At key moments in his life on earth, Jesus Christ, the very Son of God, turned to the Psalms for words to express his deepest thoughts and emotions. It is not hard to imagine Jesus, his mind and heart saturated with the words and thoughts of the Psalms as they were prayed aloud in the Temple, going off early in the morning to pray. How much must he have mouthed the words of the Psalms and given them a fulfillment? They became his answering speech to his heavenly Father. In these pages you will discover how the psalms that relate closely to the mission of Jesus can also become our answering speech. We will begin our journey into the mind of Christ by immersing ourselves in several psalms which Jesus himself refers to and fulfills. And then in the second half of the book, we will immerse ourselves in psalms that Jesus would have meditated on during his time on earth, focusing

on the heart and mind of Jesus as he prayed the psalms. Structural analysis of each psalm will help us grow our ability to read the Psalms. The guided personal prayer liturgy with each chapter will help us go deeper in the experience of praying the Psalms. Through these psalms we will discover more of the human life of our Lord and Savior. And in the process we will discover more of who we are as we come before our holy God. Also included: a group discussion and prayer experience to accompany each chapter.

The Open and Unafraid SPCK

Dietrich Bonhoeffer presents the Psalms as the prayer of the Church of which Jesus Christ is Head, having their place alongside the 'Our Father', the prayer which Jesus taught. Bonhoeffer considers who it is who prays in the Psalms, as well as various themes to be found within them, such as creation and the history of salvation, life and suffering. The Psalms provide words with which we can address God and in which we can hear God speaking to us.

Teaching Psalms Vol. 1 Wm. B. Eerdmans Publishing

Peterson's eloquent meditation on the Revelation of St. John engages the imagination and awakens the intellect to the vitality and relevance of the last words on scripture, Christ, church, worship, evil, prayer, witness, politics, judgment, salvation, and heaven.

God's Prayer Book Harper Collins

Widely regarded as the modern C. S. Lewis, N. T. Wright, one of the world's most trusted and popular Bible scholars and the bestselling author of *Simply Christian* and *Surprised by Hope*, presents a manifesto urging Christians to live and pray the Bible's Psalms in *The Case for the Psalms*. Wright seeks to reclaim the power of the Psalms, which were once at the core of prayer life. He argues that, by praying and living the Psalms, we enter into a worldview, a way of communing with God and knowing him more intimately, and receive a map by which we understand the contours and direction of our lives. For this reason, all Christians need to read, pray, sing, and live the Psalms. By providing the historical, literary, and spiritual contexts for reading these hymns from ancient Israel's songbook, *The Case for the Psalms* provides the tools for incorporating these divine poems into our sacred practices and into our spirituality itself.

Praying with Jesus Liturgical Press

The text of the familiar psalm comparing God to a loving shepherd accompanies illustrations which shows the world of love and fear faced by an urban African-American family.

Finding God in the Psalms Penguin Books

Ancient tradition suggests that this world-weary lament is the work of Solomon in old age. Casting its eye over the transient nature of life, the book questions the striving for wisdom and the truth, choosing instead to espouse the value of living for the moment. The text is introduced by Doris Lessing.

Stepping Up Tyndale House Publishers, Inc.

Presents the second volume in Eugene Peterson's series on Spiritual Theology and is entitled "Eat This Book." Becomes a conversation about spiritual reading and the nature of language as well as the ancient practice of "lectio divina," and the place of Scripture translations.

The Songs of Jesus Answering God

Answering God Harper Collins

Hearing and Answering God Scripture Union Publishing

"A book you will want to read and read again." -- Eugene Peterson
Afterword by Bono. How can we find a more transparent, resilient, and fearless life of faith? The book of Psalms has been central to God's people for millennia, across all walks of life and cultural contexts. In reading it, we discover that we are never alone in our joys, sorrows, angers, doubts, praises, or thanksgivings. In it, we learn about prayer and poetry, honesty and community, justice and enemies, life and death, nations and creation. Open and Unafraid shows us how to read the psalms in a fresh, life-giving way, and so access the bottomless resources for life that they provide. "David Taylor's take is 'open and unafraid' alright. He really goes there, exposing himself before God in the most beautiful way. He might have called the book *Naked*, because if you don't find your own self feeling a little exposed here, it might be time to take some armor off." -- Bono, from the Afterword "A book that you will want to read and read again, and yet again, in order to discover the wisdom of the Psalms that shows us how to walk in the life-giving way of Jesus." -- Eugene Peterson, from the Foreword "A winsome, accessible entry into the Book of Psalms...Connects the poetry of the psalms to real-life wonders and struggles." -- Walter Brueggemann, Columbia Theological Seminary "Taylor reads these biblical prayers with Dr. Seuss, rappers, and other poets, along with theologians and the daily news....Guides readers in tracing out patterns of holy speech that have the potential for healing our

hearts and our communities." -- Ellen F. Davis, Duke Divinity School "I have always loved the psalms--for their defiant devotion, their deep joy, and their brutal yet beautiful honesty. And after reading this fantastic book about them, I love them even more." -- Matt Redman, worship leader and song writer "In these fraught and fearsome days, we need the psalms more than ever. And we need more faithful artists and thinkers like David Taylor to mine the infinite gifts the psalms offer across the ages." -- Karen Swallow Prior, author of *Fierce Convictions*

God, Do You Hear Me? Viking

God wants your heart... The Psalms are in a category of their own. They are not just commanding; they are contagious. And they can change us. Tears, affliction, shame, regret, grief, anger, discouragement, turmoil...we hear all these cries, we feel their overflow, and we see that all these things happen in relation to our totally sovereign God.

