 FINANCIAL AND MANAGERIAL ACCOUNTING USING EXCEL FOR SUCCESS leads students to accounting mastery while increasing Excel proficiency. Built with the modern business world in mind, this adaptation of the introductory textbook, FINANCIAL AND MANAGERIAL ACCOUNTING, 11E offers an innovative 4-step

system for students to: (1) Read the accounting concept and illustration. (2) Follow the same concept using the Excel Success Example. (3) Practice using the Try It Tutorial online. (4) Apply knowledge by completing the Excel Success problem in the homework. This text reinforces key accounting concepts through 6 basic Excel formulas. Students build an Excel portfolio to demonstrate basic competencies in accounting and Excel. Each new copy of the

book comes packaged with an access code that allows students to use the online Excel Try It Tutorials. These tutorials guide students through the hands-on process of entering formulas and understanding how to Excel for accounting. Excel Success Special Activities at the end of the chapter require students to manipulate spreadsheets and save the files to demonstrate Excel competency. Within the auto-graded online homework products (CengageNOW and Aplia),

students are asked to document their Excel processes. For a complete demo of the Excel Success system, visit www.cengage.com/community/warren. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

In the second Canadian edition of *Accounting*, we have continued with the tradition of focusing on the changing needs of

accounting students and their instructors by utilizing feedback from student reviews, an Editorial Advisory Board, and external reviewers. Accounting faculty from all over the country contributed to our book development process in a direct and creative way. *Accounting 2nd Canadian Edition* takes a learn-by-doing approach to *Accounting* supported by Example Exercises, Mid-Chapter Illustrative Problems, and plentiful and comprehensive end-of-chapter exercises and

problems. The unique Guided Principles System lays out what is to be covered in the Chapter and is an important visual that helps students see the big picture. This integrated learning system helps guide students through the chapter content, leading to better homework outcomes, and accounting mastery. Students love the Real-World Chapter Openers and the Morning Java Financial Statements which provide a consistent reference point for users who want to see

a full set of financial statements. An added critical thinking component and one-third more exercises and problems are key elements of this revision. *Solutions Manual, Accounting Chs. 1-17* South-Western Pub This alternative to traditional working papers offers invaluable Study Guide elements integrating the exercises and selected problems from the text with forms for preparing their solutions. **Accounting** Cengage
