TESSA JAX

Celebrated Summer The Ink Foundry

'At 16, I pretended to fall in love with Alyssa.' Meet James and Alyssa, two teenagers facing the fears of coming adulthood. As their story is told through chapters which alternate between each character's perspective, however, this somewhat familiar teenage experience takes a more nihilistic turn. With James's character becoming rapidly more sociopathic, they are forced to take a road trip that owes as much to *Badlands* as *The Catcher in the Rye*, and which threatens both their futures forever. One of the most talked about graphic novels of recent years, *The End of The Fucking World* marks Charles Forsman's UK debut.

Stupid Fucking Bird Canongate Books

"A gripping political thriller readers may find hard to put down."—Dallas Morning News Keita Ali is an elite runner living in Zantoroland, a poor, fictional island that is erupting in political violence. When his father, a journalist, is murdered, Keita escapes to the wealthy nation of Freedom State—an imagined country much like our own. A stateless refugee without documentation, Keita must hide from the authorities even as he races marathons to support himself and ransom his sister who has been kidnapped. This tension-filled novel by the best-selling author of *Someone Knows My Name* is an astute exploration of dislocation, starting all over again, and the desperate need for home and community.

A Novel Macmillan

This is not a book about how to be posh. We have some slightly bigger issues to deal with these days. We've all got a million things to do and are constantly connected to millions of other people all doing a million other things, so the faster we get things done the better, right? Wrong. Among all the busyness and confusion it seems we've forgotten a few of the basics in life, like the ability to treat one another with respect, dignity and some fucking good manners. Enter Simon Griffin, author of *Fucking Apostrophes*. From the entry-level stuff like saying please, thank you and sorry; manspreading on public transport and double-lane queuing at airports, to those that require just a little bit more thought, such as correct urinal protocol in public toilets, making tea rounds in the office and online public displays of affection, Simon imparts rules and advice to living life in a way that makes it just a bit better for everyone. With some liberal use of rude words thrown in to emphasise the point. With chapters on driving, social media, the environment, getting on with your neighbours, and the best manners for a trip to the cinema, this is the perfect gift for a manners enthusiast, or those in need of a gentle (but swearsy) nudge in the right direction.

How to Stop Spending Time You Don't Have with People You Don't Like Doing Things You Don't Want to Do Icon Books

A cross-Atlantic collaboration, *Hobo Mom* was drawn simultaneously. Both cartoonists' clean line styles fit together perfectly to tell the story of Tom, who lives a simple life with his pre-teen daughter, Sissy. Her mother, Natasha, who left to hop trains and has become a vagrant, shows up on the doorstep of the family she abandoned years ago. There, Natasha finds an upset husband (who is still deeply in love with her), and a little girl yearning for a mother. Can someone who covets independence settle down?

#1 New York Times Bestseller Over 1 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today.

*The Subtle Art of Not Giving a F**k* is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, *The Subtle Art of Not Giving a F**k* is a refreshing slap for a generation to help them lead contented, grounded lives.

Dark 'n Stormy Fantagraphics Books

An edgy yet accessible "bad bitch" guide to life, love, and success from Amber Rose, renowned model, entrepreneur, and pop culture personality. *Bad Bitch* (n.): A self-respecting, strong female who has everything together. This consists of body, mind, finances, and attitude; a woman who gets her way by any means necessary. Amber Rose didn't let her early years in the tough neighborhood of South Philly keep her from achieving her star-studded goals. From the sets of music videos, to high fashion runways and magazines, to life at home with her beautiful son, Amber doesn't hesitate to command her personal stage with confidence, edge, attitude, and her own form of grace. For the first time, this renowned model, actress, socialite, pop culture maven, and self-proclaimed "bad bitch" is sharing her secrets on how to lead a powerful life in this edgy yet accessible guide to life, love, and success. With unparalleled candor, "Muva" pulls back the curtain on her rollercoaster of a journey from a young trailblazer to a worldwide phenomenon—and it's this evolution that has influenced her intoxicating, authoritative outlook on life and love. Filled with expert advice and personal anecdotes, *How to Be a Bad Bitch* covers finances, career, love, beauty, and fashion while emphasizing confidence, positive self-acceptance, and authenticity. Above all, Amber delivers a message to all women in this fiercely fearless guide: work hard, love yourself, embrace your femininity and sexuality, and most importantly, chase the best vision of you possible.

