dream that my children will be born free," she says. "That they will be what they like. That they will own the land their father gave them." "I live for you," I say sadly. Eo kisses my cheek. Like his fellow Reds, he works all day, believing that he and his people are making the surface of Mars livable for future generations. Yet he toils willingly, trusting that his blood and sweat will one day result in a better world for his children. But Darrow and his kind have been betrayed. Soon he discovers that humanity reached the surface generations ago. Vast cities and lush wilds spread across the planet. Darrow—and Reds like him—are nothing more than slaves to a decadent ruling class. Inspired by a longing for justice, and driven by the memory of lost love, Darrow sacrifices everything to infiltrate the legendary Institute, a proving ground for the dominant Gold caste, where the next generation of humanity's overlords struggle for power. He will be forced to compete for

Red Rising and Philosophy has gathered together a crew of the wisest Helldivers philosophy can offer. Could humanity's love of physical enhancements cause its extinction? Do people doom humanity by trying to all be the same? Can a person love someone, while at the same time wanting that person destroyed? Is equality always the best principle on which to organize society? What is evil, and how does it exist in contemporary life? Does one remain the same person, even after

changing every physical aspect of one's body? Is it moral to sell oneself into slavery, whether it's through sex or manual labor? Is it ethical to sell one's children into slavery, on the promise that their children will live in peace and tranquility? These questions and more are what make Brown's Red Rising trilogy such an impactful story. Brown pulls no punches, and philosophy works best in such an environment. Red Rising and Philosophy is not for the timid or the faint at heart. It's not The Passage, since no one will die from reading it, but reading it could be a life-changing experience.

FINALIST • "[Brown's] achievement is in creating an uncomfortably familiar world of flaw, fear, and promise."—Entertainment Weekly Darrow would

have lived in peace, but his enemies brought him war. The Gold overlords demanded his obedience, hanged his wife, and enslaved his people. But Darrow is determined to fight back. Risking everything to transform himself and breach Gold society, Darrow has battled to survive the cutthroat rivalries that breed Society's mightiest warriors, climbed the ranks, and waited patiently to unleash the

revolution that will tear the hierarchy apart from within. Finally, the time has come. But devotion to honor and hunger for vengeance run deep on both sides. Darrow and his comrades-in-arms face powerful enemies without scruple or mercy. Among them are some Darrow once considered friends. To win, Darrow will need to inspire those shackled in darkness to break their chains, unmake the world their cruel masters have built, and claim a destiny too long denied—and too glorious to surrender.
