practice exercises encourage students to review the meanings of idioms while improving their reading skills and familiarity with various text genres. Designed to be comprehensive, accurate, and easy to use, the book reflects the daily use of Arabic and draws on real and authentic use of the language. Suitable for use as a textbook or reader, this is an ideal resource for students at CEFR level B1 to C2 or Intermediate-High to Advanced-High on the ACTFL proficiency scale.

A long time ago, Joel Wentworth told me he'd love me for infinity . . . and I can't give up hope that it might have been true. How long does it take to get over your first love? Eight years should be long enough. My mind knows that, but there's no convincing my heart. Guys like Joel weren't supposed to fall for girls like me. He had his pick of women at University, but somehow the laws of nature were defied and we fell crazy in love. After

graduation, Joel left to pursue his career in New York. He wanted me to go with him but my life was in London. We broke up and my heart split in two. I haven't seen or spoken to him since he left. If only I'd known that I'd love him this long, this painfully, this desperately. I might have said yes all those years ago. He might have been mine all this time in between. Now, he's moving back to London and I need to get over him before he gets over here. But how do you forget someone who gave you so much to remember? Hopeful is a stand alone, sexy contemporary romance.
