Eric Clapton has been referred to as one of the most important and influential guitarists of all time. He is a highly respected figure in the pantheon of rock and roll

greats, and his long career - with the Yardbirds and Cream, and as a solo artist - has been acknowledged by hundreds of awards and accolades over the years. To mark his illustrious 50-year career, Eric Clapton Treasures celebrates the legendary musician through stunning, rarely published photographs and 20 items of removable facsimile

memorabilia, including posters, tickets, flyers and signed photographs. Eric Clapton Treasures gives the reader a front-row seat (and backstage access as well) to the career of the legendary guitarist who the only person to be inducted into Rock and Roll Hall of Fame three times. This unique book is a treasure trove of memorabilia and photographs and the

ultimate celebration of world's greatest living guitarist.

'These guitars have been really good tools; they're not just museum pieces. They all have a soul and they all come alive.' - Eric Clapton 'In his own words, Clapton tells his story through the history of his instruments.' - Rolling Stone In *Six-String Stories* Eric Clapton reflects on a legendary career as told through the tools of his trade: his guitars.

Collected together here for the first time are the instruments Clapton sold in three record-breaking auctions between 1999 and 2011 to benefit the Crossroads treatment centre he founded in 1998. Featuring some of the most iconic guitars ever played, Clapton guides the reader through nearly 300 instruments as he discusses their provenance, reveals insights about his own playing, and shares anecdotes from each chapter of his spectacular life in music. 'One by one

these guitars were the chapters of my life. They belong to a very well-loved family.' - Eric Clapton *Six-String Stories* presents a 'family tree' that makes connections between iconic instruments, such as Clapton's famous 'Blackie' Stratocaster, and previously unknown rarities, placing them in the chronology of his career. Clapton recalls the instruments he bought to emulate his heroes, the guitars with unknown origins that became their own legend, the ones that

never left his side, and the legacy they left behind. Every piece has been individually photographed, revealing every curve, detail and scratch, while the work of over 80 of the world's best rock photographers shows the instruments in play. See Clapton's evolution from the psychedelic Sixties, through the stripped-back Seventies, electric Eighties, and unplugged Nineties, right up to the sale of the last guitar. 'As an avid rock or blues fan, I would look at all the

pictures in this book.' - Eric Clapton Historical and technical information for each piece in the collection - including playlists and concert dates for those instruments used on records and at public appearances - completes the story behind each guitar. 'The guitars are things of great beauty.' - Eric Clapton **Crossroads** University-Press.org From the bestselling author of Shout!, comes the definitive biography of Eric Clapton, a Rock

legend whose life story is as remarkable as his music, which transformed the sound of a generation. For half a century Eric Clapton has been acknowledged to be one of music's greatest virtuosos, the unrivalled master of an indispensable tool, the solid-body electric guitar. His career has spanned the history of rock, and often shaped it via the seminal bands with whom he's played: the Yardbirds, John Mavall's Bluesbreakers, Cream, Blind Faith, Derek and the

Dominoes. Winner of 17 Grammys, the Rock 'n' Roll Hall of Fame's only three-time inductee, he is an enduring influence on every other star soloist who ever wielded a pick. Now, with Clapton's consent and access to family members and close friends, rock music's foremost biographer returns to the heroic age of British rock and follows Clapton through his distinctive and scandalous childhood, early life of reckless rock 'n' roll excess, and twisting & turning struggle with

addiction in the 60s and 70s. Readers will learn about his relationship with Pattie Boyd--wife of Clapton's own best friend George Harrison--the tragic death of his son, which inspired one of his most famous songs, "Tears in Heaven," and even the backstories of his most famed, and named, guitars. Packed with new information and critical insights, *Slowhand* finally reveals the complex character behind a living legend. *Eric Clapton* Crown Six-String Stories Genesis