Girl in Pieces Faber & Faber

My name is Becky. I arrived home to find my husband, Chris, stabbed to death and a gang of men ransacking our house. Turns out that Chris had something that belonged to them. And if I want to stay alive, I have to find it and return it. They've given me seven days. And a beating. There is nowhere to hide and no time left to look. So I will stand my ground as the deadline approaches. All I have is a head full of lies and a very bad plan.

Kate Fantagraphics Books

I had to accept that I wasn't just Arthur Leywin anymore, and that I could no longer be limited by the circumstances of my birth. If I was going to escape, if I was going to go toe-to-toe with the most powerful beings in this world, I needed to push myself to my utmost limit...and then I needed to push even further. After nearly dying as a victim of his own strength, Arthur Leywin wakes to find himself far from the continent where he was born for the second time. Alone, broken, and with no way to tell his family he's alive, Arthur must rebuild his strength to survive. As he ascends through an ancient dungeon filled with hostile beasts and devious trials, he discovers an ancient, absolute power - a power that will either ruin him or take him to new heights. But the dungeon won't give up its knowledge easily. Before he can plunder its depths, Arthur must learn to untangle the threads of fate. He must band together with the unlikeliest of allies if he hopes to escape with his life.

The End of the Fucking World Fantagraphics Books

Seriously, Dude, Don't Touch It Abacus

The Best American Comics showcases the work of both established and up-and-coming contributors. Editor Jeff Smith—creator of the classic comic Bone, a comedy/adventure about three lost cousins from Boneville—has culled the best stories from graphic novels, pamphlet comics, newspapers, magazines, mini-comics, and web comics to create this cutting-edge collection.

End of the Fucking World Harper Collins

Instant #1 New York Times and Wall Street Journal bestseller From the Washington Post journalists Yasmeen Abutaleb and Damian Paletta—the definitive account of the Trump administration's tragic mismanagement of the COVID-19 pandemic, and the chaos, incompetence, and craven politicization that has led to more than a half million American deaths and counting. Since the day Donald Trump was elected, his critics warned that an unexpected crisis would test the former reality-television host—and they predicted that the president would prove unable to meet the moment. In 2020, that crisis came to pass, with the outcomes more devastating and consequential than anyone dared to imagine. Nightmare Scenario is the complete story of Donald Trump's handling—and mishandling—of the COVID-19 catastrophe, during the period of January 2020 up to Election Day that year. Yasmeen Abutaleb and Damian Paletta take us deep inside the White House, from the Situation Room to the Oval Office, to show how the members of the administration launched an all-out war against the health agencies, doctors, and scientific communities, all in their futile attempts to wish away the worst global pandemic in a century. From the initial discovery of this new coronavirus, President Trump refused to take responsibility, disputed the recommendations of his own pandemic task force, claimed the virus would “just disappear,” mocked advocates for safe-health practices, and encouraged his base and the entire GOP to ignore or rescind public health safety measures. Abutaleb and Paletta reveal the numerous times officials tried to dissuade Trump from following his worst impulses as he defied recommendations from the experts and even members of his own administration. And they show how the petty backstabbing and rivalries among cabinet members, staff, and aides created a toxic environment of blame, sycophancy, and political pressure that did profound damage to the public health institutions that Americans needed the most during this time. Even after an outbreak in the fall that swept through the White House and infected Trump himself, he remained defiant in his approach to the virus, very likely costing him his own reelection. Based on exhaustive reporting and hundreds of hours of interviews from inside the disaster zone at all levels of authority, Nightmare Scenario is a riveting account of how the United States government failed its people as never before, a tragedy whose devastating aftershocks will linger and be felt by generations to come.

A Counterintuitive Approach to Living a Good Life New York : Vintage Books

From the author of the international best seller GO THE FUCK TO SLEEP comes a book about the other great parental frustration: getting your little angel to eat something that even vaguely resembles a normal meal. Profane, loving and deeply cathartic, You Have to Fucking Eat breaks the code of child-rearing silence, giving mums and dads new, old, grand- and expectant a much-needed chance to laugh about a universal problem. You probably shouldn't read it to your children.

The Illegal: A Novel TurtleMe

Somebody was watching her She had read about stalkers, but they belonged in a different, faraway world. She had no idea who it could be, who would want to harm her. She was trying desperately not to panic, but lately her sleep had been filled with nightmares, and she had awakened each morning with a feeling of impending doom. Thus begins Sidney Sheldon's chilling new novel, Tell Me Your Dreams. Three beautiful young women are suspected of committing a series of brutal murders. The police make an arrest that leads to one of the most bizarre murder trials of the century. Based on actual events, Sheldon's novel races from London to Rome to the city of Quebec to San Francisco, with a climax that will leave the reader stunned.

