No other guide covers the complete retail picture like this exciting new volume. America's retail industry is in the midst of vast changes - superstores and giant discounters are popping up on major corners. Malls are lagging while "power centers" are surging ahead. Savvy firms are combining bricks, clicks and catalogs into multi-channel retail powerhouses. Which are the hottest retailers? What lies ahead? Our market research section shows

you the trends and a thorough analysis of retail technologies, chain stores, shopping centers, mergers, finances and future growth within the industry. Included are major statistical tables showing everything from monthly U.S. retail sales, by sector, to mall sales per square foot, to the 10 largest malls in the US. Meanwhile, the corporate profiles section covering nearly 500 firms gives you complete profiles of the leading, fastest growing retail chains across the nation. From Wal-Mart and Costco to Barnes & Noble and Amazon, we profile the major companies that marketing executives, investors and job seekers most want to know about. These profiles include

corporate name, address, phone, fax, web site, growth plans, competitive advantage, financial histories and up to 27 executive contacts by title. Purchasers of the printed book or PDF version may receive a free CD-ROM database of the corporate profiles, enabling export of vital corporate data for mail merge and other uses. *Plunkett's Retail Industry Almanac* Waveland Press Popular Science gives our readers the information and tools to improve their technology and their world. Blueprint to a Billion

John Wiley & Sons

Praise for BLUEPRINT TO A BILLION "A

wonderful, well thought out analysis of entrepreneurship and leadership of a growth company." —Howard Lester, Chairman, Williams-Sonoma, Inc. "If you dream about growing your business to a billion, this is a fascinating down-to-earth study that you must read. Apply the seven essential principles to your business and you are off and running. Learn about strategy, growth, leadership, team

building, and a whole lot more." —Joe Scarlett, Chairman of the Board, Tractor Supply Company "Blueprint to a Billion is a well-researched and thoughtfully written book that quantifies the growth pattern of America's highest growth companies."

—Professor John Quelch, Senior Associate Dean, Harvard Business School "Eighty percent of the top-performing stocks in the last twenty years were small entrepreneurial companies that had an IPO in the prior eight years. Blueprint to a Billion tells you the seven key things these innovators did in common to become America's greatest growth companies."

—William J. O'Neil, Chairman and Founder

Investor's Business Daily, www.investors.com "Thomson has written a masterful work that will catalyze, empower, inspire, motivate, and illuminate entrepreneurs, investors, and policymakers. The world needs this book and will profit from it in manifold ways."

—David M. Darst, Managing Director, Individual Investor Group Chief Investment Strategist, Morgan Stanley Contract Record Copyright Office, Library of Congress

This book is comprised of 150 articles written between 2008 and 2022. Most were published in the Nashville Business Journal, with several appearing in other newspapers. You will

find more than two dozen articles related to my favorite topic: management and leadership skills. As you will see, I also touch on the importance of ethical behavior in and out of the business world. These articles are separated into twelve topic-driven chapters, with the addition of one chapter containing miscellaneous op-eds. It is my sincere hope that reading these articles will help you improve your leadership skills at least in some small way.

Becoming a Category of One gives you the blueprint for building your own extraordinary business. *Annual Report* John Wiley & Sons. What will make customers decide to give their business and their money to

you—even when your products may be virtually the same as others in your industry? Saying YES instead of no—and being ready to show the customer you'll go the extra mile—is successful businessman Howard Brown's answer. He should know. He built and sold three thriving office supply companies, going up against big-time competition and winning every time. In *Yes Is More*, Brown shows you how to create a unique added value—that something special for your customers—that will make your business stand out from all the rest, no matter what you're selling! In the end, and in good times and bad, loyalty to your employees, your

manufacturers, and your customers—along with that unique something special—will always lead your company to a place at the top. In a friendly, matter-of-fact style, Howard Brown shares and elaborates on classic and actionable personal wisdom that is never off-trend when you're in the pursuit of outstanding profits and impressive success. Insights and important points include—

- You can never have enough good people.
- When you find good people, take care of them so they will stay.
- Whatever you put into relationships will benefit you in the end.
- Lead by example.
- Know every aspect of your business, and make sure you can do everyone's job.
- Don't ask people to do

anything you are not prepared to do yourself. Entrepreneurs and aspiring entrepreneurs of all stripes will come away with valuable tips from a real professional, and they'll thank Brown for the time he put into this very individual book about saying yes and making it big. This is time-honored, tried-and-true advice that never fails.