Conversations with Eric Clapton Hal Leonard Corporation (FAQ). Eric Clapton has been a rock god for half a century. From busking on street corners and in local pubs to the raw blues of the Yardbirds, the rock/blues fusion of Cream, the guitar brilliance of Derek and the Dominoes, and the unforgettable songs of his solo career, he has proven his incomparable talent in the music world. His enduring presence has made him the subject of

countless books, articles, reviews, websites, and gossip. Is there really anything new to learn about the man they call Slowhand? Eric Clapton FAQ combines the obvious, the well-known, the obscure, and the unknown into one place. It was not written as a definitive Clapton biography or a tell-all book that has the final say. It is, as the title suggests, a book of facts. Clapton is one of those public figures we know much about, but he still seems to be partially

shrouded in mystery. Sometimes the stories and facts about his life change and evolve, which is all a part of his mystique. Eric Clapton FAQ uncovers some of that mystery and celebrates his talent in an entertaining style. Packed with dozens of rare images, this book is must for Slowhand fans. [Eric Clapton](#) Six-String Stories Eric Clapton is far more than a rock star - he is an icon and a living legend. He has sold tens of millions of records, played

sell-out concerts all over the world and been central to the significant musical developments of his era. This autobiography tells the story of his personal and professional journeys. *All That's Left to Know About Slowhand* Hal Leonard Corporation (Easy Guitar). 17 Clapton classics arranged at an easier level, including: Change the World * Cocaine * Cross Road Blues (Crossroads) * For Your Love * I Shot the Sheriff * Lay Down Sally * Layla * Sunshine of Your

In Concert - Eric Clapton "Unplugged"
Genesis Publications (Book). The world's most

famous guitar had a golden anniversary in 2004, and this official, authorized book/CD package offers the best photos, quotes, facts and sounds to properly celebrate this achievement. From Buddy Holly to Jimi Hendrix to today's hottest players, the Fender Stratocaster defines rock'n'roll for generations of fans and players. Special features include exclusive photos from the world's greatest guitar collection, as well as a CD with musical examples of famous Strat

sounds and styles hilariously performed by Greg Koch even spoken excerpts from the author's interviews with the Strat's beloved inventor, Leo Fender. This book also recognizes that the Stratocaster's deeper significance lies in the music that guitarists have created with it. You'll hear what Strat players have to say about their instrument, their music and each other. The Fender Stratocaster both reflects and influences popular culture worldwide. The

Stratocaster Chronicles focuses on the people who brought it into the world, the designers and builders who refined it, and the players who have taken it from there. *Wonderful Tonight* Headline Dave Thompson, author of Virgin's acclaimed Red Hot Chili Peppers biography, takes a new and very detailed look at the creation of one of the world's most influential bands. After all the streets of London had been covered in 'Clapton Is God' tributes, the three

top rock instrumentalists of their time, all stars in their own right, came together to form Cream. Cream went on to become the first band to break open the lucrative US market by dint of their live shows alone. Updated to include details of their recent tour, this definitive account goes on the road with them then and now, day by relentlessly hedonistic day. **Eric Clapton Albums** Carlton Books Limited For over five decades, Eric Clapton has ranked among rock's premiere

guitarists—and since the early 1980s, famed music photographer Gene Shaw has been capturing great moments from Slowhand's electrifying career. More than 150 of Shaw's rare color and black-and-white photographs offer a front-row fan's perspective on many legendary musical events. Highlights include Clapton's performance at the 1983 ARMS benefit; the 1992 show with Elton John at Shea Stadium; the 2005 Cream reunions at the Royal Albert Hall and Madison Square Garden; several appearances at

the Rock and Roll Hall of Fame induction ceremonies; and the current Crossroads Guitar Festivals. Shaw provides a commentary on each show, recapturing the emotionally charged moods of venues ranging from small clubs and theaters to vast stadiums and arenas. Notes on the performances include a partial band lineup and complete set list. This unique retrospective includes an Introduction by Rolling Stone writer Anthony DeCurtis and a Foreword by John "Crash"

Matos, artist and designer of some of Clapton's signature guitars. *Easy Guitar with Riffs and Solos* Carlton Books Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Excerpt: The discography of Eric Clapton, a British guitarist and singer-songwriter, currently contains twenty studio albums, twenty-six

singles, sixteen compilations, nine live albums and six soundtrack albums as a solo-artist and several collaborations on records between different artists. Before his career as a solo-artist, Clapton worked as a guitarist in several bands, including The Yardbirds 1963-65, John Mayall & the Bluesbreakers 1965-66, Cream 1966-68, Blind Faith 1968-69 and Derek and the Dominos 1970-71. Clapton decided to record as a solo-artist, after a less successful

career as a band member. He released in 1970 his debut album Eric Clapton, which charted at number 17 in the US charts and at number 14 in the British charts. Four years later he released his second album 461 Ocean Boulevard, which received two gold certifications in the US and...