A novel about life and death and a quest for moral purpose, by the acclaimed author of word-of-mouth bestseller The First Fifteen Lives of Harry August. "Wholly original and hauntingly beautiful."--Kirkus "Funny, ambitious, immensely humane and full of philosophical panache."--Sunday Times Sooner or later, Death visits everyone. Before that, they meet Charlie: the Harbinger. Sometimes he comes as a courtesy, sometimes as a warning. Either way, this will be the most important meeting of your life. But who will come for Charlie? "A fascinating exploration of what makes us human--and a riveting journey through life, and death."--The Bookbag "Reaffirms the passion and ambition that have made North such a consistently intriguing writer."--Locus More by Claire North: The Gameshouse84K The End of the Day The Sudden Appearance of Hope Touch The First Fifteen Lives of Harry August

A Novel Voracious

"Abbie Hoffman, Yippie non-leader, notorious dope addict and up-and-coming rock group (the WHAT), is currently on trial with seven others for conspiracy to incite riot during the Democratic Convention. When he returned from the Woodstock Festival he had five days before leaving for Chicago to prepare for the trial. Woodstock Nation, which the author wrote in longhand while lying upside down, stoned, on the floor of an unused office of the publisher, is the product of those five days. Other works by Mr. Hoffman include Revolution for the Hell of It and Fuck the System, which he describes as a "tender love epic"."-- Back cover.

The Life-Changing Magic of Not Giving a F*ck Simon and Schuster

The #1 New York Times Bestseller: "A hilarious take on that age-old problem: getting the beloved child to go to sleep" (NPR). "Hell no, you can't go to the bathroom. You know where you can go? The f**k to sleep." Go the Fuck to Sleep is a book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don't always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar—and unspoken—tribulations of putting your little angel down for the night. Read by a host of celebrities, from Samuel L. Jackson to Jennifer Garner, this subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won't care.

Go the Fk to Sleep** The End of the Fucking World

"I didn't heed a single warning. I let my sickness, my love, both rule and ruin me. I played my part, eyes wide open, tempting fate until it delivered. There was never going to be an escape. All of us are to blame for what happened. All of us serving our own sentences. We were careless and reckless, thinking our youth made us indestructible, exempt from our sins, and it cost us all. I'm done pretending I didn't leave the largest part of me between these hills and valleys, between the sea of trees that hold my secrets. It's the reason I'm back. To make peace with my fate." -- Amazon.com **Slasher GN** Redhook

Madison Kate is a new adult/college age dark romance with enemies to lovers/hate to love themes. This is a reverse harem series, meaning the leading lady has several love interests and she doesn't have to choose between them for her happily ever after. If this isn't your cup of tea, then this isn't the series for you. ♥ KATE is book 4 of 4 in the MADISON KATE series. The blurb below may contain spoilers for previous books, and I urge you not to read it until you've finished HATE, LIAR and FAKE. ♦♦♦ "I never miss." Riot Night changed my life. Coming back to Shadow Grove turned it on its head. I've been hunted, stabbed, stalked, tormented, and used. Hate fueled me, lies tore me apart, and in the end everything I thought I knew turned out to be fake. Except... Riot Night also brought Archer, Kody, and Steele back into my life. No matter how much I've fought it, hated it, been lied to or discovered the deceptions-I want them in my life. No one owns me. No one is taking them away. This is my life, dammit, and these guys are mine to keep. If a war is what it takes, then a war is what they'll get.

I'm Thinking of Ending Things HarperCollins

Now a Netflix original movie, this deeply scary and intensely unnerving novel follows a couple in the midst of a twisted unraveling of the darkest unease. You will be scared. But you won't know why... I'm thinking of ending things. Once this thought arrives, it stays. It sticks. It lingers. It's always there. Always. Jake once said, "Sometimes a thought is closer to truth, to reality, than an action. You can say anything, you can do anything, but you can't fake a thought." And here's what I'm thinking: I don't want to be here. In this smart and intense literary suspense novel, Iain Reid explores the depths of the human psyche, questioning consciousness, free will, the value of relationships, fear, and the limitations of solitude. Reminiscent of Jose Saramago's early work, Michel Faber's cult classic Under the Skin, and Lionel Shriver's We Need to Talk about Kevin, "your dread and unease will mount with every passing page" (Entertainment Weekly) of this edgy, haunting debut. Tense, gripping, and atmospheric, I'm Thinking of Ending Things pulls you in from the very first page...and never lets you go.
