Event planner Jen Weaver loves weddings and romance-for other people. She'd rather focus on her career and leave the emotional stuff to her clients. When her best friend asks Jen to plan her wedding, resisting best man Liam Galloway is not on the agenda, but he tests her willpower anyway. An unwanted intruder in her thoughts and desires, he is charming, panty-melting, and persistent. Perpetual bachelor Liam feels something inside him click into

place when he reacquaints himself with feisty, beautiful, and assured Jen. Unfortunately for him, marriage isn't on her bucket list. Determined to win her over by any means necessary, the hopeless romantic proposes fun with no commitment, hoping he'll sway her opinion on love. Can Liam convince Jen that he's worth the fall? Will Jen accept that a career and love are not mutually exclusive? Or will she realize-too late-that some things are worth the sacrifice?

Before becoming an author, George Mahood spent a decade working as a wedding photographer, covering over 250 weddings. In his tongue-in-cheek memoir, he lifts the lid on the industry

and the traditions and trends associated with the modern wedding. Sometimes controversial, often insightful, but always amusing, George Mahood offers some practical advice to those planning their own wedding, sharing stories of the weddings he photographed as well as his own marriage, while shedding some light on the role of the wedding photographer and what it is like to document the most important day in these couples' lives. *How Not to Get Married* CreateSpace DIRECTOR'S JORPLANNER NOTEBOOK, (because every film journey needs a plan). Specially design for directors, films students and filmmakers. It is a DAILY PLANNER notebook (directors agenda). Including in the template a "to do" list, "to remember" list, quotes, crew contact booth, and the DIRECTORS

NOTEBOOK SHEET (from the directors notebook collection) for extra planning. This is NOT a literature book to learn filmmaking. It is design for directors who actually make movies (shorts or Features), and want a simple but organize way to keep track of their daily "to do" things. (It has a template design for an entire year of annotations). The notebook has 400 pages in a glossy paperback cover. You can also find more CINEMA NOTEBOOKS FOR CINEMA ARTISTS in amazon (cinematographers notebook, producers notebook, filmmakers SPECIAL EDITION notebook, screenwriters notebook and more). "it is not a professional book but it helps you work professionally" JSV designer *The Doomsday Machine* Profile Books For anyone planning events—student,

novice, or experienced professional—Confessions of an Event Planner is an “apprenticeship in a book.” This insider’s guide takes you on a narrative journey, following a fictional event planning company that stages various types of events around the world for many different clients. While other books, college courses, and training programs give you the theory and how-to of the profession, Confessions of an Event Planner reveals the real world of event planning and what can happen—usually the unexpected—on an event program when actual participants are added to the event planning design and execution mix. In a climate of media scrutiny and corporate scandals, event planners must be masters of discretion, knowing how to avoid and deal with

everything from sexual romps to financial shenanigans, to chainsaw wielding salesmen dead set on “re-landscaping” the grounds of the resort they’re staying at. From an event planner who’s seen it all and knows how to deal with it all, comes practical first-hand advice delivered in an entertaining and accessible format. Each chapter is set in a unique location, with a cast of characters, and a host of challenges and problems to overcome—from the boardroom to the resort guest bedrooms. Readers learn what they can come up against, how to problem solve creatively on the fly, get ideas for staging spectacular events, and see the principles of event planning in action. The scenario in each chapter is introduced by an outline of what will be

covered in the chapter, and each chapter concludes with a series of review questions to explore key issues and stimulate reflection or discussion for individuals or groups. Ideal as a companion to Judy Allen's six other event planning books, as a textbook in event planning courses, or as a professional training tool Confessions of an Event Planner prepares planners for what they can expect once they start working in the world of corporate and social event planning, and will help decision-makers set company policies, procedures and protocol and promote discussion about codes of conduct in the office and offsite.

When people think of World of Warcraft, they think of a socially awkward, acne-faced teenager with "no life."

Confessions of a Teenage Gamer challenges those stereotypes and shows how a kid from a wealthy family with every opportunity at his fingertips ended up finding himself in a video game. Confessions of a Teenage Gamer is funny in its honest retellings of teenage puberty, witty in its commentary on rich suburban life, and thought provoking in a way that questions the meaning behind success and happiness. This true story draws parallels between sports, music, and video games-and shows how, at the core, they teach many of the same lessons. With a successful spine surgeon for a father, a music teacher for a mother, and a house full of driven, high-achieving siblings, Nicolas Cole's Confessions of a Teenage Gamer shows how far one boy will go to chase his

dream of becoming a professional gamer.