Psalms B&H Publishing Group

Hearing and Answering God is the second volume of *Prayers* patterned after the language of the Psalms. Each of the Psalms (76-150) begins with the scripture passage followed by a prayer.

Desiring God Harper San Francisco

Hearing and Answering God is the second volume of the authors work on Psalms (Psalm 31-60; 1-30 in previous volume). Each selection begins with the full text of the Psalm (ESV) followed by the author's prayer, and then space is left for journaling and your own prayer notes.

Praying the Psalms HarperChristian Resources

- A spiritual manifesto by one of the world's most popular Christian writers
- A passionate case for putting the Psalms back at the centre of Christian prayer and worship
- An engaging and useful guide to praying the Psalms that can help us to live and commune with God as Jesus did 'I have decided, as a kind of thought-experiment, to order the material in three sections. The Psalms invite their singers, as they always have, to live at the crossroads of time, space and matter. This book explores what happens at this crossing-point.' From the Introduction 'Prayer is an act of rebellion. In this incisive and fresh look at the book of Psalms, Wright invites us to enter an alternative world-view that the Psalms embody. Let this book lead you to the Psalms - but beware, it's the wardrobe door into a new world order.' Scot McKnight, author of *The King Jesus Gospel* 'A characteristic blend of learning, personal insight and spiritual perception. This book will be of enormous help to Christians who want to know how to make fuller use of one of the greatest scriptural resources for prayer.' Rowan Williams, author of *The Lion's World* 'All our greatest treasures have a way of getting lost - then rediscovered. I can think of few greater treasures than the great songbook of the songs. I can think of no one better suited to explaining why and how they are to be treasured than Tom Wright.' John Ortberg, author of *The Me*

Hearing and Answering God Harper Collins

This book encourages reading, reflecting upon, and then letting the words of the Psalms direct our praying. A Psalm reading along with a suggested prayer (by the author) is offered from Psalms 1-30.

Prayer Publications International

Worship is a daunting task. For that reason, God gave us the Psalms. This collection of hymns and petitions was written over a span of centuries, in many different settings, by kings such as David and Solomon and commoners like Asaph, Heman, and the sons of Korah. Some of the psalms are defiant; others are reverent. Some are meant to be sung; others are to be prayed. Some are intensely personal; others are written as if the whole world is to use them. But all have one purpose - to help us express our hearts to God. So don't just read these psalms but

actually pray them along with the saints who composed them. As you do, you will experience their energy, appreciate their honesty, and enjoy their creativity. The Life Lessons with Max Lucado series brings the Bible to life in twelve lessons filled with intriguing questions, inspirational stories, and poignant reflections to take you deeper into God's Word. Each lesson includes an opening reflection, background information, an excerpt of the text (from the New International and New King James versions), exploration questions, inspirational thoughts from Max, and a closing takeaway for further reflection. The Life Lessons series is ideal for use in both a small-group setting and for individual study.

[Psalms \(Lifebuilder Study Guides\)](#) Canongate Books

If you love, or want to love, or think perhaps you ought to love the Psalms, this first instalment of a two-volume set on the Psalter is for you. The purpose of the Psalms is that we learn to pray them, allowing them to - as Augustine put it - settle us more deeply in Christ. Volume 1 explores this purpose, showing how the Psalms should be studied, while Volume 2 focusses in on a chapter by chapter exposition. These volumes aim to help you pray the Psalms from the heart.

[Shaped by God](#) Wm. B. Eerdmans Publishing

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

[Answering God](#) Createspace Independent Publishing Platform

This 10-week study of Job, Psalms, Proverbs, Ecclesiastes, and the Song of Solomon mines the Wisdom Literature not only for wise principles for living, but also for the wise person these books point to through their drama, poetry, proverb, and song. In her accessible and authentic style, Nancy Guthrie focuses on seeing Jesus in the Old Testament instead of emphasizing works-based moralism. She presents clear commentary and contemporary application of gospel truths, speaking directly to issues such as

repentance, submission, happiness, and sexuality. Each weekly lesson includes questions for personal study, a contemporary teaching chapter that emphasizes how the passage fits into the bigger story of redemptive history, a brief section on how the passage uniquely points to what is yet to come at the consummation of Christ's kingdom, and a leader's guide for group discussion.

[Psalms](#) Fortress Press

The Psalms of the King James Bible are the keys to communicating with God through prayer. Godfrey Selig's translation of a key fragment of the practical Kabala allows the reader to fully utilize the Psalms and prayers as they were meant to be used. Included in this edition are also a printing of all 150 Psalms from the King James Bible, a must have for any true devotee of God.

Praying with the Psalms InterVarsity Press

Weariness. Wonder. Joy. Longing. Anger. These are the feelings of the Psalms: honest expressions of pain and joy penned by real people in the midst of real life circumstances. Though they were written centuries ago, the Psalms still resonate deeply with us today, giving voice to our thoughts and longings: "Out of the depths I cry to you, O LORD." (Psalm 130:1) "God is our refuge and strength, an ever-present help in trouble." (Psalm 46:1) "As the deer pants for streams of water, so my soul pants for you, O God." (Psalm 84:2) In *Learning to Pray Through the Psalms*, James W. Sire teaches us to take our appreciation for this rich book of Scripture a step further. Choosing ten specific psalms, Sire offers background information that helps us read each one with deeper insight and then lays out a meditative, step-by-step approach to using the psalmists' words as a guide for our own personal conversation with God. A group study is also included in each chapter, along with a guide for praying through the psalm in community. The Lord loves when his people pray. And his Word is a powerful tool for framing honest, intimate prayers. Sire's innovative approach will enrich our minds and our souls as we read more perceptively and pray with all of our emotions.