From the legendary whistle-blower who revealed the Pentagon Papers, an eyewitness exposé of the dangers of America's Top Secret, seventy-year-long nuclear policy that continues to this day. Here, for the first time, former high-level defense analyst Daniel Ellsberg reveals

his shocking firsthand account of America's nuclear program in the 1960s. From the remotest air bases in the Pacific Command, where he discovered that the authority to initiate use of nuclear weapons was widely delegated, to the secret plans for general nuclear war under Eisenhower, which, if executed, would cause the near-extinction of humanity, Ellsberg shows that the legacy of this most dangerous arms buildup in the history of civilization--and its proposed renewal under the Trump administration--threatens our very survival. No other insider with high-level access has written so candidly of the nuclear strategy of the late Eisenhower and early Kennedy years, and nothing has fundamentally changed since that era. Framed as a

memoir--a chronicle of madness in which Ellsberg acknowledges participating--this gripping exposé reads like a thriller and offers feasible steps we can take to dismantle the existing "doomsday machine" and avoid nuclear catastrophe, returning Ellsberg to his role as whistleblower. The Doomsday Machine is thus a real-life Dr. Strangelove story and an ultimately hopeful--and powerfully important--book about not just our country, but the future of the world.

'Wild and wonderful ... I doubt anyone will ever match Strandings for its sheer bravura, its wry insight, and its absolute, engulfing, and brilliantly enlivening whaleheadedness' PHILIP HOARE,
ALBERT AND THE WHALE When Peter

Riley was thirteen, a woman with blue hair and a comet tattoo asked him to help load the jaw of a sperm whale into the back of a Volvo 245. The encounter set Riley on a decades-long quest to make sense of what had happened. Enter the secretive world of whale scavengers. When a whale washes up on one of Britain's coasts, a fugitive community descends to claim trophies from the carcass. Some are driven by magical beliefs. Some are motivated by profit: there is a black market for everything from ambergris to whaletooth sex toys. But for others, the need goes much deeper. Join Riley on a tour of a stranded kingdom's weird outer reaches, where nothing is as it seems. Meet witches, pedlars, fetishists, conspiracy theorists and fallen aristocrats. And

prepare for a final revelation, as the mystery of the comet woman tangles with the enigmatic symbol of Leviathan itself, beached on Britain's fatal shore.

In the aftermath of the George Floyd killing in 2020, as U.S. society takes a deep look at its racist underpinnings, corporations are among the institutions being called on to revamp their treatment of black people. Confessions from Your Token Black Colleague: True Stories and Candid Conversations About Equity and Inclusion in the Workplace, provides a first-hand account of the discrimination endured by Author Tali Lavarry while working for corporations that failed to rise to the occasion when it came to creating and fostering a

sustainable work environment for diverse hires. Revealing the injustices and hypocrisy that prevails, she makes a case for business leaders to examine their own unacknowledged biases and take action to address systemic racism. Through conversations with progressive white business leaders and professionals in the fields of human resources and diversity and inclusion, with their help she demonstrates what has to be done to create real solutions that protect and fortify people of color and other marginalized groups. Part memoir and part blueprint for change, this book lays bare the mechanisms of workplace racism, from microaggressions to false accusations. Relentless oppression, at a series of corporate jobs, led to her nervous breakdown and confinement to

a psych ward. This experience served as the catalyst for a period of soul-searching that resulted in the biggest revelation of her life and the formation of her own diversity, equity and inclusion consultancy. In this book she articulates the attitudes and behaviors of corporate staff that need changing if equity is to be achieved. Through a series of "Proposals for Atonement and Reconciliation," she introduces a strategy that opens the door to the possibility of intrinsic change.

 Author and playwright Dan Needles has long delighted readers and audiences alike with his insightful and laugh-out-loud perspective on small-town life, published in such bestselling books as *Wingfield's World* (Random House, 2011), *Wingfield's Hope* (Key Porter, 2005), *With Axe and Flask* (McFarlane, Walter and Ross, 2002) and *Letters From Wingfield Farm* (Key Porter, 1988). In 1988, Needles and his wife left the city to start a family in a country community located two hours north of Toronto. Together they stocked their farm with sheep, cattle, chickens, pigs and, eventually, four children. Needles' charming chronicle unfolds in essays dated from 1997 to 2016, offering homespun advice for successful country

living--like whether to wave from the elbow or to merely raise one finger from the steering wheel when passing a neighbour in the car. He cautions on rural superstitions, such as when his neighbour hesitated before selling him weaner pigs because every time he does the wife of the farmer who's buying them becomes pregnant--which turned out to be true. Here too is the tale of an unlikely friendship between a "borderline" collie ("he's never bitten anything in his life and the sheep are catching on") and an odd duck named Ferdinand, as well as other hilarious stories involving an assortment of farm animals, including the weapon of choice to properly dispatch a rooster-gone-bad; the risks of giving a name to a potential Sunday dinner entrée; and how to

outsmart a free-range pig. With his witty insight, Needles shares the art of neighbouring in the country--a place made for visits, and "where a figure walking across your field is more of a reason to put the kettle on than to call the police." True Confessions from the Ninth Concession is a sesquicentennial crop of antics and aphorisms by Canada's funniest farmer--one that presents a wonderful escape for world-weary city dwellers, and affirmative reading for anyone who is from, or has moved to, rural Canada.
